

Equitable Access: Affordable, Accessible Learning

BibliU's Equitable Access (EA) program is a game-changer for faculty & students, ensuring immediate access to digital course materials from day one. By making textbooks and resources more affordable and accessible, this partnership promotes greater equity in learning, empowering students to succeed without financial barriers.

For Faculty:

- ✓ **Academic Freedom:** Choose from millions of titles, including courseware and Open Educational Resources (OER), to select the best materials for students.
- ✓ **Easy Adoptions:** BibliU's Automated Adoptions Tool simplifies material selection, saving time and resources.
- ✓ **Instant Access for Students:** All required materials are available from day one, via the LMS, boosting student engagement.
- ✓ **Track Engagement:** Content analytics help monitor student progress and identify at-risk students.

For Students:

- ✓ **Textbook Savings:** Save up to 50% on textbook costs—required content is included in the cost of tuition.
- ✓ **Access Anytime, Anywhere:** Access course materials on any device, on or offline.
- ✓ **Study Tools:** Features like text-to-speech and automated referencing to enhance learning.
- ✓ **Dedicated Support:** Fast and reliable customer service for smooth access.
