CERTIFIED ETHICAL HACKER BOOTCAMP

Schedule: 1-Week Course

8:30 AM - 4:30 PM

Location: GA VECTR Center, 1001 S. Armed Forces Blvd., Warner Robins, GA

Cost: \$2,950 includes Test Voucher

Space is limited. Registration deadline – 2 weeks before each class start date!

COURSE DESCRIPTION:

This Certified Ethical Hacker (CEH) course covers advanced step-by-step methodologies that hackers actually use, such as configuring viruses and reverse-engineering web-facing applications, so you can better protect infrastructure from data breaches. The course provides commonly used hacking tools and simulation labs provided to immerse the student in the hacker world and technologies on how to stop hackers. The course helps you master ethical hacking methodology that can be used in penetration testing to lawfully assess the security of a system. This bootcamp prepares you for and provides a test voucher for the CEH exam from the EC Council.
