

College to University
Joint Institutional Agreement
Cooperative Degree Program
Leading to the Bachelor of Science in Early Childhood Special Education
Between Central Georgia Technical College
and
Fort Valley State University

In order to provide a path for advancement for the students in Central Georgia Technical College (CGTC) in pursuing their Bachelor of Science in Education with a concentration in Early Childhood Special Education at (FVSU), the two parties, Central Georgia Technical College and Fort Valley State University, agree to the following:

1. Agreement in Principle

Both parties agree to work towards easing the transition from Central Technical College, SACSCOC accredited institution, to FVSU, a SACSCOC accredited institution, for students who want to pursue their Bachelor of Science in Education with a concentration in Early Childhood Special Education at FVSU. The goal of the course articulation agreement between the Associate of Applied Science Degree in Early Childhood Care and Education at Central Georgia Technical College and the Bachelor of Science Degree in Education with a concentration in Early Childhood Special Education program at Fort Valley State University is to facilitate the transfer of courses from CGTC to FVSU. Both parties enter into this articulation agreement as cooperating partners with their responsibilities to remain true to their institutional mission and to the spirit of this articulation agreement.

2. Agreement in Communication

Central Georgia Technical College and Fort Valley State University agree to cooperate in communicating with each other and with the public release of information in their respective websites as required by USG BOR Policy Section 2.17- Concerning the Acceptance of Core Courses and Placement Test Scores from TCSG Colleges.

3. Agreement of Admission

Students at CGTC must satisfy all of the requirements for admission at FVSU. Note that for each course, students must have at least a grade of "C" for a course to be transferable. A student transferring into the baccalaureate program may graduate under the provisions of the FVSU Catalog and requirements which were in effect

when the student was accepted into the four (4) year program except when changes are mandated by external agencies such as the Board of Regents (BOR).

In order to be admitted to the Early Childhood Special Education Baccalaureate Program at Fort Valley State University under this agreement, the student must meet the following requirements:

1. Complete or be near completion of Central Georgia Technical College's Associate Degree in Early Childhood Education.
2. Document eligibility for admission to Fort Valley State University under current admission requirements outlined in the College Catalog.
3. Post passing scores on the GACE Program Admission Test
4. Have a 2.7 GPA or higher

A student transferring into the baccalaureate program may graduate under the provisions of the Fort Valley State University Catalog and requirements which were in effect when the student was accepted into the four year program.

4. Agreement on Courses That Can Be Transferred

The courses for articulation are given in table I.
