CENTRAL GEORGIA TECHNICAL COLLEGE

COMMENCEMENT CEREMONY DECORUM

The faculty and staff at Central Georgia Technical College congratulate you on your academic achievement, and wish to ensure that the commencement ceremony will be a fitting conclusion to this phase of your education! The Central Georgia Technical College commencement ceremony is, by its very nature, a festive occasion. The festivity manifests itself in many ways including the dress of the students, the faculty adorned in academic regalia, and the warmth, joy, and satisfaction of accomplishment.

The ceremony is also marked by a seriousness that signifies long, hard work on the part of everyone involved: students, faculty, administrators, parents, and spouses. As a consequence of the solemn nature of the ceremony, students and guests are requested to exercise a measure of decorum consistent with the occasion. Audience participation should be respectful of the celebration honoring both the commitment to learning and the fulfillment of dreams shared by all candidates crossing the stage tonight. This element of respectful celebration also extends to the parents, guardians, and spouses whose dedicated support brings pride to the fulfillment of these educational dreams, and to the family members aspiring to one day have their moment of walking across the stage.

The CGTC Community thanks you for your attendance and for celebrating your loved one's important achievement.

SPECIAL RECOGNITION

MOEINI REILLY

Commencement Speaker, 2024 CGTC Outstanding Alumni

Moeini Reilly, a 2024 Outstanding Alumni Award recipient of Central Georgia Technical College, delivers the commencement keynote, sharing an inspiring journey rooted in technical education, innovation, and service. A graduate of CGTC and honoree of the Technical College System of Georgia, Reilly has advanced from student to Research Technologist at the Georgia Tech Research Institute while pursuing doctoral studies in computer science.

His career reflects a commitment to workforce development, community engagement, and mentorship, particularly through efforts that connect students with hands-on opportunities in STEM fields. From his beginnings at CGTC to his leadership in research and civic initiatives, Reilly embodies the transformative impact of accessible education. His story highlights perseverance, purpose, and the value of giving back—offering graduates a powerful example of how technical education can open doors, shape careers, and strengthen communities across Georgia and beyond.

ANNA WALTERS

2026 CGTC Georgia Occupational Award of Leadership Winner

Anna Walters, a Physical Therapist Assistant student at Central Georgia Technical College, is the College's 2026 Georgia Occupational Award of Leadership (GOAL) winner, as student of the year, recognizing her academic excellence and leadership.

Selected through a competitive process, Walters advanced to regional and statewide judging hosted by the Technical College System of Georgia to earn the right to represent the state in technical education. Her achievement reflects the strength of CGTC's growing student body and the impact of technical education in shaping confident, career-ready leaders.

DERYK STOOPS

2026 CGTC Rick Perkins Award Winner

Deryk Stoops, an Automation Technology instructor at Central Georgia Technical College, is the College's 2026 Rick Perkins Award for Excellence in Technical Instruction winner. Known for innovation and student-centered teaching, Stoops leads the AI-Enhanced Robotic Manufacturing program at the Georgia Veterans Education Career Transition Resource Center. His work prepares students for high-demand careers while strengthening workforce development across Georgia, reflecting a deep commitment to transforming lives through technical education.

BRIANNA CALHOUN

2026 Exceptional Adult Georgian in Literacy Education (EAGLE) Delegate

Brianna Calhoun is the College's Adult Education Division Exceptional Adult Georgian in Literacy Education (EAGLE) delegate. As an adult learner, Calhoun faced unique challenges to becoming recognized in her pursuit of excellence. The EAGLE program recognizes and honors students who have demonstrated exceptional achievement in statewide adult education classes. Brianna recently completed her GED and looks forward to continuing her educational and career goals.

GREGORY GLOVER

2026 Outstanding Teacher of the Year

Gregory Glover is the College's Adult Education Division Outstanding Teacher of the Year (OTOY). As an Adult Education instructor, he believes in being an encouragement to students and helping students achieve their full potential. The OTOY program recognizes and honors faculty who have demonstrated exceptional commitment and service to students in adult education classes.

THE MEANING OF ACADEMIC DRESS

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar was that of a cleric, whether the scholar was a student or teacher. Long gowns were worn and may have been necessary for warmth in unheated buildings. Hoods seem to have served to cover the tonsured head until superseded for that purpose by the skull cap.

A statute of the University of Coimbra in 1321 required that all “Doctors, Licentiates, and Bachelors” wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. In the days of Henry VIII of England, Oxford and Cambridge first began prescribing a definite academic dress and made it a matter of university control. The assignment of colors to signify certain faculties was to be a much later development, and one which was to be standardized only in the United States in the late 19th century.

In America, an Intercollegiate Commission made up of representatives of leading institutions was formed to establish a standardized system of academic apparel. The Commission met at Columbia University in 1895 and adopted a code of academic dress that regulated the cut and style and materials of the gowns and prescribed the colors which were to represent the different fields of learning. In 1932, a committee appointed by the American Council on Education approved a code for academic costumes that has been in effect since that year. The American Council on Education revised and updated the code in 1959 and 1986.

Excerpted from the Academic Costume Code and Ceremony Guide, American Council on Education

Cap

Mortarboards are generally recommended to match the gown. A long tassel is to be fastened to the middle point of the top of the cap only and allowed to lie as it will. The tassel should be the same color as the cap, or the color appropriate to the subject. All graduates should wear the tassel on the right side of their caps.

Gown

The color of the gown varies by credential as follows:

Maroon:	Degree Graduate
Navy:	Diploma & Certificate Graduates
Gray:	High School Equivalency Graduate
Red:	CGTC Academy High School Diploma Graduate

Cords and Stoles

Honor graduates wear a gold cord. To receive this honor, graduates must have a graduation GPA of 3.5 or higher.

Members of the National Technical Honor Society wear a white tassel on their caps and a white stole. To receive this honor, students must be nominated by an instructor, be a full-time student at CGTC for at least two complete semesters, and have a minimum cumulative grade point average of 3.5.

Members of Student Government Association wear red & blue cords.

Student-Athletes wear a white stole.

Members of the Military and Veterans wear a red, white, and blue cord.

High School Dual Enrollment students wear a teal cord.

Adult Education Cords and Stoles

Maroon: National Adult Education Honor Society

Orange: Completed Stepping Stones Program funded through Mercer University Education Opportunity Center

Navy Blue: Accelerating Opportunity Participant/Earned GED® Credential & a TCC

Gold: Top 25 GED® Credential Scores

The mission of the Central Georgia Technical College Foundation is to provide financial support for the advancement of Central Georgia Technical College. To accomplish this mission, the Foundation solicits donations and grants to provide student scholarships, innovative facilities and equipment, faculty and staff development, and other needs beyond the scope of the Institution's budget.

The Central Georgia Technical College Foundation is guided by a board of volunteer trustees composed of business and community leaders from Baldwin, Bibb, Crawford, Dooly, Houston, Jones, Monroe, Peach, Pulaski, Putnam, and Twiggs counties. The Board of Trustees assists in establishing the College's strategic plan for resource development, provides leadership for the advancement function, ensures the Foundation Board is composed of dedicated men and women capable of fulfilling their trustee responsibilities, and ascertains the effectiveness of the advancement activities on an annual basis.

CGTC Academy

TWO NEW HIGH SCHOOL OPTIONS!

WHAT IS THE CGTC ACADEMY?

The CGTC Academy provides an opportunity for individuals to earn a high school and college credential in an effort to prepare them for in-demand careers within our eleven-county service area and throughout the state of Georgia.

THE TWO PATHWAYS

STUDENTS AGE 16 - 21

DUAL ACHIEVEMENT PROGRAM

The Dual Achievement Program (established by SB204) offers qualified students a recognized and alternate path to high school graduation. Students choose to simultaneously earn a high school diploma and two (2) technical certificates of credit, a technical diploma, or a college associate degree in a specific career pathway in order to meet high school graduation requirements.

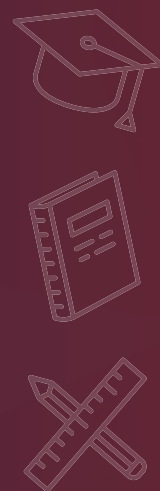

For more information about DAP:
DAP@centralgatech.edu

STUDENTS AGE 18+

CAREER PLUS

Career Plus offers the flexibility to earn a high school diploma without the stress of a high-stakes test. Georgians age 18 and older without a high school diploma can acquire a basic education and high-demand workforce skills at the same time. Complete coursework to become certified in your chosen career path. Embrace the journey. Enjoy the rewards.

FROM SERVICE TO CIVILIAN.

The Georgia Veterans Education Career Transition Resource (VECTR) Center is the centralized primary access agency for military, veterans and their family members transitioning from military service to the civilian workforce.

The VECTR Center serves as a gateway into Georgia's public institutions of higher education and works with employers across the state while providing career counseling, educational coaching, resume assistance and workforce training. Additionally, the Center is a one-stop-shop of other resources through collaborations with federal, state and community partners.
