CGTC STUDENT CLUBS AND ORGANIZATIONS

Cyber Security Club (CSC)

The Cyber Security Club is a student-run club with the goal of providing outside-of-class activities relevant to the ever-growing world of Cyber Security. The club also provides personal and professional networking opportunities for those who have an interest for Cyber Security. We bring in people in the field in order to teach and explain various topics in cyber security and career topics. Students leave with valuable experience proven to be useful during interviews and jobs. This club is not just for CIST students but membership is opened to ALL currently enrolled CGTC Students. Cyber Security is EVERYONE's business!

Digital Titans Gaming Club (DTGC)

Our goal is to expand the students' creative, anime mind and build social skills among CGTC students. Esports is an ideal opportunity for students who are not necessarily interested in traditional athletics, but want to be part of a team. Esports bridges STEM education that involves data statistical analysis, media design, game coding with strategic learning in using computer programs. There will be opportunities to participate in college level competitive gaming sports while evolving a digital community of CGTC student gamers. The Digital Titans Gaming Club will allow students time to enjoy gaming while developing collaboration, responsiveness, and Esportsmanship which supports team building skills. Open to all currently enrolled CGTC students, including the dual enrollment student population. "Level up your creativity and become a Digital Titan!"
