TRANSFER ARTICULATION AGREEMENT

Introduction

This agreement formally recognizes that Central Georgia Technical College (CGTC) and Middle Georgia State University (MGA) are active educational partners in providing educational opportunities for currently enrolled and potential students of both institutions.

Agreement in Principle

Agreement to this partnership requires a commitment by both institutions to facilitate the transfer of courses from Central Georgia Technical College, a SACSCOC accredited institution, to Middle Georgia State University, a SACSCOC accredited institution, for students who want to pursue their bachelor's degree at MGA without jeopardizing the intended mission and stated goals of either institution.

Agreement on Communication

CGTC and MGA agree to cooperate in communicating with each other the articulation relationship between the two institutions. Communications may include common publications and announcements concerning their affiliation. Announcements of this articulation or of changes in the relationship will have a coordinated release to the public from both institutions. The institutions will encourage the dissemination of information about programs in this agreement with interested and qualified students, with both institutions providing advising and counseling to prospective students.

Agreement on Admission

Any CGTC student who graduates from Central Georgia Technical College with an Associate degree in Criminal Justice Technology is guaranteed admission into Middle Georgia State University provided that the student meets the appropriate admissions requirements to attend MGA. The guarantee of admission to MGA does not guarantee acceptance into specific majors that are competitively based and/or have admissions requirements beyond the minimum for the institution.

Agreement on Acceptance of Transfer Credit

A minimum grade of *C* or above will be required for any course designated for transfer of course credit.
