# Commencement Ceremony

2024

ATRIUM HEALTH AMPHITHEATER  
FRIDAY, MAY 3, 2024  
7:00 P.M.

CENTRAL GEORGIA TECHNICAL COLLEGE

## **COMMENCEMENT CEREMONY DECORUM**

The faculty and staff at Central Georgia Technical College congratulate you on your academic achievement, and wish to ensure that the commencement ceremony will be a fitting conclusion to this phase of your education! The Central Georgia Technical College commencement ceremony is, by its very nature, a festive occasion. The festivity manifests itself in many ways including the dress of the students, the faculty adorned in academic regalia, and the warmth, joy, and satisfaction of accomplishment.

The ceremony is also marked by a seriousness that signifies long, hard work on the part of everyone involved: students, faculty, administrators, parents, and spouses. As a consequence of the solemn nature of the ceremony, students and guests are requested to exercise a measure of decorum consistent with the occasion. Audience participation should be respectful of the celebration honoring both the commitment to learning and the fulfillment of dreams shared by all candidates crossing the stage tonight. This element of respectful celebration also extends to the parents, guardians, and spouses whose dedicated support brings pride to the fulfillment of these educational dreams, and to the family members aspiring to one day have their moment of walking across the stage.

The CGTC Community thanks you for your attendance and for celebrating your loved one's important achievement.

## SPECIAL RECOGNITION

### **DAVID WATTS, III**

#### *2024 CGTC Georgia Occupational Award of Leadership Winner*

David Watts, an Aviation Maintenance Technology student from Bibb County, is the College's winner of the Georgia Occupational Award of Leadership (GOAL) for 2024. David was selected for this honor through a competitive interview process and will serve as CGTC's student of the year and an ambassador for technical education for 2024.

Watts is passionate about Aviation and technical education.

"I feel like through technical college, I will be joining the workforce with a much stronger foundation in what I will be doing on my career," said Watts. "I've always been an advocate for technical college education and I love seeing the people around me succeed as well. I have always advocated for technical college because I believe it is the best pathway to success."

### **SHAROKO FARLEY**

#### *2024 Georgia Rick Perkins Award Winner*

Sharoko Farley, a Commercial Truck Driving instructor, was named Central Georgia Technical College's (CGTC) Rick Perkins Award (RPA) Winner for Excellence in Technical Instruction for 2024. Farley was selected as the College's Instructor of the Year through a multi-step interview process after being nominated by his peers for the award.

On May 1, 2024, Farley was also announced as the Technical College System of Georgia's 2024 Rick Perkins Award winner and will now serve as an ambassador for Technical Education statewide. The state award included a monetary gift and paid registration for the Master Teacher Experience. Additionally, Farley will represent the entire system of Technical Colleges as he advocates for technical education at the next Georgia legislative session.

Farley is a native of Eatonton, and after two decades of dedicated service in the trucking industry, he was presented with an unexpected opportunity to teach. He chose to enter the classroom to share his breadth of experience and hopefully instill greater safety standards in new commercial drivers.

"I believe in molding professionals with the right attitude while drawing on my life experiences to guide students through the importance of mindset and ethics."

Outside of work, Farley enjoys spending time with family.

### **SHAYLA COCHRAN**

#### *2024 Exceptional Adult Georgian in Literacy Education (EAGLE) Delegate*

Shayla Cochran is the 2024 Dinah Culbreth Wayne Exceptional Adult Georgian in Literacy Education (EAGLE) delegate for CGTC.

Nominated by her instructor, Lisa Dennis, Cochran represented CGTC and the Adult Education Division at the EAGLE Leadership Institute in March in Atlanta. The Leadership Institute recognizes and honors the state's adult education students who have demonstrated superior achievement in their classes and programs.

"If it was not for the Adult Education program, the pre-GED test vouchers, the scholarship received, and the endless amount of encouragement from the staff which helped plant the seed of success, I would not be here," Cochran said of her path through the adult education program.

# THE MEANING OF ACADEMIC DRESS

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar was that of a cleric, whether the scholar was a student or teacher. Long gowns were worn and may have been necessary for warmth in unheated buildings. Hoods seem to have served to cover the tonsured head until superseded for that purpose by the skull cap.

A statute of the University of Coimbra in 1321 required that all “Doctors, Licentiates, and Bachelors” wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. In the days of Henry VIII of England, Oxford and Cambridge first began prescribing a definite academic dress and made it a matter of university control. The assignment of colors to signify certain faculties was to be a much later development, and one which was to be standardized only in the United States in the late 19th century.

In America, an Intercollegiate Commission made up of representatives of leading institutions was formed to establish a standardized system of academic apparel. The Commission met at Columbia University in 1895 and adopted a code of academic dress that regulated the cut and style and materials of the gowns and prescribed the colors which were to represent the different fields of learning. In 1932, a committee appointed by the American Council on Education approved a code for academic costumes that has been in effect since that year. The American Council on Education revised and updated the code in 1959 and 1986.

*Excerpted from the Academic Costume Code and Ceremony Guide, American Council on Education*

## Cap

Mortarboards are generally recommended to match the gown. A long tassel is to be fastened to the middle point of the top of the cap only and allowed to lie as it will. The tassel should be the same color as the cap, or the color appropriate to the subject. All graduates should wear the tassel on the right side of their caps.

## Gown

The color of the gown varies by credential as follows:

Maroon:	Degree Graduate
Navy:	Diploma Graduate
Gray:	High School Equivalency Graduate
Red:	CGTC Academy High School Diploma Graduate

## Cords and Stoles

Honor graduates wear a gold cord. To receive this honor, graduates must have a graduation GPA of 3.5 or higher.

Members of the National Technical Honor Society wear a white tassel on their caps and a white stole. To receive this honor, students must be nominated by an instructor, be a full-time student at CGTC for at least two complete semesters, and have a minimum cumulative grade point average of 3.5.

Members of Student Government Association wear red & blue cords.

Student-Athletes wear a white stole.

Members of the Military and Veterans wear a red, white, and blue cord.

High School Dual Enrollment students wear a teal cord.

## Adult Education Cords and Stoles

Maroon: National Adult Education Honor Society  
Orange: Completed Stepping Stones Program funded through Mercer University Education Opportunity Center  
Navy Blue: Accelerating Opportunity Participant/  
Earned GED® Credential and a TCC  
Gold: Top 25 GED® Credential Scores

*The mission of the Central Georgia Technical College Foundation is to provide financial support for the advancement of Central Georgia Technical College. To accomplish this mission, the Foundation solicits donations and grants to provide student scholarships, innovative facilities and equipment, faculty and staff development, and other needs beyond the scope of the Institution's budget.*

*The Central Georgia Technical College Foundation is guided by a board of volunteer trustees composed of business and community leaders from Baldwin, Bibb, Crawford, Dooly, Houston, Jones, Monroe, Peach, Pulaski, Putnam, and Twiggs counties. The Board of Trustees assists in establishing the College's strategic plan for resource development, provides leadership for the advancement function, ensures the Foundation Board is composed of dedicated men and women capable of fulfilling their trustee responsibilities, and ascertains the effectiveness of the advancement activities on an annual basis.*

## JOIN THE *TITAN* FAMILY

### THE TECHNICAL COLLEGE SYSTEM OF GEORGIA LEADER IN GRADUATES

Central Georgia Technical College (CGTC), a unit of the Technical College System of Georgia, operates three campuses and five centers throughout an 11-county service area in middle Georgia. As one of the largest two-year colleges in Georgia, CGTC provides adult education, economic development, and academic programs and services to more than 30,000 individuals annually. Accredited by the Southern Association of Colleges and Schools Commission on Colleges, CGTC is focused on meeting the needs of the communities it serves by offering quality technical education to assure a well-qualified workforce and ultimately, promote economic development in the area.

### MEANINGFUL TEACHING

Lead the next generation of Central Georgia's innovative workforce as a dedicated full-time or adjunct faculty member in one of our academic divisions:

- Aerospace, Trade & Industry**
- Business & Computer Technologies**
- Health Sciences**
- Public Safety & Professional Services**
- General Studies**
- Adult Education**

### TIMELESS OPPORTUNITIES

Leverage YOUR private industry skills to engage OUR community to advance the mission of the College to achieve rewarding operational goals as a full or part time member of one of these key areas:

- Administrative Services**
- Financial Aid & Enrollment Services**
- Facilities and Maintenance**
- Information Technology**
- Institutional Effectiveness**
- Economic Development**
- Athletics and Student Services**
- Child Development Centers**
- & MORE!**

**SEE YOURSELF HERE!**

### APPLICATION PROCEDURE:

All applications and supporting documents must be submitted online by the posted deadline via the Central Georgia Technical College Job Center.

A completed application packet consists of the following:

-  A completed CGTC online application.
-  Postsecondary transcripts that demonstrate the applicant meets the educational minimum requirements and, if applicable, the preferred educational requirements.
-  Positions requiring a High School Diploma or GED as a minimum qualification do not have to submit transcript documentation as part of the application process.
-  Non-photo license(s) and/or certification(s) which fulfill the requirements of the position.
-  Instructional positions require copy of resume.

### WORK & LIVE AS A *TITAN*

CGTC offers State of Georgia benefits to all eligible employees. Benefits for eligible employees include retirement, paid holidays, leave accrual, health and other insurance options, employee assistance program and discount programs. Employees may also be eligible for a waiver of tuition charges for CGTC credit coursework.

These benefits and residing in close proximity to entertainment, beaches, mountains, urban, rural, and lake lifestyles, and affordable living are a nice combination.

Anchored by Macon, Warner Robins, & Milledgeville metro areas, the population growth and surging economy of industries like healthcare, aviation, logistics, and manufacturing are making OUR community flourish.

Central Georgia has several cultural attractions that include the Ocmulgee National Monument, Georgia National Fairgrounds, Museum of Aviation at Robins Air Force Base, and the Oconee Greenway. Macon is home to over 10 museums, 5 tours and 7 annual festivals, including the Tubman African American Museum, the Georgia Sports Hall of Fame, and the Museum of Arts & Sciences. Local city foodtruck, music and international festivals have drawn communities together.

TWO NEW HIGH SCHOOL OPTIONS!

## WHAT IS THE CGTC ACADEMY?

The CGTC Academy provides an opportunity for individuals to earn a high school and college credential in an effort to prepare them for in-demand careers within our eleven-county service area and throughout the state of Georgia.

## THE TWO PATHWAYS

STUDENTS AGE 16 - 21

### DUAL ACHIEVEMENT PROGRAM

The Dual Achievement Program (established by SB204) offers qualified students a **recognized and alternate path to high school graduation**. Students choose to simultaneously earn a **high school diploma and two (2) technical certificates of credit, a technical diploma, or a college associate degree** in a specific career pathway in order to meet high school graduation requirements.

For more information about DAP:  
[DAP@centralgatech.edu](mailto:DAP@centralgatech.edu)

STUDENTS AGE 18+

### CAREER PLUS

Career Plus offers the flexibility to earn a **high school diploma** without the stress of a high-stakes test. Georgians age 18 and older without a high school diploma can acquire a basic education and high-demand workforce skills at the same time. Complete coursework to become certified in your chosen career path. Embrace the journey. Enjoy the rewards.

# FROM SERVICE TO CIVILIAN.

The **Georgia Veterans Education Career Transition Resource (VECTR) Center** is the centralized primary access agency for military, veterans and their family members transitioning from military service to the civilian workforce.

The VECTR Center serves as a gateway into Georgia's public institutions of higher education and works with employers across the state while providing career counseling, educational coaching, resume assistance and workforce training. Additionally, the Center is a one-stop-shop of other resources through collaborations with federal, state and community partners.
