

CENTRAL GEORGIA TECHNICAL COLLEGE and FORT VALLEY STATE UNIVERSITY TRANSFER ARTICULATION AGREEMENT

Introduction

This agreement formally recognizes that Central Georgia Technical College (CGTC) and Fort Valley State University (FVSU) are active educational partners in providing educational opportunities for currently enrolled and future students of both institutions.

Agreement in Principle

Agreement to this partnership requires a commitment by both institutions to facilitate the transfer of courses from Central Georgia Technical College, a SACSCOC accredited institution, to Fort Valley State University, a SACSCOC accredited institution, for students who want to pursue their Bachelor degree at FVSU without jeopardizing the intended mission and stated goals of either institution.

Agreement on Communication

CGTC and FVSU agree to cooperate in communicating with each other and with the public release of information regarding the articulation relationship between the two institutions. The institutions will encourage the dissemination of information about programs in this agreement with interested and qualified students, with both institutions providing advising and counseling to prospective students.

Agreement on Articulated Courses

Any CGTC student who completes the AS in General Studies, is in good standing at CGTC, and meets the appropriate admissions requirements to attend FVSU will be ensured that the courses earned at CGTC and listed in this agreement will transfer to FVSU. A minimum grade of C or above will be required for any course designated for transfer of course credit. Articulated courses related to the baccalaureate program major (Areas F and G) may be added upon formal request and written agreement by both parties.

Agreement on Maintenance and Review

At least one administrative or faculty member will be appointed from each participating college/university to act as a primary point of contact and agent for this agreement, to speak for the institution, and to communicate details and modifications to respective faculty, advisors, and others with interest at the individual institutions.

Terms of this agreement will be effective the date of signing and remain in effect until such time as program changes at either institution require that it be re-articulated. Both parties agree to review this document annually. The agreement may be terminated at the option of either institution following written notification of no less than six (6) months, with the effective date to be the last day of the following semester.

Signatures

This agreement is in effect and valid starting with the date of the signatures of both Presidents and will remain in effect until terminated in writing by either institution.
