36 HOUR DRIVER'S EDUCATION

Central Georgia Technical College provides a 36-hour Driver's Education class that meets all requirements of Georgia's Joshua Law. The 36 hour course is designed for young drivers. All students must have a valid Georgia learners permit in order to register for a class.

<http://www.dds.georgia.gov/how-do-i-learners-permit>

Most insurance companies offer a rate reduction on insurance premiums.

COURSE BENEFITS

- Comply with the State Law | <http://www.ga.gov/index.aspx>
- Reduce insurance premiums
- Become a "safe driver"
- Learn to cope with stressful driving situations
- Improve awareness of potentially dangerous driving situations
