

# DUAL ENROLLMENT

@ CENTRAL GEORGIA TECHNICAL COLLEGE

## Malpractice Insurance

### What is the malpractice insurance fee?

While the Dual Enrollment program covers all tuition, mandatory fees, and textbook costs, the malpractice insurance fee is a course related fee for programs that include a clinical or live work component. Students enrolled in these programs will be working directly with patients or clients and, like in any real-world setting, accidents can happen. Malpractice insurance is in place to protect Central Georgia Technical College, our instructors, and our students in the event that an accident occurs.

### What programs require the fee?

The malpractice insurance fee is required for the barbering, cosmetology, and nurse aide programs.

### How much is the fee?

The malpractice insurance fee is \$11.

### How can I pay the fee?

Please note that our instructors cannot accept payments for fees. You can pay the fee with cash, check, money order, credit card, and/or debit card (Visa and MasterCard):

- In person at the cashier window on the Warner Robins, Macon, or Milledgeville campus
- Online, using BannerWeb, with a credit card, debit card, or check
- By phone with a credit card by calling (478) 757-3412 (select option 4)
- By mail with a check or money order to:  
Central Georgia Technical College  
ATTN: Business Office  
80 Cohen Walker Dr.  
Warner Robins, GA 31088

### Who can I contact if I have questions about this fee?

Please contact your instructor or CGTC's Business Office at (478) 757-3412 or (478) 218-3387 if you have any questions regarding the malpractice insurance fee.
