

Echocardiography Program
Central Georgia Technical College

The Echocardiography degree program at Central Georgia Technical College received initial CAAHEP accreditation on March 31, 2015.

The program will publish a 3 year review window average results of the outcomes for national credentialing exam pass rate, retention, and positive placement of the accredited program.

2019 Results:

Retention: 10 students were selected based on competitive admissions in the Non-Invasive Echocardiography program. As of Fall Semester, 2019 (202012) (9 of 10) 90% of students were retained.

Credentialing exam pass rate: 78% (7 of 9) students of the 2018 enrollment class attempted the Cardiac Credentialing International's Registered Cardiac Sonographer examination. 71% (5 of 7) successfully passed the Cardiac Credentialing International's Registered Cardiac Sonographer examination on first attempt. 28% (2 of 7) did not pass the Cardiac Credentialing International's Registered Cardiac Sonographer examination on first attempt.

Positive Placement: 89% (8 of 9) students of the 2018 enrollment class, successfully attained employment.

2018 Results:

Retention: 10 students were selected based on competitive admissions in the Non-Invasive Echocardiography program. As of Fall Semester, 2018 (201912) (9 of 10) 90% of students were retained.

Credentialing exam pass rate: 70% (7 of 10) students of the 2017 enrollment class attempted the Cardiac Credentialing International's Registered Cardiac Sonographer examination. 86% (6 of 7) successfully passed the Cardiac Credentialing International's Registered Cardiac Sonographer examination on first attempt. 100% (1 of 1) passed the Cardiac Credentialing International's Registered Cardiac Sonographer examination on second attempt.

Positive Placement: 70% (7 of 10) students of the 2017 enrollment class, successfully attained employment.

2017 Results:

Retention: 10 students were selected based on competitive admissions in the Non-Invasive Echocardiography program. Three students were readmitted from previous year, for a total class size of 13 students. As of Fall Semester, 2017 (201812) (11 of 13) 85% of students were retained.

Credentialing exam pass rate: 75% (3 out of 4) students of the 2016 enrollment class attempted the Cardiac Credentialing International's Registered Cardiac Sonographer examination. 75% (3 out of 4) students of the 2016 enrollment class successfully passed the Cardiac Credentialing International's Registered Cardiac Sonographer examination.

Positive Placement: 75% (3 out of 4) students of the 2016 enrollment class, successfully attained employment.
