ARC-STSA – Accreditation Review Council on Education in Surgical Technology and Surgical Assisting

Preparing for upcoming site visit.

ASE – Automobile Service Excellence

No updates to report.

ASHP – American Society of Health System Pharmacists

No updates to report.

CAPTE – Commission on Accreditation in Physical Therapy Education

The CGTC Physical Therapist Assistant (PTA) program recently hosted a successful reaffirmation site visit by onsite reviewers from the Commission on Accreditation in Physical Therapy Education (CAPTE). The College and program were very pleased with the reviewers' comments and observations, which reflected positively on the quality and effectiveness of the PTA program, with most recent outcomes of 100% graduation rate, 96% national board exam pass rate (average over two years), and 100% employment rate.

The recent site visit marks an important milestone in the program's continued growth and success. In Spring 2026, the CAPTE Board of Commissioners will make a formal determination regarding the program's continued accreditation status. The college and program are optimistic and hopeful for a favorable outcome, including a clean visit report and a ten-year accreditation renewal.

CoAEMSP – Commission on Accreditation of Educational Programs for the EMS Professions

The Program Chair, Rick Ellis, will submit the Self Study Report on or before October 1.

General Information

CGTC Scheduled to Sign Four Articulation Agreement with Middle Georgia State University

The signing ceremony between Middle Georgia State University (MGA) and Central Georgia Technical College (CGTC) is scheduled for Thursday, October 2nd at 2:00 PM. The four agreements, A.S. in Education, A.S. in Social Work, A.S. in Psychology, and A.S. in Criminal Justice, will provide students with greater ease of transfer to senior institutions. Graduates from these programs will go on to meet the workforce needs in crucial high-demand areas in Middle Georgia.

General Education Conference to be Held at CGTC

CGTC will host the General Education Conference in November on the Macon Campus. TCSG accepted proposals from the following CGTC faculty: Dr. William Perez-Martinez will give a presentation titled *Technology-Enhanced Teaching for Student Success: Leveraging NotebookLM and Open Educational Resources (OER)* and Christina Swann, Dr. Ekaterina Mirzakulova, and Tammie Henderson will give a presentation titled *From the Garden to the Classroom*.

CGTC AEMT Student Participation

Our Advanced Emergency Medical Technician (AEMT) students assisted with first aid coverage for the Ocmulgee Indigenous People Celebration and represented GCTC and the program with great success. These students also supported the single officer active shooter response (SOAR) training at the Georgia Public Training center participating as victims and perpetrators.

Academic Success Centers Continue to Assist Students in Innovative Ways

The Academic Success Center's total number of tutoring sessions grew by 30.7% from AY24 to AY25. This growth included the newly added AI Tutor, as well as in-person tutoring. Over the academic year, the Academic Success Centers served 15% of CGTC's students. In AY25, students using the AI Tutor had an 86% pass rate compared to an 82% pass rate for the college as a whole. If you look at 100% online students, those using AI Tutor had an 83% pass rate compared to the 75% overall pass rate for 100% online students at the college. As of September 9th, 67% of students ASC served in Fall 2024 and Spring 2025 registered for summer or fall 2025 classes (this number does not include students who graduated).

CGTC Cybersecurity Club Student Winner Recognized

Kaleb Brown, CGTC's National SkillsUSA Champion in the Computer Programming category and 1st Place winner at SkillsUSA Nationals, will be formally recognized at the Warner Robins Chamber of Commerce meeting on Monday, 21 October at 5:00 p.m. This is an exciting opportunity to showcase not only Kaleb's outstanding achievement on the national stage but also the strength and dedication of our students and programs. Several club members and faculty will be attending the event to support Kaleb. This recognition reflects the hard work and commitment of our students, instructors, and community partners, and we look forward to celebrating Kaleb's success at this important community event.

CGTC Continues to Issue Digital Badges

CGTC issued 9,742 digital badges for summer semester 2025, giving the College an academic year total of 50,927 badges issued. Students are sharing badges on platforms like Facebook, X, LinkedIn Feed, Pinterest, Canvas ePortfolios, and LinkedIn Profile.

2025-2026 Rick Perkins Award

The process has begun to determine the college's 2025-2026 Rick Perkins Award (RPA) Instructor of the Year; we are hoping for a three-peat State RPA winner!!! This process also includes the Adjunct Faculty of the Year representative. CGTC's past two winners for RPA Instructor of the Year went on to be chosen the State RPA winner: Mr. Sharoko Farley, Commercial Truck Driving Instructor, and Dr. Ekaterina Mirzakulova, Chemistry Instructor.

AED Success Story: HiSET Fast Track Program Pilot

Central Georgia Technical College's Adult Education Program successfully launched its inaugural HiSET Fast Track Program Pilot on August 28 thru 30, 2025. This innovative initiative aimed to accelerate preparation for the High School Equivalency Test (HiSET) for adult learners in the region. Out of 41 applicants, 14 met the preliminary testing requirements to participate in the fast-track program.

11 determined students actively engaged in the intensive program, which was designed to equip them with the skills and knowledge needed to pass the HiSET exam effectively. 8 students successfully graduated on the first attempt, resulting in a significant achievement in their educational journeys. The number increased to 9 on the second attempt.

For those students who did not meet the initial testing criteria, the program ensured that they were not left behind. Instead, they enrolled in classes, allowing them to continue their education and work towards meeting their goal. This approach underscores the program's commitment to supporting all learners in their pursuit of educational and career aspirations.

Report Date: September 25, 2025

Meeting Date: October 1, 2025

Prepared By: Mr. Jeff Scruggs, Executive Vice President

Facilities Projects

- The FY 25 Capital Outlay project (renovation of several Macon campus buildings) project construction documents are now under review by the Design Review Group (DRG) of Georgia State Financing and Investment Commission (GSFIC). GSFIC manages most state construction projects. These reviews include fire/safety, ADA, mechanical/electrical/structural, and other code compliance, etc. Once approved, the work can be re-estimated and commence once pricing is agreed-upon.
- The FY27 capital outlay requests for all colleges, including CGTC, have been approved by the State Board. CGTC's project requests are not in the TCSG priority requests list. The requests are to renovate the remaining portions of Building A in Milledgeville (9.855 MM) and renovate Buildings A and B in Warner Robins (22.87 MM).

Satellite Operations

Report Date: September 26, 2025

Meeting Date: October 1, 2025

Prepared By: Ms. Carrie Dietrich and Dr. Marcus Early, Directors, Satellite Operations

Information Update – Ms. Carrie Dietrich

- Carrie Dietrich was recently appointed to the Milledgeville/Baldwin County Communities in Schools board of directors. This non-profit organization's mission is to surround students with a community of support to empower them to stay in school and achieve in life.
 - CGTC is actively engaged with the Milledgeville-Baldwin Chamber of Commerce.
 - Carrie Dietrich, Brandi Mitchem, JoBen Rivera-Thompson, Latonya Stewart and Jackie Turner attended the Milledgeville-Baldwin Chamber of Commerce's Eggs and Issues on September 17th. The speaker for the event was Dr. Kristina Brooks, Baldwin County School District Superintendent. This monthly event is held at on the Milledgeville campus and is always attended by CGTC representatives.
 - On September 18th, the Milledgeville campus hosted a lunch and learn for the Milledgeville-Baldwin Chamber of Commerce. The workshop, "Lead Well: Principles and Practices for Effective Leadership" was taught by Richard Marley, Business and Industry Services Specialist.

Research and Compliance

Assessment and Planning

Personnel (administrators, faculty, and staff) responsible for planning have been notified to begin closing the loop on AY2025 Operational and Student Learning Outcome Plans and to begin developing AY2026 Plans based on assessment results. AY2025 Plans should be closed out by October 15, 2025. IE hosted Program Chair training and Open labs to support plan close-out and creation during August and September. TCSG data will be available in early October for plans requiring KMS reports for closure (enrollment, awards, retention, placement).

WIOA (Workforce Innovation and Opportunity Act)

WIOA Career Advisors conduct career placement activities for participants enrolled in an eligible activity such as being enrolled in a WIOA approved occupational program, high school equivalency or high school diploma. Program Year 2024/Fiscal Year 2025, July 1, 2024 to July 30, 2025, year-end quarter 4 outcomes have not yet been published by the Technical College System of Georgia (TCSG).

WIOA Outreach:

WIOA Career Advisors attend college and community events as a means of conducting outreach. Attendance at the following events is scheduled. The team is actively seeking community outreach activities to inform potential students about WIOA services at CGTC.

October 3rd - Health Science Orientation, CGTC Warner Robins Campus

October 9th – Health Career Fair, CGTC Warner Robins Campus

October 18th - Community Health Fair, Milledgeville, GA

October 25th - Fall Fest Health Fair, Warner Robins, GA

October 25th - East Macon Community Trunk or Treat Event, Mount Moriah Baptist Church

October 29th – Family Connection Trick or Treat Resource Fair, Lindsey Student Support Center

October 30th - CGTC Career Fair, Macon Campus

Professional Development/Special Projects

R.E.A.C.H.

The September 23, 2025, student session featured Mrs. Sydney Hall from the CGTC Foundation and Ms. Laquinta Jordan from the Office for Financial Aid. Discussions were had on the topics of Foundation scholarship opportunities and financial literacy.

On October 7, 2025, Dr. Paula McGhee and Ms. Jaquetta Dawkins will lead the REACH session in a discussion about Soft Skills.

Homecoming plans are being developed for R.E.A.C.H. members and alumni!

Professional Development

- Professional Development opportunities have begun this Fall term with the series on Artificial Intelligence, AI For US. The first session was *AI Introduction*, followed by a hands-on *AI Workshop* offered on each main campus. The next two in the series are *Teaching AI Literacy* and *AI in Student Careers*. In the coming weeks, the series will continue with *Using AI in the Office*, and will conclude with *Using AI with Microsoft Office*.
- This week, a session was presented to faculty and staff from Ms. Claudia Congora, Professional Development Trainer from Georgia Northwestern Technical College, on the topic of *Respect in the Workplace*.
- Around midterm of Fall semester, we will have a series of in-person sessions, Workplace Etiquette and Common Courtesies. We will also resume the Presentation Project series that began last semester. At the conclusion of this series in late October, a showcase participant presentation will be held and each will deliver their 15-minute presentation. These presentations are data and research-based and aim to benefit the CGTC faculty and staff. A new cohort will be invited to join in November.
- The third cohort of the *Leadership and Management Program* continues as does the thirteenth cohort of the *Titan Leadership Initiative*.
- There are mandatory training sessions that are asked of each member of CGTC; these are completing their annual revision for up-to-date content and relevance and will be available in October.
- Per CGTC policy, faculty are required to complete 24 hours of professional development training each year; staff are expected to complete 20 hours.
- Mr. Sam Lester, Director for Professional Development and Special Projects, has been invited to provide training for Savannah Technical College on November 20; Southern Crescent Technical College on December 4; and Georgia Northwestern Technical College on December 17. He previously delivered multiple sessions at both Chattahoochee Technical College and Oconee Fall Line Technical College for their Spring term Professional Development Days.

Program and Curriculum Review

Data has been completed for AY2025 and Fall term program reviews will begin with the following educational programs:

- Physical Therapy
- Metrology
- Electrical Systems
- Marketing Management
- Diesel Equipment Technology
- Biotechnology
- Hotel-Restaurant-Travel Management
- Design and Media Production

IE Staff Professional Development

The VP for Institutional Effectiveness and the Executive Director for IE, attended the 2025 SACCR (Southeastern Association for Community College Research) September 8-10, 2025. Dr. Burks, VPIE, gave a presentation on the use of NCCBP (National Community College Benchmarking Project) data in collaboration with NCCBP leaders. NCCBP benefits institutions by providing benchmarking data that helps tell, shape, and guide the story around two-year colleges performance. NCCBP provides a means for the college to gauge its performance against like institutions in relation to enrollments, retention, graduates, transfer, and workforce.

Strategic Initiatives Update

CGTC Board of Directors Meeting

Report Date: September 26, 2025

Meeting Date: October 1, 2025

Prepared By: Dr. Mark Scott, Vice President for Strategic Initiatives

Strategic Initiatives had a successful site visit to Hawthorne Academy School of Health Sciences in Charlotte, NC on September 11, 2025. The attendees of this trip included Dr. Ivan Allen (Central Georgia Technical College), Dr. Mark Scott (Central Georgia Technical College), Dr. Michelle Siniard (Central Georgia Technical College), Dr. Kristina Brooks (Baldwin County Schools, Superintendent), Ms. Cynthia Busbee (Atrium Health Navicent, Chief of Staff) and Mr. Derick Austin (Putnam County Schools, Superintendent). The group toured Hawthorne Academy, where they had the opportunity to ask questions about the curriculum and the development of the Bloomberg Philanthropies project on campus. The visit provided valuable insight into the collaborations required among local school districts, colleges, and healthcare partners to ensure the project's success and positive outcomes for students. Information was shared regarding potential challenges that may arise during the project and about the current curriculum being offered.

Hawthorne Academy currently has four pathways: Nursing, Radiology, Neurodiagnostic, and Healthcare Simulation. The school is in the process of transitioning from the Global Military curriculum to Healthcare Academy curriculum and is actively working through the challenges associated with that shift. Superintendents were able to observe how the program could be implemented. Additional details were shared about the school's current enrollment and how those numbers may change as students' progress through the program.

On September 22, 2025, an informative dual enrollment meeting was held by the Houston County School District. Attendees included Dr. Mark Scott, Dr. Tatrabian Jackson, and Ms. Kimberly Gunn from Central Georgia Technical College. Representing the Houston County School District were Ms. Amada Coker, Counselor and Ms. Monica Smith, Counselor. The meeting focused on program and pathway options available to students in the Allied Health Academy, as well as how these offerings would be integrated into high school schedules.

On September 29, 2025, a strategic meeting was held with the Academic Affairs team to advance planning for the Allied Health Academy. The session brought together key educational leaders, including Dr. Mark Scott, Dr. Tatrabian Jackson, Ms. Deann Nester, and Dr. Patricia Wynne. The group engaged in a collaborative discussion focused on curriculum development, programming, course scheduling and implementation. Ideas were shared on how these academic components would be effectively integrated into the daily schedules of high school students participating in the Allied Health Academy. The meeting reflected a shared commitment to delivering rigorous, career-focused education that aligns with student core curriculum needs.

On October 1, 2025, Dr. Mark Scott served as the featured speaker at the Perry Area Chamber of Commerce's Business at Breakfast event. During his presentation, Dr. Scott introduced the STEM/Allied Health High School Initiative, highlighting its mission to prepare students for careers in the health care workforce. He shared details about strategic partnerships with local hospitals and school districts, emphasizing collaborative efforts to strengthen the healthcare workforce across Central Georgia.

Strategic Initiatives has confirmed an upcoming site visit to the Northwell School of Health Sciences in New York, it is scheduled for November 6, 2025. This visit will bring together representatives from local school districts and healthcare partners to explore collaborative opportunities and gain firsthand insight into Northwell's innovative health sciences programs. The visit aims to strengthen relationships with other Bloomberg Philanthropies grant recipients and gather valuable perspectives and experience in the development of their healthcare academy.

Strategic Initiatives has confirmed an upcoming site visit to the Nurses Middle College in Nashville, Tennessee, scheduled for December 5, 2025. The visit will include representatives from Central Georgia Technical College's Facilities division, Academic Affairs division and local school district superintendents. Attendees will have the opportunity to observe firsthand the implementation of programs similar to the healthcare academy currently in development. This visit also presents a valuable opportunity to collaborate with fellow Bloomberg Philanthropies grant recipients and gain insights from their experiences in establishing and sustaining successful healthcare education models.
