

**College to University
Joint Institutional Agreement
Cooperative Degree Program
Leading to the Bachelor of Science in Electronic Engineering Technology (BSEET)
Between Central Georgia Technical College
and
Fort Valley State University**

In order to provide a path for advancement for the students in Central Georgia Technical College (CGTC) in pursuing their Bachelor of Science in Electronic Engineering Technology (BSEET) at (FVSU), the two parties, Central Georgia Technical College and Fort Valley State University, agree to the following:

1. Agreement in Principle

Both parties agree to work towards easing the transition from CGTC (a SACSCOC accredited institution) to FVSU (a SACSCOC accredited institution) for students who want to pursue a BSEET at FVSU. The goal of the course articulation agreement between the Associate in Applied Science (AAS) in Engineering Technology program at CGTC and the Bachelor of Science in Electronic Engineering Technology (BSEET) program at FVSU is to facilitate the transfer of courses from CGTC to FVSU. Both parties enter into this articulation agreement as cooperating partners with their responsibilities to remain true to their institutional mission and to the spirit of this agreement.

2. Agreement in Communication

Central Georgia Technical College and Fort Valley State University agree to cooperate in communicating with each other and with the public release of information in their respective websites as required by USG BOR Policy Section 2.17-Concerning the Acceptance of Core Courses and Placement Test Scores from TCSG Colleges.

3. Agreement of Admission

Students at CGTC must satisfy all of the requirements for admission at FVSU. Note that for each course, students must have at least a grade of "C" for a course to be transferable. In order to be admitted to the Bachelor of Science in Electronic Engineering Technology Baccalaureate Program at Fort Valley State University under this agreement, the student must complete or be near completion of Central Georgia Technical College's Associate of Applied Science Degree in Engineering Technology. A student transferring into the baccalaureate program may graduate under the provisions of the FVSU Catalog and requirements which were in effect when the student was accepted into the four (4) year program except when changes are mandated by external agencies such as the Board of Regents (BOR).

This agreement is made with the condition that both parties maintain their respective SACSCOC institutional accreditations and the Accreditation Board of Engineering & Technology accreditations for the BSEET program at FVSU.

4. Agreement on Courses That Can Be Transferred

Since the Associate in Applied Science in Engineering Technology program and the Associate in Electronics Technology program are not yet ABET accredited, the course transfer will be limited to the approved University System of Georgia and Technical College System of Georgia course articulation agreement on core courses, with few exceptions. The courses for articulation are given in Table 1.

**Table 1. Courses for Articulation - AAS in Engineering Technology
Degree (ET33) of CGTC & BSEET of FVSU**

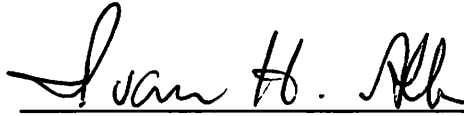

CGTC Courses (ET33)	Credit Hour	FVSU Courses	Credit Hour
ENGL 1101- Composition & Rhetoric	3	ENGL 1101 - English Composition I	3
ENGL 1102 - Literature & Composition	3	ENGL 1102 - English Composition II	3
HIST 1111 - World History I -or- HIST 1112 - World History II	3	HIST 1111 - A Survey of World Civilization to Early Modern Times -or- HIST 1112 - A Survey of World Civilization to Early Modern Times	3
SPCH 1101 - Public Speaking	3	COMM 1110 - Public Speaking	3
MATH 1113 Precalculus	3	MATH 1113 Precalculus	3
MATH 1131 - Calculus I	4	MATH 1154 - Calculus I	4
MATH 1132 – Calculus II	4	MATH 2164 – Calculus II	4
ARTS 1101 - Art Appreciation -or- MUSC 1101 – Music Appreciation	3	ARTH 1000 - Art Appreciation -or- MUSC 1000 - Music Appreciation	3
CHEM 1211 & CHEM 1211L - Chemistry I & Chemistry Lab I	4	CHEM 1211K - Principle of Chemistry I	4
DFTG 2010 - Engineering Graphics	4	AENT 1813 - Engineering Graphics	4
PHYS 1111 & PHYS 1111L - Introductory Physics I & Lab I	4	PHYS 1111K - Introductory Physics I	4
PHYS 1112 & PHYS 1112L - Introductory Physics II & Lab II	4	PHYS 1112K - Introductory Physics II	4
ECET 1101 - Circuit Analysis I	4	ELET 1210 - DC Circuit Analysis	4
ECET 1110 – Digital Systems	4	ELET 2500 – Principles of Digital System	4
ECET 2101 - Circuit Analysis II	4	ELET 1211 - AC Circuit Analysis	4
ECET 2120 – Electronics Circuits I	4	ELET 2310 – Electronic Devices and Circuits	4
ENGT 1105 – Technical Communications	3	COMM 1110 Public Speaking	3
Total	61		61

Signatures

This agreement is in effect and valid starting with the date of the signature of both Presidents and will remain in effect until terminated in writing by either institution.
