EXPERIENCED MECHANICS ONLY
CGTC offers refresher courses for FAA Airframe and Powerplant (A&P) License that include classroom training, all required written tests, and hands-on. The classroom training, required written tests, and hands-on are seven days in length. Oral and Practical Exams will be scheduled beginning the day following the completion of the courses and administered by our resident Designated Mechanic Examiner (DME).

CLASS SPACE IS LIMITED. SIGN UP EARLY!
Two (original) FAA Form 8610-2 authorizations for the written tests need to be obtained from the FAA prior to registration for the refresher course.

• Courses are Saturday - Friday (ONE WEEK). Remember, scheduling of your Oral and Practical will take additional days.
• CALCULATORS REQUIRED!
• Oral and Practical Exams: Scheduled and administered at CGTC following successful completion of all written exams.
