CENTRAL GEORGIA TECHNICAL COLLEGE and MIDDLE GEORGIA STATE UNIVERSITY
TRANSFER ARTICULATION AGREEMENT

Introduction

This agreement formally recognizes that Central Georgia Technical College (CGTC) and Middle Georgia State University (MGA) are active educational partners in providing educational opportunities for currently enrolled and potential students of both institutions.

Agreement in Principle

Agreement to this partnership requires a commitment by both institutions to facilitate the transfer of courses from Central Georgia Technical College, a SACSCOC accredited institution, to Middle Georgia University, a SACSCOC accredited institution, for students who want to pursue their Bachelor degree at MGA without jeopardizing the intended mission and stated goals of either institution.

Agreement on Communication and Marketing

CGTC and MGA agree to cooperate in communicating with each other the articulation relationship between the two institutions. Communications may include common publications and announcements concerning their affiliation. Announcements of this articulation or of changes in the relationship will have a coordinated release to the public from both institutions. CGTC and MGA will promote this partnership through coordinated marketing that includes adding the agreement to each institution's respective transfer/articulation agreement web pages, as well as specific reference to the partnership in advertising the General Studies AS. The institutions will encourage the dissemination of information related to this agreement and will provide advising and counseling to prospective students consistent with the agreement.

Agreement on Articulated Courses

Any CGTC student who completes the AS in General Studies, is in good standing at CGTC, and meets the appropriate admissions requirements to attend MGA will be ensured that the courses earned at CGTC and listed in this agreement will transfer to MGA. A minimum grade of C or above will be required for any course designated for transfer of course credit. Articulated courses related to the baccalaureate program major (Area F) may be added upon formal request and written agreement by both parties.

Agreement on Maintenance and Review

At least one administrative or faculty member will be appointed from each participating college/university to act as a primary point of contact and agent for this agreement, to speak for the institution, and to communicate details and modifications to respective faculty, advisors, and others with interest at the individual institutions.

Terms of the Agreement

Terms of this agreement will be effective the date of signing and remain in effect until such time as program changes at either institution require that it be re-articulated. MGA reserves the right to refuse acceptance of credits earned prior to CGTC's accreditation by SACSCOC as a consolidated institution as of January 1, 2013. Both parties agree to review this document annually. The agreement may be terminated at the option of either institution following written notification of no less than six (6) months, with the effective date to be the last day of the following semester.

Signatures

This agreement is in effect and valid starting with the date of the signatures of both Presidents and will remain in effect until terminated in writing by either institution.
