FACT BOOK 2024

The Office of Institutional Effectiveness is pleased to present the CGTC Fact Book 2023. The publication compiles the College's key performance indicators and outcomes in one document to support institutional and strategic planning, grant development, marketing, resource development, program planning, outreach, recruitment, outcome assessment and community support. College performance over a five year period is compiled to show trend data, data by location and program is provided, economic impact, and service area county data are also included.

The report will be archived for data retrieval on the College's public website under the About CGTC - Institutional Effectiveness - IE Publications section. The Office of Institutional Effectiveness has made every attempt to present the data as accurately as possible. To report inaccuracies or to obtain more information, please feel free to contact us.

Executive Summary

End of Year Report AY2024

Central Georgia Technical College (CGTC) is a two-year public college and unit of the Technical College System of Georgia. CGTC is continuously proving its value to the State of Georgia as it provides educational resources for citizens residing in or near its eleven-county service area of Bibb, Baldwin, Crawford, Dooly, Houston, Jones, Monroe, Peach, Pulaski, Putnam and Twiggs counties, resulting in a skilled workforce that strengthens Georgia's economic stability. The College operates and maintains over one million square feet of existing facilities at more than 50 addresses. CGTC maximizes its reach through traditional, blended, and distance education supported by state-of-the-art technology. The College offers a world-class education at tuition rates that make post-secondary education more affordable for Georgia citizens.

CGTC currently offers associate degrees, diplomas, and technical certificates of credit in the areas of Aerospace, Trade and Industry, Business and Computer Technologies, Health Sciences, Public Safety and Professional Services, and General Studies. The College also offers adult education and customized business and industry training designed to promote community and workforce development. The College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC); many CGTC programs also hold industry-specific accreditations, licensure, and approvals from various state and national agencies. CGTC students benefit from several local and state-wide articulation agreements to facilitate a smooth transfer of earned credits into four-year colleges or universities.

CGTC has a robust dual enrollment program and a formal high school, The CGTC Academy. The Academy offers high school programming under two pathways, the State legislated Dual Achievement Program (DAP) and Career Plus High School Program (CPH). The Academy is accredited by Cognia through the NCA CASI, NWAC and SACS CASI.

The following **Success indicators** help the College gauge its success in meeting strategic goals and mission:

Total Enrollment	Full Time Equivalency (FTE)
Total Graduates	Graduate Placement Rate
Awards	Retention Rate
Graduation Rate	Licensure Pass Rate

Continuous improvement efforts also incorporate quality initiatives and Carl D. Perkins indicators. This focus on performance has led to a **95.4%** Placement In-Field rate for CGTC graduates and an overall job placement rate of **100%**, establishing Central Georgia Technical College as a proven pathway to high wage, high skill, and in-demand careers.

Mission, Vision, Values & History

Mission Statement

Central Georgia Technical College, a unit of the Technical College System of Georgia, offers credit instruction, adult education, and customized business and industry training through traditional and distance education delivery designed to promote community and workforce development.

Vision

It is the vision of Central Georgia Technical College to lead a system of technical colleges in providing technical education, adult education, and customized business and industry training to meet the workforce needs of the future, focusing on preparation for emerging and transforming careers. CGTC will continuously infuse innovative technology and business practices into occupational and adult education, economic development workforce services, high school programming and student support services to remain responsive to the evolving needs of the communities we serve.

The College's challenging, personalized, web enhanced learning environment will continue to provide rigorous training opportunities of sound quality resulting in a well-qualified, highly trained, knowledgeable workforce.

Values

Integrity is an intrinsic value of Central Georgia Technical College. The College is committed to providing all stakeholders with equal access to quality programs and services that promote equity, enhance student learning and student success.

History

CGTC was officially established to conduct business by the State Board of the Technical College System of Georgia during its September 2012 meeting when the Board approved the consolidation of Middle Georgia Technical College (est. 1973) in Warner Robins, GA, and Central Georgia Technical College (est. 1962) in Macon, GA. In June 2013, the consolidated College was approved by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to continue as an accredited institution with Level 1 status, with the capacity to grant associate degrees. The consolidated College officially began doing business as Central Georgia Technical College (CGTC) on July 1, 2013.

Quality Initiatives

Active Grants FY2024

The Institutional Effectiveness Division provides significant support for grant applications and other competitive funding sources. As a result of these efforts, CGTC currently manages over \$16M in grant funding, with more than \$7.3M supporting College activities during FY2024.

Approximately 55% (\$4,047,297) of FY2024 grant funding came from federal sources, 33% (\$2,449,066) from state government, and 12% (\$894,946) from local government, as shown in the following figure:

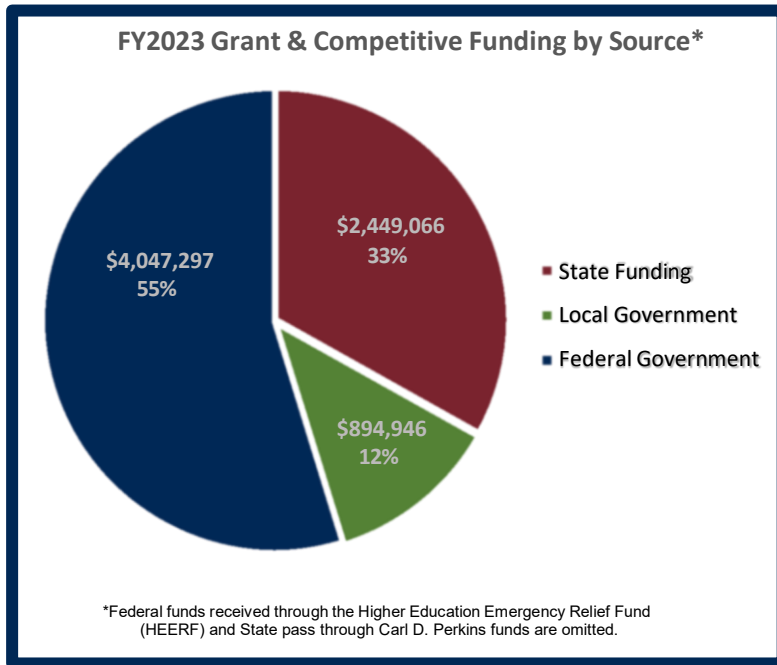

Figure 3: FY2023 Grant & Competitive Funding by Source

During FY2024, eight new applications were submitted for grants and competitive funding totaling \$4,006,073. Six of these applications were awarded, resulting in an additional \$3,220,188 in grant funding for the College.

The Institutional Effectiveness Division pursues funding to support all divisions of the College. Academic Affairs, Student Affairs, (including High School Initiatives and Campus Security), and the Executive Vice President (VECTR) each received support from grants and competitive funding sources during FY2024 to provide quality programming and services while improving student learning and success.

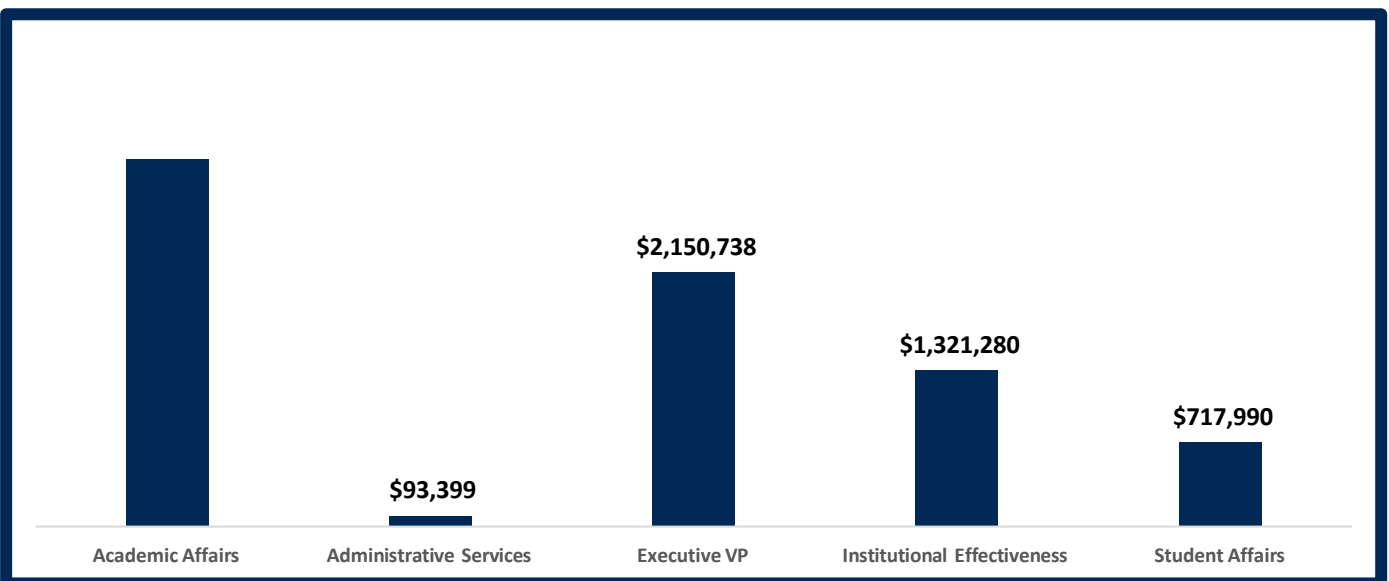

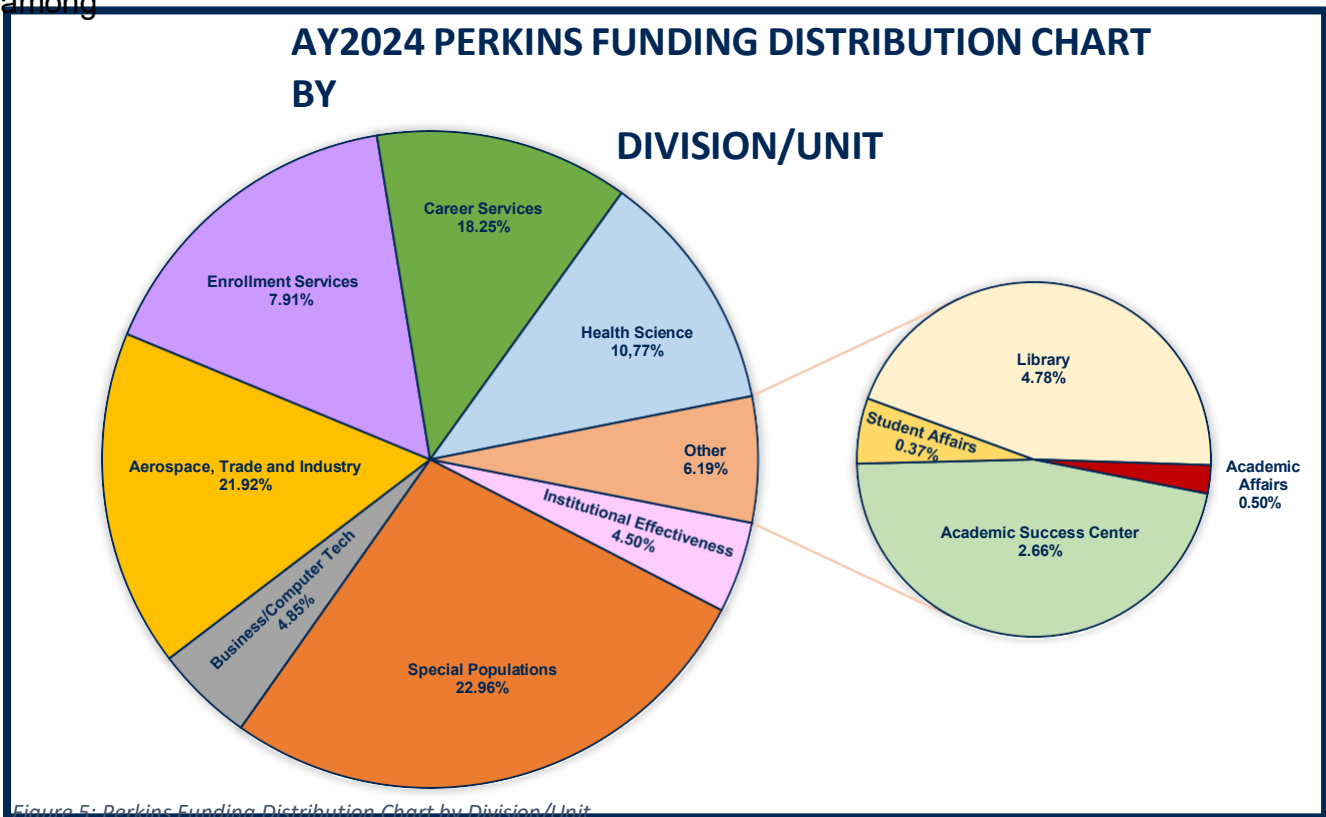

Figure 4: FY2023 Distributions of Funds by Division

The Carl Perkins Grant

The Perkins grant is Federal funding provided to the College through TCSG and the Georgia Department of Education (GADOE). Allocation of funding is not competitive but based on the number of Pell recipients. The College's allocation for FY2024 was \$1,850,945 distributed among

Divisions that provide eligible activities in support of grant priorities.

Perkins funds are disbursed to support Personnel, Equipment, Travel, Professional Development, Books and Supplies, Contracts and Consultants. Perkins funding supports negotiated activities devised with internal and external stakeholder input. External stakeholders include, but are not limited, to secondary school systems, business and industry partners, and WorkSource Georgia Region 6 entities. Local Board and Foundation Board members are considered as internal stakeholders for planning purposes.

Special Populations/Lending Library

The Office of Institutional Effectiveness provides grant management and technical assistance to College departments such as Special Populations. In AY2024, the Office of Special Populations, a unit of the Student Services Division, as recipients of Perkins funding, provided Lending Library services to students throughout the academic year. Many students received assistance during one or more semesters in fall, spring, and/or summer semesters.

REACH

The **R**aising **E**xpectations of **A**chievement (REACH) student organization is tailored towards CGTC students that are underserved. While REACH session activities are open to all student demographics, this initiative primarily targets male students of color.

Table 4: REACH Students Outcomes - AY2023

TEAMS Outreach Center

CGTC TEAMS Outreach Center utilizes an internally designed alert system to identify at-risk students, provide individualized support, track the application of interventions, and monitor student success. The goal of the TEAMS Outreach Center is to improve student retention and graduation rates. This goal is met by identifying at-risk students as early in the term as possible and connecting those students to College resources or interventions that can help the student be retained and succeed.

Academic Success Center

The Academic Success Center offers free tutoring, success skills workshops, and computer assistance. Students can call, email, or schedule a session through the online platform.

CGTC Academy

The [CGTC Academy](#) offers two alternatives to a traditional high school diploma.

Pathway 1: The [Dual Achievement Program Pathway](#) (DAP) offers high school coursework for individuals aged 16 – 21. Enrolled DAP students take high school courses and credit level coursework towards a minimum of two technical certificates of credit leading to an accredited high school diploma and college level credential for quick entry into the workforce.

Pathway 2: The [Career Plus High School Equivalency Pathway](#) (CPH) offers high school coursework for individuals aged 21 and over. CPH students earn a high school equivalency diploma and a college level credential.

Outcomes

Success Indicators

CGTC's Strategic Plan defines priorities of the College and provides a framework for allocating resources towards the main components of its mission: technical education, adult education, and economic development. The Strategic Plan also identifies key indicators of success to serve as measurable, annual goals for the Institution.

Table 5: Assessing Institutional Outcomes - FY2024

OUTCOMES	RESULTS
1. PLACEMENT (Overall): 80% of program completers will either be placed in field, a related field, military service, or continue their education.	Total Placement Rate: 100.0% Placed In-Field Rate: 95.4%
2. LICENSURE EXAM: 85% of students taking a required licensure examination will pass.	Met: 85%
3. RETENTION: 60% of first-time CGTC students enrolled fall semester will either graduate by the end of the following fiscal year or will still be enrolled during the following fiscal year.	Met: 63.9%
4. GRADUATION: 65% of students seeking a degree, diploma, or certificate will successfully receive a degree, diploma, or certificate.	Met: 86.1%
5. ACADEMIC ATTAINMENT: 70% of students enrolling in General Education courses will successfully complete the course.	Met: 77%
6. OCCUPATIONAL ATTAINMENT: 80% of students enrolling in occupational courses will successfully complete the course.	Met: 84%
7. WORK ETHICS: 90% of all work ethic grades received meet or exceed expectations.	Met: 91%
8. ADULT EDUCATION (basic skills): Meet or exceed the established local, state and federal benchmarks. <ul style="list-style-type: none"> Enrollment in ABE/ASE/ESL1,859 Measurable Skill Gains in ABE/ASE/ESL892 High School Equivalency Conversion Rate..... 25.9% High School Equivalency Graduates.....228 	Met: 2,101 Met: 1,130 Met: 32.7% Met: 273
9. ECONOMIC DEVELOPMENT: Meet or exceed the established annual benchmark of 275 companies trained.	Met: 278
10. ECONOMIC DEVELOPMENT: Meet or exceed the established annual benchmark of 3,000,000 trainee contact hours.	Met: 7,296,705
11. LEARNING SUPPORT: Successful completers of learning support courses will demonstrate academic attainment comparable to program-ready students in Math and English (within 10 points). (Program Ready Math = 67%, Program Ready English = 74%)	Met: Math 74% English 93%
12. GRADUATE PREPAREDNESS: Graduates of degree and diploma programs will demonstrate workplace readiness skills as evidenced by attainment of an appropriate Georgia WorkReady Certificate Goals: Graphic Literacy: 4.13 ; Workplace Documents: 4.08 ; Applied Mathematics: 3.86	Met: Graphic Literacy 4.87 Applied Mathematics 4.51 Workplace Documents 5.01

Note: In FY2020, Georgia shifted to a much more rigorous adult education assessment test to better align with the increased rigor of the GED exam. As such, adult education programs statewide experienced a significant decrease in the number of students entering at the Adult Secondary Education levels.

Count of Periods of Participation with Measurable Skill Gains (MSG) for participants with more than 12 hours of attendance and initially assessed at Adult Basic Education (ABE) Levels 1-4. A participant achieves a MSG by gaining at least one educational functioning level after comparing the participant's pre- and post-test levels or exiting the program and entering postsecondary, attaining a high school equivalency diploma, or achieving a measurable skill gain as a participant in a IET or Workplace Literacy program within the fiscal year.

Economic Development

Central Georgia Technical College's (CGTC) Office of Economic Development serves Georgia's new, expanding, and existing industries by providing quality, comprehensive training and continuing education programs. We are especially focused on the development of a skilled workforce that will meet the needs of businesses in the communities that we serve and contribute to the economic growth and development of the region. The Office of Economic Development is also home to the **CGTC Regional Safety Training Center** which delivers health and safety training to businesses, workers, and those seeking employment in industries in the central Georgia region.

[About datasets used in this table](#)

Value Notes:

Estimates are not comparable to other geographic levels due to methodology differences that may exist between different data sources. Some estimates presented here come from sample data, and thus have sampling errors that may render some apparent differences between geographies statistically indistinguishable. Click the Source Link then Click the Quick Info icon to the left of each row in TABLE view to learn about sampling error. In Vintage 2023, as a result of the formal request from the state, Connecticut transitioned from eight counties to nine planning regions. For more details, please see the Vintage 2023 release notes available here: [Release Notes](#). The vintage year (e.g., V2023) refers to the final year of the series (2020 thru 2023). Different vintage years of estimates are not comparable.

Users should exercise caution when comparing 2018-2022 ACS 5-year estimates to other ACS estimates. For more information, please visit the [2022 5-year ACS Comparison Guidance](#) page. QuickFacts data are derived from: Population Estimates, American Community Survey, Census of Population and Housing, Current Population Survey, Small Area Health Insurance Estimates, Small Area Income and Poverty Estimates, State and County Housing Unit Estimates, County Business Patterns, Nonemployer Statistics, Economic Census, Survey of Business Owners, Building Permits.

Fact Notes:

- (a) Includes persons reporting only one race
- (b) Hispanics may be of any race, so also are included in applicable race categories
- (c) Economic Census - Puerto Rico data are not comparable to U.S. Economic Census data

Value Flags:

- Either no or too few sample observations were available to compute an estimate, or a ratio of medians cannot be calculated because one or both of the median estimates falls in the lowest or upper interval of an open-ended distribution.
- F Fewer than 25 firms
- D Suppressed to avoid disclosure of confidential information

- N Data for this geographic area cannot be displayed because the number of sample cases is too small.
- FN Footnote on this item in place of data
- X Not applicable
- S Suppressed; does not meet publication standards
- NA Not available
- Z Value greater than zero but less than half unit of measure shown

TCSG Definitions and Formulas

Total Credit Enrollment, Credit Hours, and FTE

Total students enrolled in credit courses, total credit hours taken by these students, and total full time equivalent (FTE). Annual FTE is the sum of all credit hours for the academic year (Fall, Spring, and Summer semesters) divided by 30 and rounded down. Percent change is from same term of previous year to current term.

Unduplicated Graduates:

Each graduate is counted once regardless of how many awards received. A graduate who receives 2 TCCs and 1 Diploma = 1 graduate.

Awards Conferred (duplicated):

A graduate is counted for each award received, so one graduate can be counted multiple times if receiving multiple awards. A graduate who receives 2 TCCs and 1 Diploma = 3 awards.

Placement Formulas:

Placement Rates are based on unduplicated Graduates and unduplicated Employment Status, using the latest Employment Status entry for each student.

Total Placement

$$\frac{\text{In Field} + \text{Military} + \text{Rel Field} + \text{Unrel Field} + \text{In Field \& Cont Ed} + \text{Rel Field \& Cont Ed} + \text{Unrel Field \& Cont Ed} + \text{Cont Educ}}{\text{Numerator} + \text{Not Employed}}$$

Placed In Field

$$\frac{\text{In Field} + \text{Rel Field} + \text{Military} + \text{In Field \& Cont Ed} + \text{Rel Field \& Cont Ed}}{\text{Total Grads} - (\text{Unrel Field \& Cont Ed} + \text{Cont Ed} + \text{Unavail})}$$

Graduation Rate:

$$\text{Graduation Rate} = \frac{\text{Graduates}}{\text{Graduates} + \text{Non-Graduates Leavers}^*}$$

- * Non-Graduate Leaver: during the two year period took 12 or more hours and did not graduate. The last term enrolled during the two year period, student was not a special admit, not student type Transient, the primary major was in a program major (not DV00, IA00, SP00 or TR00), student had enrolled in at least one vocational course that was not subject 'SCT' and not 'COMP', and the student was not enrolled at that college both Spring Semester and Summer Semester of the second year.
- Each student is reported as a Leaver exactly once, based on their home campus and major the last term enrolled during the two-year period.
- Each student is reported as a Graduate exactly once at the college level, once for each campus (so if a student received an award at more than once campus, he or she is counted once for each of those campuses), and once for each major (students are counted once for each award they received). So a sum of graduates by campus, or a count of graduates from the student details, will be more than the college's unduplicated total.
