# Commencement Ceremony

MACON CENTREPLEX COLISEUM  
FRIDAY, MAY 6, 2022  
11:00 A.M.

CENTRAL GEORGIA TECHNICAL COLLEGE

## **COMMENCEMENT CEREMONY DECORUM**

The faculty and staff at Central Georgia Technical College congratulate you on your academic achievement. The College wishes to ensure that the commencement ceremony will be a fitting conclusion to this phase of your education!

The Central Georgia Technical College commencement ceremony is, by its very nature, a festive occasion. The festivity manifests itself in many ways, including the dress of the students; the faculty adorned in academic regalia; and the warmth, joy, and satisfaction of accomplishment. The ceremony is also marked by a seriousness that signifies long, hard work on the part of everyone involved: students, faculty, administrators, parents, and spouses.

## SPECIAL RECOGNITION

### **BRITTANY FORLADER**

*2022 CGTC Georgia Occupational Award of Leadership Winner*

Brittany Forlader of Warner Robins was named the 2022 Georgia Occupational Award of Leadership (GOAL) winner for Central Georgia Technical College. She is a Radiologic Technology student and was nominated for the award by her instructor, Connie Young. She competed with other nominees in a local speech and interview process to be named the College's Student of the Year. She has competed in region competition to determine if she will be a finalist for the state award. The Technical College System of Georgia's GOAL program serves to honor excellence in academics and leadership among the state technical college students.

In addition to many accolades, prizes, and a coveted parking spot, Forlader is recognized in the community for her outstanding academic, career and volunteer achievements. As the Colleges' winner, Forlader is an advocate for technical education and proud Radiologic Technology student who enjoys leading her peers to grow in their knowledge and skills that make them better professionals for their future. She encourages students and those considering technical education to prepare now for their success story.

Forlader is the daughter of Kim and Steve Forlader of Kingsland, Ga. After starting her career this summer and taking some vacation time abroad for herself, Forlader plans to continue her education to become a radiation therapist.

### **SONIA WYNNE**

*2022 CGTC Rick Perkins Award Winner*

Hemodialysis instructor and program chair, Sonia Wynne, was named Central Georgia Technical College's (CGTC) Rick Perkins Award (RPA) Winner for Excellence in Technical Instruction for 2022. She has worked as a hemodialysis nurse and instructor for over 30 years.

Wynne's career with CGTC began in 2004 when she developed the Health Sciences Division's Hemodialysis program which was the first of its kind in the state. She is recognized as a leader in her field serving on several state and national boards including Georgia's ESRD Advisory Council to the Governor, the National Kidney Foundation, and ESRD Network 6, formerly known as the Southeastern Kidney Council. As a leader for her field and advocate for students, Wynne consistently encourages her graduates to pursue the most out of their career.

As she embraces this opportunity to advocate for technical instruction as CGTC's RPA Winner, she is confident in her ability to represent the College well saying, "It's because of my passion and strong belief in our mission to build a better community through technical education."

### **CARLIE BRUMLEY**

*2022 Exceptional Adult Georgian in Literacy Education (EAGLE) delegate*

Carlie Brumley of Dooly County was named CGTC's 2022 EAGLE delegate in fall semester. Nominated by her instructor, Ethel Ross, Brumley is a proud mother to three children who came to the program located in Vienna, Ga., after dropping out of high school as a fifteen-year-old.

"I had thought many times to myself about how I could change my life," Brumley said. "But I was always making excuses as to why I couldn't or shouldn't do this." In August 2021, she enrolled in the Adult Education program and began pursuing her GED®, something she thought would only ever be a "dream."

In March 2022, Brumley represented CGTC at the Dinah Culbreth Wayne EAGLE Leadership Institute in Atlanta amongst other EAGLE delegates from the Technical College System of Georgia.

### **ALONDRA JORDAN**

*Dual Enrollment Graduate, Houston County*

Alondra Jordan is a current senior at Houston County High School. She began the Dual Enrollment program with CGTC in Fall 2018 as a high school freshman. During her high school career, she completed credits to earn an Associate's Degree in Criminal Justice Technology and will receive her credential during today's ceremony. She will graduate from Houston County High at the end of May.

In addition, Jordan is also an active member of the Raising Expectations of Achievement (REACH) organization at CGTC, which through mentorship, is designed to guide minority students through the college experience. During her immersive workplace experience, Alondra was placed with Spherion Staffing and continues to work with the organization as a paid intern.

# THE MEANING OF ACADEMIC DRESS

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar was that of a cleric, whether the scholar was a student or teacher. Long gowns were worn and may have been necessary for warmth in unheated buildings. Hoods seem to have served to cover the tonsured head until superseded for that purpose by the skull cap.

A statute of the University of Coimbra in 1321 required that all “Doctors, Licentiates, and Bachelors” wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. In the days of Henry VIII of England, Oxford and Cambridge first began prescribing a definite academic dress and made it a matter of university control. The assignment of colors to signify certain faculties was to be a much later development, and one which was to be standardized only in the United States in the late 19th century.

In America, an Intercollegiate Commission made up of representatives of leading institutions was formed to establish a standardized system of academic apparel. The Commission met at Columbia University in 1895 and adopted a code of academic dress that regulated the cut and style and materials of the gowns and prescribed the colors which were to represent the different fields of learning. In 1932, a committee appointed by the American Council on Education approved a code for academic costumes that has been in effect since that year. The American Council on Education revised and updated the code in 1959 and 1986.

*Excerpted from the Academic Costume Code and Ceremony Guide, American Council on Education*

## Cap

Mortarboards are generally recommended to match the gown. A long tassel is to be fastened to the middle point of the top of the cap only and allowed to lie as it will. The tassel should be the same color as the cap, or the color appropriate to the subject. All graduates should wear the tassel on the right side of their caps.

## Gown

The color of the gown varies by credential as follows:

Maroon:	Degree Graduate
Navy:	Diploma Graduate
Gray:	GED® Graduate

## Cords and Stoles

Honor graduates wear a gold cord. To receive this honor, graduates must have a graduation GPA of 3.5 or higher.

Members of the National Technical Honor Society wear a white tassel on their caps and a white stole. To receive this honor, students must be nominated by an instructor, be a full-time student at CGTC for at least two complete semesters, and have a minimum cumulative grade point average of 3.5.

Student-Athletes wear a white stole.

Members of the Military and Veterans wear a red, white, and blue cord.

High School Dual Enrollment students wear a teal cord.

## Adult Education Cords and Stoles

Maroon:	National Adult Education Honor Society
Orange:	Completed Stepping Stones Program funded through Mercer University Education Opportunity Center
Navy Blue:	Accelerating Opportunity Participant/ Earned GED® Credential and a TCC
Gold:	Top 25 GED® Credential Scores

*The mission of the Central Georgia Technical College Foundation is to provide financial support for the advancement of Central Georgia Technical College. To accomplish this mission, the Foundation solicits donations and grants to provide student scholarships, innovative facilities and equipment, faculty and staff development, and other needs beyond the scope of the Institution's budget.*

*The Central Georgia Technical College Foundation is guided by a board of volunteer trustees composed of business and community leaders from Baldwin, Bibb, Crawford, Dooly, Houston, Jones, Monroe, Peach, Pulaski, Putnam, and Twiggs counties. The Board of Trustees assists in establishing the College's strategic plan for resource development, provides leadership for the advancement function, ensures the Foundation Board is composed of dedicated men and women capable of fulfilling their trustee responsibilities, and ascertains the effectiveness of the advancement activities on an annual basis.*

# FROM SERVICE TO CIVILIAN.

The **Georgia Veterans Education Career Transition Resource (VECTR) Center** is the centralized primary access agency for military, veterans and their family members transitioning from military service to the civilian workforce.

The VECTR Center serves as a gateway into Georgia's public institutions of higher education and works with employers across the state while providing career counseling, educational coaching, resume assistance and workforce training. Additionally, the Center is a one-stop-shop of other resources through collaborations with federal, state and community partners.
