- 2 English: American Literature & Another
- 2 Math: Algebra 1 & Another
- 2 Science: Biology & Another
- 2 Social Studies:
- 1 Health/PE

*All required Milestone/EOC Exams

Carpentry

- + • NCCER Carpentry Fundamentals (CF21)
- NCCER Carpentry Advance Carpentry (AB71)

Location: Macon

Entry Points: Fall, Spring, and Summer

Total Semesters Needed: 4

Total Credit Hours: 31 credit hours for certificates. Dual enrollment funding can cover 30 credit hours. The remaining 1 credit hour can be covered by HOPE/Hope Career Grant *residency requirements & separate application applies, or a student can choose to self-pay.

Carpentry Fundamentals (CF21)

Introduces the student to the basic levels of carpentry skills. Topics include introduction to the trade, safety, hand and power tool usage, site layout, structural framing, building envelope systems, and exterior finishes. The program emphasizes a combination of carpentry theory and practical application necessary for successful employment. Program graduates have the qualifications of an entry-level framing carpenter. The program uses National Center for Construction Education and Research (NCCER) curriculum, which delivers standardized training and credentialing for the industry.

Course #	Pre/Co. Req.	Course Requirements (In suggested sequence)	Seq.	Term Offered*	Credit Hours
COFC 1080	None	Construction Trades Core	1	Fall, Spring, Sum	4
CARP 1000	None	Fundamental Carpentry Skills	1	Fall & Spring	3
CARP 1015	COFC 1080 CARP 1000	Structural Framing I	2	Fall & Spring	3
CARP 1020	COFC 1080 CARP 1000	Structural Framing II	2	Fall	3
				Total Hours:	13

*Subject to change

Advanced Carpentry (AB71)

Continuing where the carpentry fundamentals certificate ends, this program introduces the student to the more technically advanced carpentry skills. Topics include introduction to the interior finishes and trim, door and window installation, steel framing, and stair finishes. The program emphasizes a combination of carpentry theory and practical application necessary for successful employment. Program graduates have the qualifications of an entry-level finish carpenter. The program uses National Center for Construction Education and Research (NCCER) curriculum which delivers standardized training and credentialing for the industry.

Conditional Program Admission: Student must be a graduate of the Carpentry Fundamentals (CF21) program or obtain advisor approval to enroll in this program.
