

2.1.2.a.p_(formerly I.A.1) Central Georgia Technical College Mission Statement

Mission

Central Georgia Technical College, a unit of the Technical College System of Georgia, provides traditional and distance learning educational programs and services. Through credit instruction, adult education, and customized business and industry workforce training, the College contributes to economic and workforce development within its eleven-county service area and throughout the State of Georgia.

Philosophy

Consistent with its Mission, as presented by its faculty and staff, Central Georgia Technical College affirms the following Philosophy that it is the College's responsibility:

- To provide quality academic and technical instruction leading to career preparation at the associate degree level and below through traditional and distance education modes of delivery.
- To provide appropriate adult educational opportunities to promote literacy among the general public and workforce personnel.
- To design and staff programs that will meet the needs of business and industry by training, retraining, and upgrading skills and work habits that promote maximum productivity.
- To establish a foundation for lifelong learning that will enhance the potential of the individuals in the greater Central Georgia region to become more productive, responsible, and upwardly mobile members of society.
- To promote public awareness of the value of academic and technical education.
- To collaborate with other postsecondary and secondary institutions to provide a seamless educational system.

Vision

Central Georgia Technical College's vision is that the College will be an integral part of a dynamic, unified system of technical education, adult education, and customized business and industry training, using current technology with access to education and training for citizens in its eleven-county service area and the State of Georgia. As a member of this system, the College will be a part of a seamless educational continuum which students can efficiently transition from secondary education to technical college and beyond.
