

**Program Outcomes for Cardiovascular Technology
Invasive Cardiovascular Technology Concentration**
Results updated December 2020

The Cardiovascular Technology degree program at Central Georgia Technical College received initial CAAHEP accreditation on March 31, 2015.

Per CAAHEP Standard V.A.4, the program will publish a 3-year review window average results of the outcomes for retention, positive placement, and national credentialing exam pass rate of the accredited program concentration.

Retention by Graduation Year	2020
-------------------------------------	-------------

2017 - 2019 Retention Average			
24	7	70%	70.83%
