Section 2: Citing Your Sources

This section will determine your ability to use the MLA citation format for documentation. Find the **MLA Citation Style Guide** in the Library or access it from the Library Handbook and Guides link on the Library's Web site.

Use the Library Catalog to find three books of your choice. Use the Library's Periodical Collection to find two magazine articles of your choice. If you are a remote online student, use the EBSCOhost or ProQuest links under Library Resources on the Library's Web site.

Using the information provided in the MLA Citation Style Guide, fill out the proper documentation format for EACH of the five items you have chosen.

1.

2.

3.

4.

5.
