Procedure:

Central Georgia Technical College shall ensure that all documents submitted to the Commission are candid and provide all relevant information. CGTC will provide its regional accreditor, The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) access to college operations providing complete, accurate and timely information about the college's affairs including reports of other accrediting, licensing, and auditing agencies.

See Procedure 2.3.5a Central Georgia Substantive Change Reporting which indicates the College's compliance with all matters of integrity in its reporting of substantive changes including decisions of other programmatic accrediting agencies.
