

Dual Enrollment Option B

Healthcare

High School Graduation Option B offers qualified students an alternate path to high school graduation. Students choose to simultaneously earn a high school diploma and a college Associate Degree, or a Technical Diploma, or two (2) Technical Certificates of Credit in a specific career pathway. The dual enrollment funding program cap of 30 credit hours applies.

Complete all required high school courses:

- 2 English: American Literature & Another
- 2 Math: Algebra 1 or Coordinate Algebra & Another
- 2 Science: Biology & Another
- 2 Social Studies: *beginning with freshman class
- 2022-23, students will be required to take Personal Finance, Economics & American Government
- 1 Health/PE
- All required Milestone/EOC Exams

Complete any of the following Technical

- College Credentials:**
- Any one Associate Degree
 - Any one Diploma Program
 - Two TCCs from approved list

Additional Requirements:

Students enrolled in the Nurse Aide Technical Certificate of Credit may be required to successfully pass both criminal background checks and drug screening procedures to participate in required clinical experiences with patients in licensed facilities. Clinical sites will require proof of flu and CV-19 vaccination status to participate in required clinical experiences. Uniforms/scrubs will be required at required clinical experience facilities. Specific details will be provided during class orientation to NAST 1100. All costs for these items are the responsibility of the student and NOT covered by dual enrollment funding. Malpractice insurance is also required for Nurse Aide; the cost is \$11.50 payable to the college and is not covered by dual enrollment funding.

| ALHS 1090 | None | Medical Terminology for AHS | 1 | Fall, Spring, Sum | 2 |
| ALHS 1060 | None | Medical Terminology for AHS | 2 | Fall, Spring, Sum | 2 |
| NAST 1100 | None | Nurse Aide Fundamentals | 2 | Fall, Spring, Sum | 6 |
| Total Hours: | | | | | 13 |

+

Geriatric Care Assistant (GC51)

The Geriatric Care Assistant Technical Certificate provides the basic knowledge and skills needed to qualify employment as a nurse aide in nursing homes, elder personal care homes, and home healthcare agencies. The certificate emphasizes geriatric patient care, CPR, and first aid. Students successfully completing the certificate meet the academic requirements to take the exam that will allow them to be placed on the State Registry for nurse aides.

| Course # | Pre/Co. Req. | Course Requirements (In suggested sequence) | Seq. | Term Offered* | Credit Hours |
|---------------------|--------------|---|------|-------------------|--------------|
