FINANCIAL AID

2024

Students can use **Banner Self-Service** to see a list of missing items that are preventing the Financial Aid Office from issuing a financial aid offer, find out how much aid has been offered, view adjustments to offers, and accept federal aid offers. **Financial aid is not automatically applied to student accounts; students must complete the necessary steps to accept offers so that aid can be applied to accounts.** CGTC is required to follow federal regulations when determining a financial aid offer and reserves the right to adjust an offer at any time.

How to Apply for Financial Aid

- 1: Create an FSA ID online at www.studentaid.gov/fsaid.
- 2: Complete your *Free Application for Federal Student Aid (FAFSA)* at studentaid.gov (under **Apply for Aid**, click "Complete the FAFSA® Form") and **answer ALL questions accurately** (incorrect or missing information will delay the processing time of your financial aid). CGTC's school code is **005763**.
- 3: After you apply, you will receive a *Student Aid Report (SAR)* via email; review this and make sure that everything is correct. CGTC will also receive a copy and begin processing your financial aid (*it can take up to five business days for CGTC to receive the information*).
- 4: Check Banner Self-Service to see if you need to submit additional documentation in order for your offer to be processed. The Financial Aid Office cannot issue a financial aid offer until you have submitted all required documentation.
- 5: View your financial aid offer, accept terms and conditions, and accept your financial aid offer in Banner Self-Service.

Other Important Information

- Almost every question about financial aid can be answered by reading the information at www.centralgatech.edu/financialaid (click the options under Financial Aid on the right).
- Students will be notified about their financial aid offer approximately 2-3 weeks after successfully submitting the FAFSA.
- Visit www.centralgatech.edu/financialaid/important-dates to be aware of important financial aid dates.
- You have to submit a new FAFSA once every year. The FAFSA typically opens in October of each year.
- Not every program is eligible for all types of financial aid and financial aid will only pay for classes that are required for your program of study as indicated in the CGTC Catalog (www.centralgatech.edu/catalog).
- **You can lose your financial aid** by dropping/withdrawing from classes, failing classes, and/or having an unusual enrollment history at multiple colleges. Check with your advisor and the Financial Aid Office before dropping/withdrawing from a class.
- If you intend to apply for student housing with The Lofts at Houston Central, please complete your aid packet by: July 31st for Fall 2023 | November 30th for Spring 2024 | April 30th for Summer 2024

⁺ The posting of financial aid information in Banner Self-Service and issuing of refunds can be delayed due to your failure to submit required documentation and/or accept the Terms and Conditions in Banner Self-Service, technical issues (either for CGTC or the issuing agency), and non-availability of funds in the event of a federal or state government sequester or shutdown. Dates are also subject to change at any time at the discretion of CGTC's Office of Administrative Services.

[~] After CGTC sends your refund to BankMobile, it can take up to 24 hours for BankMobile to post the funds to your OneAccount or other bank account. You can change your refund preferences with BankMobile online at MyOneMoney.com.
