Professional Development

"Providing trainings for faculty and staff to enhance knowledge and skills"

As a reminder, faculty are _required_ to complete 24 hours of professional development training each year; staff are required to complete 20.

A number of these slideshows have been reviewed and are now posted in the repository for your enjoyment. As other training becomes available they will be added to the repository.

This training can be found on the Professional Development link in the iNet system and allows employees to complete the training at their convenience.

Please call on me if you have any questions!
