WHEREAS, the parties desire to promote the most efficient and effective use of their resources and to offer students the broadest possible range of educational opportunities.

NOW, THEREFORE, the parties agree as follows:

1. Articulation Process, Features and Benefits

- 1.1 The UNIVERSITY will articulate college-level, degree applicable associate degree courses from INSTITUTION. For the purposes of this agreement college-level, degree applicable associate degree courses are indicative of transferrable, freshman level and above courses, and not indicative of remedial, developmental, professional or other non-transferrable course types.
- 1.2 Courses must have received a grade of C- or higher to transfer for General Education and Elective requirements and at least a grade of C or higher to transfer towards Required Course of Study requirements at the UNIVERSITY. - 1.4 Students admitted to the UNIVERSITY transferring from the INSTITUTION will have all college-level, degree applicable associate degree courses from the INSTITUTION accepted in transfer. Application of credits towards degree requirements will be subject to the degree program of choice by the student and additional credits may be needed to fulfill the degree program requirements. The UNIVERSITY degree program requirements may be viewed at www.phoenix.edu.

2. Services Provided to INSTITUTION by the UNIVERSITY

- 2.1 The UNIVERSITY shall create a Course Transfer Guide (CTG) in PDF format which will include course by course transfer categories for courses that are designated as fulfilling a general education category. The UNIVERSITY may publish the CTG on its external facing websites, including but not limited to Phoenix.edu.
- 2.2 UNIVERSITY will create and provide a sample Program Transfer Guide (PTG) exemplifying how an associates degree may transfer to a bachelor's degree offered at UNIVERSITY. The transfer guide can be made available to students, faculty and advisors as INSTITUTION deems fit. The UNIVERSITY will provide sample program transfer guides for additional associate degree programs upon request and when reasonable to do so in UNIVERSITY'S sole discretion.
- 2.3 A student transferring from INSTITUTION under the terms of this Agreement shall be governed by the graduation requirements set forth in the UNIVERSITY Student Catalog in effect at the time of the student's initial enrollment at the UNIVERSITY; provided, however, that the student maintains continuous enrollment as defined in the Student Catalog.
- 2.4 If INSTITUTION desires to engage in Reverse Transfer Services with the UNIVERSITY, subject to the Family Education Rights and Privacy Act, as amended ("FERPA") and applicable laws and regulations, the INSTITUTION will follow the UNIVERSITY'S process (as determined in its discretion) to obtain the necessary information from the UNIVERSITY or a third party service provider engaged on the UNIVERSITY'S behalf on students that may be eligible for an Associate degree award at the INSTITUTION as a result of their enrollment with the UNIVERSITY. The UNIVERSITY will only provide information on students who have opted into this process. The INSTITUTION will be solely responsible for all communications, notifications, and advisements to the students who are eligible for an Associate degree award and for creating any and all marketing and promotion literature to assist eligible students with the Associate degree award at the INSTITUTION; provided, however, that any use of the UNIVERSITY'S name, image or likeness shall require UNIVERSITY'S prior
