

Peer Tutor Recommendation Academic Success Center (ASC)

I would like to recommend a student:

Student's Banner ID Number: _____ Subject(s) to Tutor _____

Instructor's Name _____

Purpose

The Academic Success Center employs a number of peer tutors to work with the faculty tutors to promote and encourage student success and lifelong learning and study skills.

Qualifications

The Peer Tutor nominee should

- demonstrate above average scholarship
- possess a firm understanding of the subject(s) to be tutored
- demonstrated high standards of character
- have above average communication and human relation skills
- exhibit enthusiasm for learning and personal growth

Benefits to the Student Worker

In addition to valuable work experience, the peer tutors will

- receive training in tutoring techniques
- expand their own skills and knowledge as they help their fellow students
- work toward certification by a national tutoring association
- obtain mentoring from faculty tutors
- develop teamwork skills interacting with faculty, other tutors and students
