

**Program Outcomes for Cardiovascular Technology
Invasive Cardiovascular Technology Concentration**

Results updated December 2022

The Cardiovascular Technology degree program at Central Georgia Technical College received initial CAAHEP accreditation on March 31, 2015 and reaccreditation on March 19, 2021. The next comprehensive evaluation of the program including a site review, is scheduled to occur no later than 2024.

Per CAAHEP Standard V.A.4, the program will publish a 3-year review window average results of the outcomes for retention, positive placement, and national credentialing exam pass rate of the accredited program concentration.
