# Changes to Dual Enrollment

- New regs went into effect summer semester 2020:
  - **30 hour funding cap-No exceptions!**
  - Once students reach cap, **self pay** or **HOPE Grant** bridge for specific technical programs only
    - HOPE bridge not available for academic courses; self pay ok)
  - **Class re-takes not funded by dual enrollment** (D/F or W) self pay allowed
  - **Strict penalties for withdrawing from DE classes**; after 2<sup>nd</sup> withdrawal, no longer eligible for DE funding
- **9<sup>th</sup> graders-** no longer eligible for DE funding (can self pay)
- **10<sup>th</sup> graders-** eligible for funding for technical courses only
  - Exception is exceptional student status = SAT-1200/ ACT- 26; scores sent to GSFC
  - Can self pay for any course
- **11<sup>th</sup> & 12<sup>th</sup> graders-** eligible funding for academics and/or technical courses
- **New app on Gafutures.org** complete once per year; parent approval required

# Directions to DE funding application

- You must complete the new funding application for 2022-23 in your GAfutures account, including parent approval. This must be done BEFORE class registration, and is only completed by the student/parent once per year.
  - If you and your parent fail to complete the funding app, **you will be billed for the balance** on your student account.
- Flyer with instructions on DE webpage: **Centralgatech.edu/highschool > Financial Aid for High School Students**
- \*DE students that turn 18 y/o while enrolled must register for Selective Service at **sss.gov**

# COVID

- **Fall 2022 Operational Plan**

- **While on campus:**

- CGTC will follow health and safety practices for on-campus activities and instruction that include routine cleaning and disinfecting of classrooms, labs and common areas, social distancing and personal hygiene practices, self-screening, and the use of personal protective equipment (PPE) as recommended by the Georgia Department of Public Health (GDPH) and the Centers for Disease Control (CDC)
- Students should self-identify in Student Portal
- **For COVID-19 Updates:**

**[www.centralgatech.edu/covid-19](http://www.centralgatech.edu/covid-19)**

- If classes taught on high school or Career Academy campus, follow school district's safety plan

# Student Success

**IMPORTANT**

- **Get to know your CGTC student ID# (910..) Memorize it!**
  - You will use this number for all services at the college.
  - Picture ID- be sure to have your college schedule for college ID.
- **Attendance- GO TO CLASS!!** That also means attending online!
- **Submit your work on time!!** Follow instructions! Be aware of all due dates!
- **Keep your student ID with you at all times when on campus**
  - Cohort groups will receive these at their high school or Career Academy later in the semester
  - Students attending campus or online can go to the WR, Macon or Milledgeville campus for picture ID
  - You will use it to access all college resources (Library, athletic events, etc.)
- **Display your CGTC Parking decal in your rear view mirror**
  - Make sure you park in designated student parking; be sure to provide your car tag number

# Being a college student..

## IMPORTANT

- **Keep your student file updated**
  - Notify your High School Coordinator of changes in your contact information (address, phone number, emergency contact, etc.)
- **Check your CGTC student email often!!** This is the primary communication method of the college. Learn about resources available to you, student and campus activities, and much more.
- **Familiarize yourself with your High School Coordinator and contact them with questions/concerns and ALL schedule changes**
  - ALL registration for high school students **MUST** go through your High School Coordinator. You may **NOT** register yourself for classes or drop/add without speaking to your High School Coordinator.
  - Make an appointment!
  - Email is the best form of communication
  - Parent contact

# Electronic Resources

- DegreeWorks**: A tile with the "DEGREEWORKS" logo.
- CGTC Student Success Portal**: A tile with the "Quad C" logo and the text "CGTC Student Success Portal".

# Academic Success

1. **Attend every class.** When you miss classes, you miss notes, assignments and lectures. If you violate the attendance policy for a class, you could fail the class. Avoid absences whenever possible, and know the attendance policy for the class!
2. **Be organized.** Use a student planner to keep track of assignments and due dates. Keep a separate notebook for each class.
3. **Manage your time well.** Schedule study sessions and time to complete homework.
4. **Be committed to your class.** Do every assignment on time. Participate in class and communicate with your instructor.
5. **Take good notes.** Take notes that are easy to read so that you can refer back to them. If you miss a class, ask for a copy of the lecture notes.
6. **Know how to read a textbook.** SCAN words in bold and italic print, summaries, and charts. READ with a purpose. REVIEW by scanning the material again to check your comprehension.
7. **Study smart.** Find a quiet place to study that is free of distractions. Start studying as soon as possible while the information is still fresh.
8. **Know how to take tests.** Have all of the materials that you need. Answer the questions that you know first. Come back to the questions that you're not sure about.
9. **Reduce test anxiety.** Study early and often so that you're always prepared for a test. Take a deep breath, then read each question carefully, one at a time.
10. **Use CGTC's resources** such as the **Academic Success Center**, the library, your instructors, and your advisor (High School Coordinator).

# Faculty Perspectives

# Library & Learning Resources

- Library available to all faculty, staff and students
  - Access via [cgtc.io/Library](https://cgtc.io/Library)
- Online catalog
- Live chat!
- GALILEO
- Academic Success Center- Tutoring
  - In person or online- QuadC (available through your single sign on page)

# Library & Learning Resources

# Grades

## CGTC Grading System

- A (90-100) Excellent 4.00
- B (80-89) Good 3.00
- C (70-79) Satisfactory 2.00
- D (60-69) Poor 1.00
- F (Below 60) Failing 0.00
- I/Incomplete or W/Withdraw \*Withdraw still counts as an attempted course
- **High School students must contact their High School Coordinator to withdraw from a college class.**
  - Dual enrollment students cannot withdraw from a class without HS counselor consent!
- **\*\*\*\*Dual enrollment students are only allowed 2 withdrawn courses, then no longer eligible for DE funding!**

# Satisfactory Academic Progress (SAP)

- **Two requirements to meet SAP:**
  - **2.0 GPA**
  - **67% pass rate**
- If a student drops a class, the next term will be a warning term to improve. The following term, the student may be ineligible for Dual Enrollment funding.
  - Example - student takes 1 class fall semester and fails OR withdraws. They will have a 0.0 GPA and 0% pass rate & on Warning. Student re-enrolls the next semester in one course and makes an A. He/she will have a 4.0 GPA, but a 50% pass rate (two courses taken, but only passed 1); student on suspension & not eligible for aid.
  - Example - student takes 2 classes and withdraws from 1 class fall semester. Student is on academic warning for spring term. If the student enrolls in 2 classes and withdraws from 1 class in the spring, the student will not be eligible for aid for the next enrollment term.

# Campus Police

- **Become familiar with your buildings and surroundings**
  - Know where the stairways and exits are in case you have to crawl out in a fire or run out quickly in other emergencies.
  - Don't leave personal information facing up in your vehicle.
- **Become familiar with our Emergency Procedures**
  - There are Emergency Preparedness Guides posted online & on bulletin boards, hallways and classrooms throughout the college.
  - Take a few minutes to read these so you will know what actions to take during a bomb threat, fire, tornado warning or active shooter.
  - Become familiar with assembly areas and know what the safe evacuation distances are for fires & bomb threats.
  - Have a conversation with your instructors and each other on responding to active shooters. Discuss rapid escape, hiding (shelter in place and lockdowns) and techniques you'd use to fight if it becomes necessary.
- **Update your information in Banner**
  - CGTC communicates by email however, we also pull information from Banner to send emergency alerts and broadcasts.
  - If there is an emergency which affects your campus, center and/or community we may send an Emergency Alert to you by text, email and by telephone.
  - These alerts may keep you from arriving into an active scene and/or give you timely notification and recommended action in emergencies.
- **Read our Annual Security Report (ASR) Online**
  - Our ASR contains crime statistics, policies, procedures, a lot of information, and many resources which are available to you.
- **Call CGTC Police**
  - Please call us if you feel threatened or notice something suspicious. Report all crimes to CGTC Police. Our numbers are listed on the Emergency Preparedness Guide. You can also call 9-1-1 for emergencies.
  - Central Georgia Technical College Police are highly trained and capable of providing law enforcement and security services. Although we have security officers here to assist you, our police are "real" police with arrest powers.
