Prepare for Allied Health Programs Entrance Tests
Open one of the resources below to start preparing for a variety of allied health career entrance tests.

7. Select the practice test you want to take: Biology, Chemistry, General Science, Math Ability, Reading Comprehension, or Verbal Ability. All will be on the PSB.

8. You will be asked to create a user account. Type in the required information. You may use your personal email and password, or your college ones. You do not have to put your Student ID# or Course Section#. Now click on “Create Account”

9. After you are logged in, you will have the option to “Launch” your Practice Test

   Read the instructions on the page, then click “Start Test”

10. The next time you visit Learning Express to take a practice test you will login with the Email and Password you created for yourself.

Each test has 50 questions, except Reading has 45. There is no time limit to finish each test, but a timer is provided so you can answer questions under test-like conditions. You may stop the test any time and resume later. Practice tests may be taken as many times as you like.

After finishing a practice test, click on the “View Results” button in your My Center to review the questions and answers.
