

DRIVER'S EDUCATION

36-HOUR DRIVER'S EDUCATION\$350*

Central Georgia Technical College provides a 36-hour Driver's Education class that meets the requirements of Georgia's Joshua Law. This course is designed for young drivers. All students must have a valid Georgia learner's permit in order to register for a class. dds.ga.gov/instructional-permit-cp

COURSE BENEFITS

- Comply with state law
- Reduce Insurance Premiums
- Become a "Safe Driver"
- Learn to cope with stressful driving situations
- Improve awareness of potentially dangerous driving situations

*SCHOLARSHIP INFORMATION:

Beginning in January of 2017, the Georgia Driver's Education Commission will begin a new scholarship program. Students will be able to apply for a scholarship online. Scholarship information is available through the Georgia Driver's Education Commission's website: georgiadrivers.ga.gov
