RACE FOR EDUCATION 2016

The CGTC Foundation successfully hosted its 7th Annual Race for Education 5K and 1-Mile Fun Run in September of 2016. The Race is a fundraiser supporting Adult Education programs at CGTC, including health and family literacy programs, ESL programs, and GED® scholarships. It is held annually in September in celebration of National Literacy Month. The Foundation raised more than \$14,000 for the Adult Education Division.

MAKING MOVES

In 2016, programs from the Corder Road site of the Adult Education Division moved to a new home location at the Warner Robins campus. The move was made to give students more access to academic services and resources provided there. The Division is committed to the same high level of quality of education at all of its centers and sites.

ADULT EDUCATION DAY 2017

Through a collaborative effort between the Adult Education Division and Campus Life, CGTC held its first ever Adult Education day in Spring 2017. The purpose of Adult Education Day is to expose students to the programs, services, and career opportunities available to them at the College. Approximately 200 students from the Baldwin, Bibb, and Houston County service delivery areas were in attendance.
