

GALILEO Database Descriptions 2014

(All Databases Available to CGTC)

GALILEO Database Descriptions 2014

ALL Databases Alphabetically

1. **The 1936 Gainesville Tornado: Disaster and Recovery** provides online access to a historical 32½-minute film depicting the extensive damage from the severe multi-funnel tornado strike that devastated Gainesville, Georgia, on April 6, 1936. Included are an interactive map interface to film clips and related still photographs from the [Vanishing Georgia](#) and the Hall County Library System Historical Photograph Collection.

Coverage: 1936

Updated: Complete

2. **ABI/INFORM Archive (ProQuest)** contains a complete run of key business and management journals, providing a unique historical perspective on hundreds of topics, including corporate strategies, management techniques, marketing, product development and industry conditions worldwide, available in cover-to-cover full images, complete with illustrations and advertisements.

Coverage: 1905-1985 ; full-text included

- 3 **ABI/INFORM Complete (ProQuest)** is a comprehensive business database containing thousands of journals. The combination of products forms a business database package that offers full-text titles covering business and economic conditions, corporate strategies, management techniques, as well as competitive and product information. Its international coverage gives researchers a complete picture of companies and business trends around the world.

Coverage: 1971- ; full-text included

Updated: Weekly

4. **Academic Search Complete (EBSCOhost)** provides access to full text for more than 6,100 periodicals (5,100 of them peer-reviewed), and indexing and abstracting for more than 10,000 journals. Also included are over 500 reports, monographs, conference proceedings, and other materials, many in full text. This database gives access to searchable cited references from nearly 1,000 journals.

Coverage: 1887- ; full-text 1911-

Updated: Daily

GALILEO Database Descriptions 2014

5. **Accounting and Tax Database (ProQuest)** provides centralized access to top journals, reference reports, proceedings, dissertations and more, including over 2,300 publications with hundreds in full-text.

Coverage: 1971- ; full-text included

6. **Advanced Placement Source (EBSCOhost)** is designed to meet the needs of high school students enrolled in various AP courses. It contains more than 5,700 full-text journals and over 300,000 photos, maps and flags. Subject areas include mathematics; physics; chemistry; biology; computer science; human geography; psychology; economics & statistics; government & politics; environmental science; U.S., European and world history; the arts and music.

Coverage: 1985- ; full-text 1985-

7. **African American Funeral Programs from the East Central Georgia Regional Library** online collection consists of over one thousand funeral programs ranging from 1933 to 2008 (with the bulk of the collection beginning in the 1960s) from the Eula M. Ramsey Johnson Memorial Funeral Program Collection. A majority of the programs are from churches in Augusta, Georgia, and the surrounding area, with a few outliers in other states such as New York and Florida.

Coverage: 1933-2008

8. **AGRICOLA (EBSCOhost)** contains bibliographic records from the U.S. Department of Agriculture's National Agricultural Library and covers every major agricultural subject. The citations consist of journal articles, book chapters, monographs, theses, conference proceedings, serials, technical reports, patents, software, and other materials on a broad range of agricultural topics.

Coverage: 1970-
Updated: Monthly

9. **All About Birds (Cornell Lab of Ornithology)** is a website from the Cornell Lab of Ornithology that includes information about watching birds, learning their nesting behaviors, attracting birds, indentifying them, recording observations, and getting involved in bird conservation. The site includes guides, images, maps, sounds, videos, and much more. There is also a link to the Macaulay Library, an archive of animal sounds and videos.

GALILEO Database Descriptions 2014

10. **Alt HealthWatch (EBSCOhost)** focuses on multiple perspectives of complementary, holistic, and integrated approaches to health care and wellness. Full-text content comes from more than 180 international peer-reviewed and professional journals, magazines, reports, proceedings, and association and consumer newsletters, plus hundreds of pamphlets, booklets, special reports, original research, and book excerpts.

Coverage: 1984- ; full-text 1990-
Updated: Quarterly

11. **American Jurisprudence, Second Edition** is a modern comprehensive text statement of American law, State and Federal, completely revised and rewritten in the light of modern authorities and developments. The encyclopedia contains over 400 separate titles on a broad range of legal topics which, taken together, systematically describe the entire field of American legal doctrine. Documents available for each topic may include a summary, topic contents, each individual section of text, and a Correlation Table. Each topic is updated annually and any supplementary materials are included as part of the document updated. American Jurisprudence, Second Edition is available in [Campus Research](#) from Westlaw.

Full-text

12. **American Memory** from the Library of Congress is a gateway to the Library of Congress's vast resources of digitized American historical materials. Comprising more than 9 million items that document U.S. history and culture, American Memory is organized into more than 100 thematic collections based on their original format, their subject matter, or who first created, assembled, or donated them to the Library.
13. **American Memory Images** from the Library of Congress is a subset of the [American Memory](#) collection offering photographs and prints.
14. **American Museum of Natural History: Learn and Teach** – the Learn and Teach section of the American Museum of Natural History website is a collection of activities, interactive exhibits, programs for children and parents, educator guides, and more developed by the American Museum of Natural History for learners of all ages who are interested in exploring science. Topics include anthropology, astronomy, biology, earth science, and paleontology.

GALILEO Database Descriptions 2014

15. The **American Turpentine Farmers Association Minute Books, 1936-1999** provide the administrative record of the American Turpentine Farmers Association (ATFA), which was established in March of 1936. ATFA was formed to represent the interests of gum naval stores factors, producers, and dealers in the United States "turpentine belt" (Georgia, Alabama, Florida, South Carolina, North Carolina, Tennessee, Kentucky, Virginia, Mississippi, Louisiana, Texas). Activities of the American Turpentine Farmers Association (ATFA) document the interconnection of land use and environmental stewardship to the broader issues and policies of modern Georgia's rural development.

16. The **Ancestry Library Edition** collection has approximately 4,000 databases including key collections such as U.S. federal census images and indexes from 1790 to 1940; the Map Center containing more than 1,000 historical maps; American Genealogical Biographical Index (over 200 volumes), Daughters of the American Revolution Lineage (over 150 volumes), The Great Migration Begins: Immigrants to New England, 1620-1630, Social Security Death Index, WWI Draft Registration Cards, Federal Slave Narratives, and a strong Civil War collection. All materials may be searched at once (using a basic or advanced search screen), or various databases and indexes may be searched individually. **Not available outside the CGTC Campus.**

Coverage: historic & current
Updated: Ongoing

17. **Animal Kingdom (Encyclopaedia Britannica)** provides access to encyclopedia articles, images, and videos on topics related to animals and habitats. This resource is designed especially for intermediate readers at the elementary and early middle school levels. Learning materials and teacher's resources are included on the site.

Full-text

18. **Annals of American History (Encyclopædia Britannica)** includes the full text of primary documents in American history, including historical accounts, speeches, memoirs, poems, editorials, landmark court decisions, and cultural criticism. The resource also has multimedia files, including pictures and video and audio clips of famous speeches. This chronicle may be explored year by year using a timeline dating from 1493 to the present, browsed by author or topic, or searched by keyword.

Coverage Dates: 1493- ; full-text included

GALILEO Database Descriptions 2014

19. **Annual Reports of the Mayor of Savannah, Georgia, 1855-1917** include information on city activities, finances and ordinances, commercial statistics, health, death and illness statistics, trade, public schools, charitable institutions and weather. The documents also include reports of the City Attorney, the Police Department (including crime statistics), the City Engineer, the Fire Department (including statistics on fires and property losses), and the Board of Trade, among others.

Coverage: 1855-1917

20. **Archive Finder** brings together ArchivesUSA and the cumulative index to the National Inventory of Documentary Sources in the UK and Ireland (NIDS UK/Ireland) Archive Finder provides a current directory of over 5,500 repositories and more than 161,000 collections of primary source material across the United States and the finding aids to thousands of archive and manuscript collections in libraries and record offices, museums and private collections throughout the UK and Ireland. Researchers are able to read descriptions of a repository's holdings to determine whether a collection contains material useful to their work as well as find the information they need to contact the repository directly.

21. **ArchiveGrid** provides online access to nearly a million descriptions of archival collections owned by thousands of libraries, museums, historical societies and archives worldwide. ArchiveGrid is an important destination for searching for historical documents, personal papers and family histories held in archives.

22. **ArticleFirst** contains bibliographic citations that describe items listed on the table of contents pages of journals in science, technology, medicine, social science, business, the humanities, and popular culture. Each record describes one article, news story, letter, or other item. It is possible to search for and view both journals' tables of contents and individual article citations in ArticleFirst.

Coverage: 1990-

Updated: Daily

23. **Arts of the United States** contains over 4000 images of works important to the study of the history of art in the United States. The pieces, dating from the 17th century through the 20th, include architecture, decorative arts, painting, sculpture, graphic arts, photography, and stage and costume design as well as Native American art and artifacts. Although the majority of artists represented in the database are American, significant works created by non-native artists while in the United States are included.

GALILEO Database Descriptions 2014

24. **Asian Business and Reference (ProQuest)** provides detailed information on companies, economies, markets, and overall business conditions throughout the Eastern Hemisphere. A great deal of information on international trade is available as well.

Coverage: 1972-
Updated: Frequently

25. The **Athens Historic Newspapers Archive** provides online access to five newspaper titles published in Athens from 1827 to 1922. Consisting of over 57,000 newspaper pages, the archive provides historical images that are both full-text searchable and can be browsed by date.

Coverage: 1827-1922
Updated: Complete

26. The **Atlanta Historic Newspapers Archive** provides online access to fourteen newspaper titles published in Atlanta from 1847 to 1922. Consisting of over 67,000 newspaper pages, the archive provides historical images that are both full-text searchable and can be browsed by date.

Coverage: 1847-1922
Updated: Complete

27. The **Atlanta Journal Constitution (ProQuest)** through the ProQuest National Newspaper collection provides online access to the AJC from 1990 to the present.

Coverage: 1990- ; full-text included
Updated: Daily

28. **Atlanta Journal Constitution Online (AJC.com)** gives access to the current edition of the *Atlanta Journal Constitution* online.

29. The **Auburn Avenue Research Library Finding Aids** database consists of guides to archival and manuscript collections held by the Auburn Avenue Research Library on African-American Culture and History, a special library of the Atlanta-Fulton Public Library System. The library's primary source materials document the experiences of African-Americans in Atlanta, the Southeastern region, and throughout the nation.

Updated: in process

GALILEO Database Descriptions 2014

30. The **Automobile Repair Reference Center** database includes automotive repair information on most major manufacturers of domestic and imported vehicles, with repair information for many vintage makes starting as far back as 1945. New repair procedures, TSBs and updates are continually added to the product. All of the content in Auto Repair Reference Center has been created by ASE certified technicians.

Coverage: 1945 - ; full-text
Updated: Ongoing

31. **Baldy Editorial Cartoons: The Clifford H. Baldowski Collection at the Richard B. Russell Library** contains 6,740 pen and ink drawings and 2,460 velox. The digital database opens with approximately 2,500 cartoons from the collection.

Coverage: 1946-1997
Update: Ongoing

32. **Banking Information Source (ProQuest)** provides access to over 500 authoritative sources for financial services information. 360 of the sources are in full text.

Coverage: 1971- ; full-text included

33. **Barnard's Photographic Views of the Sherman Campaign, 1866** contains images of the 61 albumen prints found in early American photographer and member of the Matthew Brady studio, George N. Barnard's 1866 Photographic Views of Sherman's Campaign. The images were digitized from an 1866 Wynkoop & Hallenbeck edition owned by the Hargrett Rare Book and Manuscript Library, University of Georgia.

Coverage: circa 1866
Updated: Complete

GALILEO Database Descriptions 2014

34. **Beauty in Stone: The Industrial Films of the Georgia Marble Company** consists of two short industrial films made by the Georgia Marble Company in the 1950s-1960s. The first film, *New Face on Capitol Hill*, depicts Georgia Marble Company's role in the reconstruction of the east façade of the U.S. Capitol building prior to John F. Kennedy's inauguration. The second film, *Producing America's Buried Treasures*, focuses more closely on the company's overall history, its quarrying and finishing facilities in Georgia, Tennessee and Vermont, and the breadth of applications for Georgia marble products and related limestone and serpentine industries in Alabama and Virginia.

Coverage: 1950/1969

Updated: Complete

35. **Bepress Digital Commons** is a database of full-text, open access scholarship that is curated by university librarians and their supporting institutions, representing thousands of disciplines and subject areas from architecture to zoology. It includes scholarship from hundreds of universities and colleges, including peer-reviewed journal articles, book chapters, dissertations, working papers, conference proceedings, and other original scholarly work.

36. The **Bibliography of the History of Art (BHA)** is the world's most comprehensive bibliography of scholarly writing about the history of western art. BHA includes articles from over 1,200 journals. BHA includes all articles within the subject scope of BHA regardless of the subject focus of a particular journal. Thus, many of the journals on this list are covered partially, as only some of their articles are within BHA's scope.

Coverage: 1975-2009

Updated: Complete

37. **Biographies (Encyclopaedia Britannica)** provides access to hundreds of biographies on famous historical and contemporary figures from around the world.

Coverage: Current edition ; full-text included

Updated: Ongoing

38. **Biology: the eSkeletons Project** is a website with digitized images and animations of human and primate skeletons for the study of comparative anatomy. Students can view regions of skeletons from any orientation as well as muscle and joint information. Browser plugins may be required for optimal viewing.

GALILEO Database Descriptions 2014

39. **The Blues, Black Vaudeville, and the Silver Screen, 1912-1930s: Selections From the Records of Macon's Douglass Theatre** consists of selected correspondence, financial records, contracts, and advertising materials from the theater's records found in the Charles Henry Douglass, Jr. business records at the Middle Georgia Archives, which document the amusements available to Macon's African American population, and the business dealings of this African American entrepreneur from 1912 to the 1930s.

Coverage: 1912-1939

Updated: in process

40. **Book Collection: Nonfiction (EBSCOhost)** is a cross-curricular research database that contains abstracts and searchable full text for more than 4,000 popular nonfiction books for youth on core subject areas, as well as information on careers, health, sports, adventure, technology, life skills, and more.

41. **Britannica Elementary (Encyclopaedia Britannica)** is designed especially for intermediate readers at the elementary and early middle school levels. Thousands of shorter articles cover subjects for school and fun, from nations of the world to animals and sports. Features include a world atlas, timeline, feature of the day, animal of the day, and topic browse. Learning materials and teacher's resources are included on the site.

Coverage: Current file ; full-text included

Updated: Daily

42. **Britannica Learning Zone (Encyclopaedia Britannica)** is designed specifically for young learners. Students will find engaging and developmentally-appropriate activities including an interactive atlas, learning games, engaging audio and video, and effective vocabulary builders. The Britannica Learning Zone teaches concepts such as geography, time, shapes, numbers, and reinforces relevant vocabulary, all in a fun and safe online environment. There is also an area where students can demonstrate their creativity and practice what they've learned.

Coverage: Current file ; full-text included

Updated: Daily

GALILEO Database Descriptions 2014

43. **Business Source Complete (EBSCOhost)** is a scholarly business database that provides full-text access to many peer-reviewed business related journals, including disciplines such as marketing, management, MIS, POM, accounting, finance and economics. Indexing and abstracts for many important scholarly business journals as far back as 1886 are included. Additional full-text, non-journal content includes financial data, books, monographs, major reference works, conference proceedings, case studies, investment research reports, industry reports, market research reports, country reports, company profiles, SWOT analyses and more.

Coverage: 1941- ; full-text 1941-

Updated: Daily

44. **Business Source Complete (Business Searching Interface) (EBSCOhost)** provides users with an alternative searching and browsing interface to the traditional EBSCOhost version of **Business Source Complete**. Aside from the ability to search and browse for articles in business journals, the Business Searching Interface allows for easy browsing of supplementary content.

Coverage: 1941-; full-text 1941-

Updated: Daily

45. The **C-SPAN Video Library** includes over 160,000 hours of coverage of C-SPAN programs since 1987. The C-SPAN Archives, which records, indexes, and archives all C-SPAN programming for historical, educational, research, and archival uses, records all three C-SPAN networks seven days a week, twenty-four hours a day. Programs are indexed by subject, speaker names, titles, affiliations, sponsors, committees, categories, formats, policy groups, keywords, and location. The congressional sessions and committee hearings are indexed by person with full-text.

Coverage: 1987-

Updated: Ongoing

46. **CAMIO (Catalog of Art Museum Images Online)** provides online access to high-quality art images from around the world contributed and described by leading museums, all rights-cleared for educational use. Every work in CAMIO is represented by at least one high-resolution image and a description. Many have additional views of the work, sound, video and curatorial notes.

GALILEO Database Descriptions 2014

47. **Career & Technical Education (ProQuest)** contains several hundred titles, all in full text. Subjects include automobile, electronic, and computer technology; the building trades; graphic arts; medicine, nursing, and pharmacy; child care; food service and hotel management; office skills; veterinary technology; retail work; public safety; and other practical studies.

Coverage: 1975- ; full-text included
Updated: Daily

48. **Career Resources Education Network (The Fun Works)** is a website with career information for students. The information about each career includes "cool facts," examples of people in that career, related internet resources, and activities and education to prepare students for that career. There is a Teachers and Instructors section of the site with lesson plans, activities, and other career counseling resources that requires a free registration.

49. The **Catalog of United States Government Publications (GPO Access)** provides access to electronic and print publications from the legislative, executive, and judicial branches of the U.S. government. It contains descriptive records for the publications as well as links to the online versions when possible.

Coverage: July 1976-November 2011
Updated: Complete

50. **Catalogue of the trustees, officers, alumni and matriculates of the University of Georgia** contains a wealth of biographical information about the men associated with more than 100 years of the institution's history. Officers and faculty of the University are listed in the first 16 pages of the Catalogue, followed by graduates and matriculates arranged by class. To find the class year of an individual, check under their name in the student index beginning on page 209. A listing of honorary degrees granted will be found on page 204.

Coverage: 1785-1906
Updated: Complete

51. **CDC (Centers for Disease Control and Prevention)** website offers a variety of options for researching current health issues including up-to-date information on current diseases and illnesses, vaccine information, general health information, safety, and wellness. Information is available not only for consumers, but for health care professionals as well. Access to statistical data and CDC publications is available.

GALILEO Database Descriptions 2014

52. **Census Data** links to the census data maintained by the U.S. Census Bureau. The U.S. Census Bureau offers the most comprehensive demographic data for the United States. The site includes information and statistics on the nation's population, housing, business and manufacturing activity, international trade, farming, and state and local governments.
53. The **Chemical Education Digital Library (ChemEd DL)** is a storehouse of tested digital resources for education in the chemical sciences. Through collaborations with individuals and through its communities, ChemEd DL strives to provide the best of what chemical education has to offer. Teachers and students are encouraged to find, use, classify, contribute, and evaluate ChemEd DL resources in support of teaching and learning.
54. **Christian Science Monitor** is included in the ProQuest Newspapers database but can be searched as a separate resource. To browse *Christian Science Monitor* issue by issue, click on the Publications link then select the year and issue.

Coverage: 1988- ; full-text included
Updated: Daily

55. **CINAHL (EBSCOhost)** provides indexing for 2,928 journals from the fields of nursing and allied health. The database contains more than 1,000,000 records dating back to 1981, including complete coverage of English-language nursing journals and publications from the National League for Nursing and the American Nurses' Association. Searchable cited references for more than 1,200 journals are also included. Full text material includes 72 journals plus legal cases, clinical innovations, critical paths, drug records, research instruments and clinical trials.

Coverage: 1976-
Updated: Weekly

56. **CINAHL with Full Text (EBSCOhost)** provides access to full text for more than 600 journals indexed in CINAHL and indexing for 2,928 journals from the fields of nursing and allied health. Other full text material includes legal cases, clinical innovations, critical paths, drug records, research instruments and clinical trials.

Coverage: 1976- ; full text 1981-
Updated: Weekly

GALILEO Database Descriptions 2014

57. The **Civil Rights Digital Library (CRDL)** promotes an enhanced understanding of the Civil Rights Movement through its three principal components: a digital video archive delivering 30 hours of historical news film allowing learners to be nearly eyewitnesses to key events of the Civil Rights Movement; a civil rights portal providing a seamless virtual library on the Civil Rights Movement by aggregating metadata from 75 libraries and allied organizations from across the nation; and instructional materials to facilitate the use of the video content in the learning process.

Coverage: 1964-1970

Updated: Ongoing

58. **Civil Unrest in Camilla, Georgia, 1868 Collection** consists of letters, affidavits, and reports relating to a violent episode in Camilla, Georgia when freedmen, together with Republicans W.P. Pierce, John Murphy and F.F. Putney attempted to hold a political rally, and were met with opposition from the white townspeople of Camilla.

Coverage: 1868

Update: Complete

59. **Civil War in the American South** provides a central portal to access digital collections from the Civil War Era (1850-1865) held by members of the **Association of Southeastern Research Libraries (ASERL)**. ASERL members hold deep and extensive collections documenting the history and culture of the American South, developed over hundreds of years to support scholarly research and teaching. Many of the special or unique manuscripts, photographs, books, newspapers, broadsides, and other materials have been digitized to provide broader access to these documents for scholars and students around the world.

Coverage: 1850-1865

60. **ClasePeriodica** is an index of Latin American journals in the sciences and humanities compiled by the Universidad Nacional Autónoma de México. This resource combines two databases:

CLASE (Citas Latinoamericanas en Ciencias Sociales y Humanidades) includes more than 198,000 references in the humanities and social sciences, selected from more than 1,200 journals and other materials published in Latin American and Caribbean countries. The database covers topics such as accounting, anthropology, the arts, business administration, library and information science, communications, demographics, economics, education, sociology, law, political science, linguistics, management, history, philosophy, and literature.

GALILEO Database Descriptions 2014

PERIÓDICA (Índice de Revistas Latinoamericanas en Ciencias) includes more than 204,000 citations to articles and other documents from over 1,400 Latin American and Caribbean scientific and technological journals. Among the subjects covered are agricultural sciences, biology, physics, geosciences, engineering, medicine, and chemistry.

Coverage: 1975-
Updated: Quarterly

61. The **Columbus Enquirer Archive** provides online access to early issues of the *Columbus Enquirer* ranging from its inception as a weekly newspaper in 1828, through the daily issues of the late nineteenth century. Consisting of over 30,000 newspaper pages, the archive provides historical images that are both full-text searchable and can be browsed by date.

Coverage: 1828-1890
Updated: Complete

62. **Columbus Public Library Association Minutes, 1881-1883** provides online access to early handwritten minutes of the Columbus Public Library Association, documenting the origin and initial development of the Columbus Public Library, later to become today's Chattahoochee Valley Regional Library System. The online content presents 144 pages of minutes, providing historic page images with full transcriptions, and offering full-text searching as well as browsing by date.

Coverage: 1881-1883
Updated: Complete

63. **Community Art in Atlanta, 1977-1987: Jim Alexander's Photographs of the Neighborhood Arts Center from the Auburn Avenue Research Library** consists of fifty-five documentary photographs of the Neighborhood Arts Center (1975-1989) that capture significant African American- centered cultural and community events in and around the Atlanta-based organization, a brainchild of the late mayor Maynard Jackson. Taken by photographer, community activist, and Neighborhood Arts Center staff member Jim Alexander, these photographs demonstrate the Center's service commitment and its promotion of urban community arts. The site also contains a biography of Alexander, a brief history and chronology of the Neighborhood Arts Center, suggested readings, and a list of related links.

Coverage: 1970-1982
Updated: in process

GALILEO Database Descriptions 2014

64. **Compton's (Encyclopaedia Britannica)** is designed especially for middle school students. Searching in this database retrieves encyclopedia articles, web sites, videos, and articles from magazines. Features include a world atlas, timeline, feature of the day, and an A-Z topic browse. Learning materials and teacher resources linked from the site include interactive lessons, study guides, and exercises that can help students review concepts taught in the classroom.

Coverage: Current file ; full-text included
Updated: Daily

65. **Computer Science Index (CSI) (EBSCOhost)** offers abstracting and indexing of more than 670 academic journals, professional publications, and other reference sources at scholarly and technical levels of computer science, with coverage going back to the mid 1960s. Includes searchable cited references for key academic journals and editor-selected articles from magazine and journal titles in related areas of study.

Coverage: 1965-

66. **Computer Source (EBSCOhost)** provides the latest information and current trends in high technology. This database features over 300 full-text periodicals covering market information in computers, telecommunications, electronics, the Internet, and other areas of interest from technical journals and consumer interest titles.

Coverage: 1965- ; full-text included
Updated: Daily

67. **Computing (ProQuest)** is a resource for those who need access to comprehensive coverage of computer topics. The database includes over 430 titles, with over 350 available in full text.

Coverage: 1990- ; full-text included

68. **Consumer Health Complete (EBSCOhost)** is a comprehensive resource for consumer-oriented health content, including full text from many health reference books and encyclopedias and thousands of health reports as well as physician-generated videos and hundreds of medical images and diagrams. CHC provides content covering all areas of health and wellness from mainstream medicine to the many perspectives of complementary, holistic, and integrated medicine.

Coverage: 1992- ; full-text included

GALILEO Database Descriptions 2014

69. **ConsumerEd.com** was created by the Governor's Office of Consumer Affairs to help Georgians be more informed consumers by learning to make wise purchasing and financial decisions, knowing their rights, and avoiding becoming victims of scams or deceptive practices in the marketplace. The site also features current consumer news, financial calculators, and the option to join a Consumer Alert email list to receive monthly consumer news.

70. The **Cornelius C. Platter Civil War Diary, 1864-1865** of Lt. (later Capt.) Cornelius C. Platter, of the 81st Ohio Infantry Volunteers, covers November, 1864 - April 27, 1865. Platter's diary details Sherman's march through Georgia from Rome to Savannah and the march north through the Carolinas. He gives dates, times, and lengths of marches and describes the weather, locale, scenery, and food as well as orders, rumors, positions, troop morale, and administrative duties. The diary also includes a description of the burning of Columbia, South Carolina, the news of the Confederate surrender, and the assassination of Abraham Lincoln.

Coverage: 1864-1865

Updated: Complete

71. The **Country Comparisons (Encyclopaedia Britannica)** tool allows users to compare maps, flags, statistics, events and multimedia about any two countries in the world.

72. **Credo Reference** features authoritative, aggregated content from over 150 reference books and 35 publishers, with 1.7 million entries covering such subjects as medicine, art, technology and more.

Full-text

73. **Criminology: A SAGE Full-Text Collection** includes the full-text of journals published by SAGE and participating societies. It covers such subjects as Criminal Justice, Juvenile Delinquency, Juvenile Justice, Corrections, Penology, Policing, Forensic Psychology, and Family and Domestic Violence.

Full-text

74. **Cyrus F. Jenkins Civil War Diary, 1861 - 1862**, chronicles Cyrus Franklin Jenkins' experiences as an enlisted man in the Meriwether Volunteers, Company B, 13th Georgia Infantry Regiment, during June 1861 to March 1862. Jenkins describes the early euphoria of the war and the regiment's campaigns in western Virginia as part of Floyd's Brigade and in Savannah in Lawton's Brigade. The regiment took part in skirmishes at Sewell Mountain, Laurel Hill, and Whitemarsh Island. While traveling, Jenkins

GALILEO Database Descriptions 2014

also remarks on the changing scenery he encounters. Additionally, his account of camp life highlights the medical care available to Confederate soldiers. Jenkins was killed at Spotsylvania, Virginia, on May 12, 1864.

Coverage Dates: 1861-1862

Updated: In process

75. **Digital Library of Georgia** is a virtual collection of digitized books, newspapers, images, manuscripts and media with an emphasis on material important to the history and culture of the state of Georgia. Many of the materials are from the special collections of GALILEO member institutions.

76. **Discover America** from Compton's by Encyclopaedia Britannica provides access to statistics and summary information for every state.

Coverage: Current file

Updated: Daily

77. **Discover Canada** from Compton's by Encyclopaedia Britannica provides access to statistics and summary information for Canada and its provinces.

Coverage: Current file

Updated: Daily

78. **Discover Mexico** from Compton's by Encyclopaedia Britannica provides access to statistics and summary information for Mexico and its states.

Coverage: Current file

Updated: Daily

79. **Discover Our World** from Compton's by Encyclopaedia Britannica provides access to statistics and summary information for countries of the world.

Coverage: Current file

Updated: Daily

80. **DOE Green Energy** is a gateway to green energy results from thousands of DOE-sponsored research and development projects. DOE Green Energy is a portal to information about various forms of green energy, including solar, wind, bioenergy, and others. This free search of green energy DOE technical report literature, green energy patent information, and much more is provided by the [U.S. Department of Energy Office of Scientific and Technical Information](#).

GALILEO Database Descriptions 2014

81. **E-Books Index (FirstSearch)** includes records for more than 1.9 million eBooks cataloged by OCLC member libraries. Key features include links to full-text content: Users can access web links to full-text eBook collections licensed by their libraries and free resources available in the public domain from education, government, and commercial web sites.

Coverage: All catalogued e-books to present

Updated: Daily

82. **eBooks at EBSCOhost** provides access to electronic books (eBooks), including reference books, scholarly monographs, publications of many university presses, and consumer books that have been converted into digital format. It is possible to perform full-text searches of a single eBook, search thousands of volumes simultaneously, browse topic categories, and read eBooks directly online.

Full-text

83. **EBSCO Databases** lists all common GALILEO EBSCO databases. Databases on the EBSCOhost platform/interface can be searched simultaneously from the EBSCOhost interface. Select the "Choose Databases" tab within the EBSCOhost interface to select multiple databases to search.

84. **EBSCO Images** consists of over 100,000 images from Academic Search Premier, Academic Search Elite, MasterFILE Premier, and Middle Search Plus. The images consist of a wide array of photos and maps, with an emphasis on world news and events. Other areas of coverage include contemporary and historical photos of people, places, and the natural kingdom.

85. **EBSCOhost Español** Spanish-language interface to EBSCOhost databases.

86. **EBSCOhost Search** Simultaneous searching of over 40 EBSCOhost databases in GALILEO.

Full-text

87. **Economía y Negocios (EBSCOhost)** is a bibliographic database for the areas of business and economics and is a result of a collaborative effort between EBSCO Publishing and ESAN (Escuela de Administración de Negocios para Graduados). Search functionality is enhanced through the incorporation of author keywords supplied in Spanish and English. More than 60,000 records, dating back to the early 1980s, provide coverage for more than 300 Spanish and Portuguese-language periodicals published in

GALILEO Database Descriptions 2014

Argentina, Brazil, Chile, Colombia, Spain, the United States and elsewhere. Titles include *Revista de la CEPAL*, *Revista de Administração*, *Estudios Empresariales*, and *Agroeconómico*.

Coverage: 1980-

88. **Education Journals (ProQuest)** gives users access to over 750 top educational publications, including more than 600 of the titles in full text. ProQuest Education Journals covers not only the literature on primary, secondary, and higher education but also special education, home schooling, adult education, and hundreds of related topics.

Coverage: 1991- ; full-text included

89. **Electronic Theses and Dissertations (University of Georgia)** is a collection of the theses and dissertations submitted electronically to the Graduate School at the University of Georgia since the summer of 1999. All dissertations are included, although some may not be viewable from off campus. The record for an individual document is always viewable, and will indicate the availability of the document. The author of a dissertation or thesis, in conjunction with his or her major professor, makes the determination if the work will be publicly available.

Coverage: Summer 1999-

Updated: Ongoing

90. **Enciclopedia Moderna**, part of Spanish Reference Center, includes thousands of encyclopedia articles and images. In addition to encyclopedia content, the resource includes a dictionary, atlas, and timelines. Enciclopedia Moderna is an appropriate resource for native Spanish speakers, bilingual students, and students learning Spanish.

Coverage: Current file

Updated: Ongoing

91. **Encyclopaedia Britannica Online** includes the complete encyclopedia, as well as thousands of articles not found in the print edition, the *Merriam-Webster's Collegiate Dictionary and Thesaurus*, the *Britannica Student Encyclopedia*, and recent yearbooks. The database also includes an extensive World Atlas linking users to maps, flags, statistics, and more for many countries. The Web Sites section in each article includes links to related Web sites, selected for content by Britannica editors.

Coverage: Current edition ; full-text

Updates: Ongoing

GALILEO Database Descriptions 2014

92. ***Encyclopædia Britannica Online High School*** provides teachers and students access to the complete *Encyclopædia Britannica* in an interface that provides links to learning materials and teachers' resources. Other features include a "Biography of the Day," "This Day in History," and a news feed from the *New York Times*.

Coverage: Current file
Updated: Daily

93. ***Encyclopædia Britannica Online Reference Center*** includes four complete encyclopedias accessed through an interface designed specifically for a public library audience. The encyclopedias include: *Encyclopædia Britannica*, *Compton's by Britannica*, *Britannica Elementary Encyclopedia*, and *Britannica Concise Encyclopedia*

Coverage: Current ; ; full-text included
Updated: Daily

94. ***Encyclopaedia Britannica Online School Edition*** provides K-12 teachers and students access to three complete encyclopedias that ensure consistency with classroom topics and age-appropriate language. The encyclopedias include: *Encyclopædia Britannica Online High School*, *Compton's by Britannica*, and *Britannica Elementary*

Coverage: Current file
Updated: Daily

95. ***Environment Complete (EBSCOhost)*** offers coverage in the areas of agriculture, ecosystem ecology, energy, renewable energy sources, natural resources, marine & freshwater science, geography, pollution & waste management, environmental technology, environmental law, public policy, social impacts, urban planning, and more. This database contains more than 1,957,000 records from more than 1,700 domestic and international titles going back to the 1940s (including 1,125 active core titles) as well as more than 120 monographs. The database also contains full text for more than 680 journals, including many of the most used journals in the discipline.

Coverage: 1902- ; full-text included

GALILEO Database Descriptions 2014

96. **ERIC (EBSCOhost)**, Educational Resources Information Center, database covers all aspects of education and educational research and includes abstracts of published and unpublished sources on thousands of educational topics. It corresponds to the printed indexes of *RIE (Resources in Education)* and *CIJE (Current Index to Journals in Education)*. This database is produced by the Office of Educational Research and Improvement (OERI), U.S. Department of Education. The EBSCOhost version of the ERIC database includes the searchable *Thesaurus of ERIC Descriptors*. The EBSCOhost version of ERIC is updated quarterly; to see citations of articles and documents added since the last update (but not the full text) go to [Department of Education's ERIC web site](#).

Coverage: 1966-
Updated: Quarterly

97. **ERIC (Education Resources Information Center) at www.eric.gov**, sponsored by the Institute of Education Sciences (IES) of the U.S. Department of Education, covers all aspects of education and educational research and includes abstracts of published and unpublished sources on thousands of educational topics. The ERIC online system provides the public with a centralized ERIC web site for searching the ERIC bibliographic database of more than 1.1 million citations going back to 1966. More than 107,000 full-text non-journal documents (issued 1993-2004), previously available through fee-based services only, are now available for free. The ERIC web site includes newer citations that may not be available yet in licensed offerings of the database.

Coverage: 1966- ; full-text included

98. **Escolar Online (Encyclopaedia Britannica)**, part of Spanish Reference Center from *Encyclopædia Britannica*, is an online learning platform in Spanish for ages 6-12. Students enrich their learning through interactive games, searches, videos, multimedia, maps, and more.

Coverage: Current file
Updated: Ongoing

99. **European Business (ProQuest)** provides in-depth coverage of one of the world's most important areas of economic activity. Full-text, fully searchable articles are available from more than 110 leading titles, including *The Economist*, *Fortune*, and *European Business Journal*. The database also includes information on specific economic and market conditions in countries and regions throughout Europe.

Full-text included

GALILEO Database Descriptions 2014

100. **Extended Play Video Collection (*Encyclopaedia Britannica*)** provides access to full-length education videos in the science, history, world studies, and arts

Coverage: Current edition

Updated: Ongoing

101. **FDsys (GPO's Federal Digital System)** provides public access to government information submitted by Congress and federal agencies and preserved as technology changes.

102. **Films on Demand** is a digital video service that allows you view streaming videos at any time from a collection of 10,000 titles in Humanities & Social Sciences, Business & Economics, Health, Science, Technical Education, Family and Consumer Sciences, and Careers and Job Search.

Audio-video full text.

103. **For Our Mutual Benefit: The Atlanta Woman's Club and Social Reform, 1899-1920** consists of two minute books, covering the years 1899-1920, from the Athens Woman's Club collection housed in the Heritage Room of the Athens-Clarke County Library. The minutes provide a detailed record of the educational, social, philanthropic and reform activities of the Athens Woman's Club during the height of the Progressive Era and document the relationships between the Athens Woman's Club and various other organizations.

Coverage: 1899-1920

Updated: ongoing

GALILEO Database Descriptions 2014

110. **Georgia Administrative Rules and Regulations** is an electronic version of the Rules and Regulations of the State of Georgia.

NOTE: A compilation of the rules and regulations of state agencies that have been filed with the Office of Secretary of State pursuant to the Georgia Administrative Procedures Act, O.C.G.A. § 50-13-1 et seq. The electronic version of the Rules and Regulations on this website should not be regarded as the official copy.

Coverage: Current file
Updated: Monthly

111. **Georgia Aerial Photographs** provides online access to approximately 50,000 black and white aerial photographs and indexes of forty-seven counties from the state of Georgia. The photographs and indexes, produced from 1938 to the 1980s by the U.S. Dept. of Agriculture's Agricultural Stabilization and Conservation Service (ASCS) and the U.S. Geological Survey, are part of the University of Georgia's Map Library's collection.

Coverage: 1938-1989

112. The **Georgia Attorney General's Office** maintains a web site of information on its staff, history, mission, organization, etc. The site also provides the ability to search the opinions of the Attorney General (1994-present).

Coverage: 1994-
Updated: Ongoing

113. **Georgia Cases (Campus Research from Westlaw)** contains documents from the Georgia state courts from 1846 to date, including Georgia Reports [Ga.], Southeastern Reporter [S.E.] and Southeastern Reporter, 2nd Series [S.E.2d]. Documents include those of the Georgia Supreme Court from 1846 and the Georgia Court of Appeals from 1906.

Coverage: 1846- ; full-text

114. **Georgia Census Data** focuses on the Census Data for Georgia collected and maintained by the **U.S. Census Bureau**. Data can be limited to a specific county or city.

115. The **Georgia Code**, hosted by LexisNexis, is the compilation of the laws of the state of Georgia that are currently in force. The database is searchable by keyword and by code number.

Update Frequency: Ongoing ; full-text

GALILEO Database Descriptions 2014

116. **Georgia Corporate Search** lists all organizations or individuals licensed for business by the Georgia Secretary of State. Information provided for each license holder includes: address, chief executive officer, secretary, and chief financial officer.

Coverage: Current file
Updated: Ongoing

117. **Georgia Department of Archives and History** maintains a web site of information on its organization, collections and services. The Archives collects, manages, preserves, and makes available the official records of Georgia from 1732 to the present. In addition, it collects private manuscripts and photographs which complement existing archival holdings. Links to online publications, finding aids and other web sites related to Georgia history and genealogy are provided.

Coverage: 1732-
Updated: Ongoing

118. The **Georgia Department of Education** website provides access to information about K-12 public education in the State of Georgia. Links to listings of schools, state curriculum and standards, contact information, as well as information about the department can all be found on the site.

Coverage: Current file
Updated: Ongoing

119. **Georgia General Assembly Legislative Search** provides access to both Georgia House and Senate bills. The database is searchable by keyword, bill number, code section, authors, co-signers, and committee sponsors. Also provided are the governor's budget and committee meeting schedules.

Updated: Ongoing

120. The **Georgia Government Publications** database makes available public documents of agencies within the Georgia state government. Coverage encompasses audit reports, budget documents, monographs, newsletters, periodicals and serials from agencies including agriculture, arts, community affairs, courts, education, human resources, industry and trade, labor, legislature, natural resources and recreation.

Coverage: 1994 -
Updated: Daily

GALILEO Database Descriptions 2014

121. The **Georgia Historic Books** database contains full-text, fully searchable books related to Georgia's history and culture. Most are from the 19th to early 20th century and focus on Georgia history, biography, and literature.

Coverage: 19th & 20th century

Updated: Ongoing

122. The **Georgia Historic Newspapers** database is an outgrowth of the Georgia Newspaper Project managed by the University of Georgia Libraries. Since the early 1950s, the UGA Libraries have made a systematic effort to identify and obtain copies of every newspaper ever published in Georgia and to preserve these valuable historical resources on microfilm. The goal of the Georgia Historic Newspapers database is to convert every Georgia newspaper to digital format and to make this resource available free of charge as a searchable text database.

Updated: Ongoing

123. **Georgia History Ebooks (University of Georgia Press)** includes early and seminal works on Georgia's history and culture, many published in the 1950s and 1960s that have long been out of print. Users also have the option of ordering print copies of these titles from the University of Georgia Press. Books in the University of Georgia Press History Ebook Project will be of interest to two main groups: historians and general readers of Georgia history.

Coverage: 1950s-1960s

124. **GeorgialInfo** is an extensive Web online resource about Georgia. Its development was motivated by the conviction that such information, which can now be readily accessed by Georgians in every county, could help citizens and public officials of the state become better informed in order to identify new resources and make decisions to improve the quality of life in their communities.

Updated: Ongoing

125. **Georgia Legislative Documents** provide access to legislative resources. The database currently contains the Acts of the General Assembly of the State of Georgia for the years 1799-1999, with a few gaps. The Acts are the actual text of the laws and resolutions as they were voted upon by the General Assembly. The text as published in the Acts is different from the text published in the Georgia Code. The Journals outline the passage of bills and resolutions through each chamber of the General Assembly. The House of Representatives Journals to be included in the database were

GALILEO Database Descriptions 2014

published 1781-1995; the Senate Journals to be included were published 1789-1995.

Coverage: 1799-1999

126. **Georgia Library Catalogs** Links to online catalogs for the University System, private academic, public and other libraries.
127. The **Georgia Newspaper Directory** provides links to the current edition newspapers from across the state of Georgia. Links to major metropolitan papers, as well as, alternative, non-daily, business, college/university, and specialty newspapers are provided.
128. The **Georgia Official and Statistical Register**, published from 1923-1990 by the Georgia Department of Archives and History, is commonly known as the Georgia Blue Book. Considered an important reference work for historical research, the Register covers Georgia's executive, legislative, and judicial branches of government, providing biographical sketches of elected and other state officials. Georgia members of U.S. Congress and federal judges are included, as are county officials and regents of the university system. The Blue Books contain election returns, basic reference data on Georgia counties, and Georgia miscellany, such as the state flag, state flower, state song, rosters of governors, etc.

Coverage: 1923-1990

129. The **Georgia Public Library Services** website provides access to information about public libraries across the state of Georgia for librarians, public library patrons, kids, and trustees. From the website, you can get the latest news and information, download publications and forms, and access tools and resources related to providing quality library services to Georgia citizens of all ages.

Coverage: Ongoing

130. **Georgia State Agencies, Councils and Commissions** provides links to web sites maintained by many state agencies.

Updated: Ongoing

131. The **Georgia State Fair, Macon, 1886-1960** black-and-white photographs from the Georgia State Fair records held by the Middle Georgia Archives at the Macon-Bibb County Public Libraries. These photographs document the evolution of the state fair in Macon from 1886 until 1960.

Coverage: 1886-1960

GALILEO Database Descriptions 2014

132. **Georgia State University Electronic Theses and Dissertations Database** is a collection of original work by students of Georgia State University in partial fulfillment of the requirements for graduate degrees. Some documents are available online; the record for an individual document is always viewable, and will indicate the availability of the document.

Coverage: 2004-
Updated: Ongoing

133. **Georgia Stories** supports the Georgia Social Studies curriculum for 8th grade students. The site is coordinated with the series *Georgia Stories* produced by Georgia Public Broadcasting Education. The site contains many educational resources for each potential study topic. There are a total of 107 Georgia Stories video segments, and each one is linked to a specific Georgia Performance Standard. This is to aid educators who need to teach state-mandated topics in Georgia history.

Updated: Ongoing

134. **Georgia Tech Theses and Dissertations** is a collection of original work by students of the Georgia Institute of Technology in partial fulfillment of the requirements for the degree of Doctor of Philosophy or a Master of Science. Included in the database are Georgia Tech documents available from 2003-present and Institute of Paper Science and Technology documents available from 1931-2004. Some documents are available online; the record for an individual document is always viewable, and will indicate the availability of the document.

Coverage: 2003-
Updated: Ongoing

135. **Georgia.gov** is the online connection to the State of Georgia. It provides access to information on the many services and programs available in Georgia. In addition to legislative and government agency information, there are links to resources for travel information about the state, local and regional government, and the governor's office.

136. **GIL Universal Catalog** is a single database that combines the information from the individual library collections of the University System of Georgia's 35 member institutions and the State of Georgia Archives. This database allows users to search 36 library catalogs simultaneously, expanding access to over nine million volumes.

GALILEO Database Descriptions 2014

137. **Global Reference Center (*Encyclopaedia Britannica*)** is a collection of foreign language content linking to encyclopedia and reference resources in Spanish, Japanese, Korean, Simplified Chinese, and French. Content includes global coverage of art, geography, history, politics, science, sports, technology, and more. Each site also contains additional local content, including culture, history, and traditions, specific to each product. Photographs, maps, and other images accompany the text, helping to engage readers, both native speakers and students of foreign languages.

Coverage: Current edition

Updated: Ongoing

138. **Google** is a generalized Internet search engine.
139. **Google (Version en Espanol)** is the Google search engine with a Spanish-language interface.
140. **Google News: U.S.** provides headlines and links to stories from many U.S. news sources.
141. **Google News: World** provides headlines and links to stories from many news sources worldwide.
142. **Google Scholar** enables you to search specifically for scholarly literature, including peer-reviewed papers, theses, books, preprints, abstracts and technical reports from all broad areas of research. Use Google Scholar to find articles from a wide variety of academic publishers, professional societies, preprint repositories and universities, as well as scholarly articles available across the web.
143. **GPO Monthly Catalog** covers all types of U.S. government documents, including Congressional reports, hearings, debates, and records; judiciary materials; and documents issued by executive departments (Defense, State, Labor, Office of the President, etc.).

Coverage: July 1976 –

Update: Monthly

GALILEO Database Descriptions 2014

144. **GreenFILE** indexes scholarly and general interest titles, as well as government documents and reports. The database contains nearly 300,000 records, full text for a few selected titles, and searchable cited references for more than 200 titles. Topics covered include global climate change, green building, pollution, sustainable agriculture, renewable energy, recycling, and more.

Coverage: 1913- ; full text 1999-
Updated: Monthly

145. **Health Source: Nursing / Academic Edition (EBSCOhost)** provides over 500 scholarly full-text journals focusing on nursing, allied health fields, and many medical disciplines as well as abstracts and indexing for over 550 journals. Also included are patient education sheets from the *Lexi-PAL Drug Guide*.

Coverage: 1958- ; full-text included
Updated: Quarterly

146. **Historic Architecture and Landscapes of Georgia: The Hubert Bond Owens and John Linley Image Collections at the Owens Library** contains about 1500 images of important and representative architectural sites and landscapes in the state with an emphasis on Athens and Middle Georgia. The collections, held at the Owens Library in the College of Environment and Design at the University of Georgia, consist of color slides and black and white photographs taken from the 1940s through the 1980s by Owens and Linley.

147. The **Historical Broadsides** database serves as a finding aid for broadsides held at the Hargrett Rare Book & Manuscript Library at the University of Georgia and provides digital versions of most broadsides. The images provided are the property of the Hargrett Library. They may be used for personal study and instruction, but other uses require permission of the Library. A broadside is a sheet of paper generally printed on one side only and typically used as a poster to announce some event, proclamation or other matter. [The Hargrett Rare Book & Manuscript Library](#) at the [University of Georgia Libraries](#) holds a collection of more than 2,000 historical broadsides dated 1746-1980s.

Coverage: 1746-1980s

148. **History of the University of Georgia by Thomas Walter Reed** provides a monumental history of the University by Thomas Walter Reed.

Coverage: 1830-1947
Updated: Complete

GALILEO Database Descriptions 2014

- 149. History Reference Center (EBSCOhost)** is a full-text history reference database designed for secondary schools, public libraries, junior/community colleges, and undergraduate research. The database features full text for reference books, encyclopedias, non-fiction books, and history periodicals. The database also contains historical documents, biographies of historical figures, historical photos and maps, and more than 80 hours of historical video.

Coverage: 1917- ; full-text included

- 150. Hoover's Company Capsules and Profiles (ProQuest)** includes brief information on more than 40,000 companies, 600 industries, and 225,000 executives. Information provided includes an overview of company operations, addresses, phone and fax numbers, names of key officers, a list of top competitors, sales and employment figures, and stock symbols.

Coverage: Current file ; full-text included

- 151. Hospitality & Tourism Complete (EBSCOhost)** covers scholarly research and industry news relating to all areas of hospitality and tourism. Coverage includes periodicals, company and country reports, and books from domestic and international sources. Subject areas include culinary arts, demographics and statistics, development and investment, food and beverage management, hospitality law, hotel management and administrative practices, leisure and business travel, market trends, technology, and more.

Coverage: 1965- ; full text 1992-

- 152. The Information Science & Technology Abstracts (ISTA)** database provides indexing and abstract coverage of topics on technology, including classification, cataloging, bibliometrics, online information retrieval, information management, Internet search engines, printed and electronic information sources, the information industry, electronic publishing, and more. This database indexes journal articles from more than 450 publications. Sources indexed include books, research reports, conference proceedings, and patents.

Coverage: 1970-

GALILEO Database Descriptions 2014

153. The **Insurance Periodicals Index (IPI)** indexes and abstracts over 200 insurance industry journals and magazines. Coverage extends from 1965 to the present and features a controlled vocabulary of index terms that reflects current insurance industry terminology. IPI will interest researchers in economics, social scientists, and insurance and government organizations.

Coverage: 1965-

154. **"Integrated in All Respects" Ed Friend's Highlander Folk School films and the politics of segregation** consists of Ed Friend's film of the twenty-fifth anniversary of the Highlander Folk School in Monteagle, Tennessee, during Labor Day weekend in 1957 and the Georgia Commission on Education's propaganda broadside that features Friend's photographs and stills from his film. Labor and civil rights activists such as Ralph Abernathy, Myles Horton, Martin Luther King, Jr., Aubrey Williams, Charles G. Gomillion, Rosa Parks, Abner W. Berry, Pete Seeger, Harry Schneiderman, Ralph Helstein, A. T. Walden, and Maurice McCrackin are featured in the footage.

Coverage: 1957

155. **International Bibliography of Theatre & Dance with Full Text (EBSCOhost)** includes full-text articles and books for those studying theatre and the performing arts. This database was initiated by the American Society for Theatre Research. The Theatre Research Data Center (TRDC) at Brooklyn College has published 14 volumes of the IBTD since 1984.

Coverage: 1936-

156. **International Newspapers (ProQuest)** offers international, national, regional, and local papers including *The Atlanta Journal-Constitution*, *The New York Times*, *The Wall Street Journal*, *USA Today*, *Washington Post*, *The Guardian*, *El Norte*, *Jerusalem Post*, and *South China Morning Post*. Detailed indexing covers not only complete bibliographic information but also subjects, companies, people, products, and geographic areas and provides access to detailed information on the arts, sports, business, and popular culture. Even items such as editorials, editorial cartoons, obituaries, and letters to the editor from well-known people are indexed.

Coverage: Varies ; full-text included

Updated: Daily

GALILEO Database Descriptions 2014

157. **Internet & Personal Computing Abstracts (EBSCOhost)** content coverage extends back to the 1980s. Over 400 of the most important trade publications, mainstream computer magazines, and professional journals are covered, including those that focus on specific topics such as Macintosh and Windows platforms, programming, web development, and more. Special emphasis is also given to hardware and software reviews.

Coverage: 1965-

158. **Jimmy Carter Presidential Daily Diary Online** presents an online version of the diary of Jimmy Carter, former Governor of Georgia from 1971-1975 and the Thirty-Ninth President of the United States from 1977-1981. The diary is the official log of the president's activities during his administration and is from the Carter Presidential Library and Museum.

Coverage: 1977-1981

Updated: Complete

159. **Joseph Henry Lumpkin Family Papers** is a collection of letters reflecting family life, local and national society, and politics in Athens, Georgia, 1850-1861.

Coverage: 1850-1861

160. **Kids Search** is EBSCO's interface designed for students in grades K through 5. Kids Search provides elementary school students with an easy-to-use, graphically-appealing interface they can use to search their EBSCO databases.

161. **Kids.gov** is the official kids' portal for the U.S. government. It links to thousands of web pages from government agencies, schools, and educational organizations intended for kids and is grouped by grade level and subject. Kids.gov is maintained by the Federal Citizen Information Center (FCIC).

162. **KidsClick! Web Search for Kids by Librarians** links to great sites for kids on all topics (current events, science & math, fine arts, sports & recreation and more). Searches can be limited by reading level (up to grade 2, grades 3 - 6, grades 7 and up).

GALILEO Database Descriptions 2014

163. **LearningExpress Library** includes Learning Centers for test preparation and skill building. Offerings include:
- practice tests for elementary, secondary, and college students
 - preparation for college entrance and graduate school exams
 - GED preparation
 - business writing
 - job search skills
 - resume writing
 - practice tests for licensing and certification for several occupations
 - U.S. citizenship preparation

Full-text

164. **Legal Collection (EBSCOhost)** is an authoritative source for information on current issues, studies, thoughts, and trends of the legal world. Legal Collection offers full text for more than 250 law journals. This database provides information centered on the discipline of law and legal topics, such as criminal justice, international law, federal law, organized crime, medical, labor & human resource law, ethics, the environment and much more.

Coverage: 1901- ; full text 1965-

165. **LexisNexis Academic** contains thousands of publications, virtually all include full text. Many types of publications are included: newspapers (in English, other languages, and translations of international papers), legal news, general interest magazines, medical journals, trade publications, company financial information, transcripts, wire service reports, government publications (such as the federal case law, U.S. Code, Code of Federal Regulations, Congressional Testimony, etc.), law reviews, and reference works (such as the Forbes Annual Directory, the Official Guide/American Marketplace and the US Global Trade Outlook).

Coverage: Dates of coverage varies with the publication

Updated: Frequency varies (hourly, daily, weekly, monthly, annually)

166. **Library, Information Science & Technology Abstracts (LISTA) (EBSCOhost)** indexes more than 600 periodicals, plus books, research reports and proceedings. Subject coverage includes librarianship, classification, cataloging, bibliometrics, online information retrieval, information management and more. Coverage in the database extends back as far as the mid-1960s.

Coverage: 1964-

GALILEO Database Descriptions 2014

- 167. Literary Reference Center (EBSCOhost)** is a full-text database that combines information from major respected reference works, books, and literary journals, as well as original content from EBSCO Publishing. Literary Reference Center includes thousands of plot summaries, synopses, and work overviews; articles of literary criticism; author biographies; full text of over 430 literary journals; book reviews; thousands of classic and contemporary poems; thousands of classic and contemporary short stories; full text of over 7,500 classic novels; author interviews; and images of key literary figures.

Coverage: 1912- ; full-text included

- 168. Literature Online Reference Edition** is a collection of literary reference and criticism resources, including biographies, author bibliographies, *Annual Bibliography of English Language and Literature (ABELL)*, essays from *New Essays on the American Novel*, and full-text articles from over 150 literature journals.

Coverage Dates: 1990- ; full-text included

Updated: Ongoing

- 169. Literature Resource Center (Gale)** provides biographies on thousands of authors, as well as literary criticism, historical context, and social implications of literature. It includes full-text articles, including reprints from the following resources: *Contemporary Authors*, *Contemporary Literary Criticism*, *Select Dictionary of Literary Biography*, *Biography*, and *Genealogy Master Index*, *Twayne's Author Series*, *Scribners Writers Series* and many prominent literary journals

Coverage Dates: Dates vary ; full-text included

Updated: Ongoing

- 170. The Los Angeles Times** is included in the ProQuest Newspapers database but can be searched as a separate resource. To browse *The Los Angeles Times* issue by issue, click on the Publications link then select the year and issue.

Coverage: 1985- ; full-text included

Updated: Daily

GALILEO Database Descriptions 2014

171. The **[Macon Telegraph Archive](#)** provides online access to early issues of the *Macon Telegraph* ranging from its inception as a weekly newspaper in 1826, through the daily issues of the early twentieth century. Consisting of over 50,000 newspaper pages, the archive provides historical images that are both full-text searchable and can be browsed by date.

Coverage: 1826-1908

172. **[MAS Ultra \(EBSCOhost\)](#)** is a general database created for a high school audience. It provides the full text of over 500 popular magazines as well as biographies and primary source documents. All full text articles are assigned a reading level indicator (Lexiles). It also includes thousands of images, maps, and flags as well as reference books, including the *Columbia Encyclopedia*, the *CIA World Fact Book*, and *World Almanac & Book of Facts*.

Coverage: 1975- ; full-text included

Updated: Daily

173. **[MasterFILE Elite](#)** is a general database created for a public library audience. It provides abstracts and indexing for over 2,000 publications as well as full text for over 1,000 journals and general magazines covering nearly all subjects including general reference, business, health, education, general science, multicultural issues, and much more. This resource also contains full text for more than 50 reference books and an Image Collection of over 510,000 photos, maps and flags.

Coverage: 1974-

Updated: Daily

174. **[The Math Forum: Student Center](#)** is a collection of activities, puzzles, games, weekly challenges, and other resources for mathematics students from preschool through graduate school. The Student Center also includes the the Ask Dr. Math question and answer service and The Math Library.

175. **[The Math Forum: Teacher's Place](#)** is a collection of resources for teaching mathematics from preschool through graduate school. The Teacher's Place also includes the Math Forum Community and the Teacher Exchange to discuss and share materials as well as the Ask Dr. Math question and answer service and The Math Library.

176. **[Math: Wolfram Functions Site](#)** provides formulas and visualizations of mathematical functions. The site was developed as an encyclopedic resource to the educational, mathematical, and scientific communities and is partially funded by the National Science Foundation.

GALILEO Database Descriptions 2014

177. **MedicLatina (EBSCOhost)** provides access to full text for more than 140 peer-reviewed medical journals in native Spanish. The majority of full-text titles are available in native (searchable) PDF or scanned-in-color. A wide range of topics are covered including neuroscience, cardiology, nephrology, biomedicine, clinical research, pediatrics, human reproduction, clinical pathology, cancer research, and hematology.

Coverage: 1997-

178. **MEDLINE (EBSCOhost)** combines the National Library of Medicine's bibliographic database with links to the complete text of articles from 100 leading medical journals. The database offers information related to the fields of medicine, nursing, dentistry, veterinary medicine, the health care system, and preclinical sciences

Coverage: 1966- ; full-text 1990- / Updated: Daily

179. **MEDLINE (FirstSearch)** is an authoritative database of information related to the fields of medicine, nursing, dentistry, veterinary medicine, the health care system, and preclinical sciences. Indexing and abstracting only.

Coverage: 1950- / Update: Daily

180. **MEDLINEplus (National Library of Medicine/National Institutes of Health)** provides resources on common diseases and conditions, a medical encyclopedia and dictionary, directories for locating hospitals and doctors, information on prescription and non-prescription drugs, and more information of interest to the public.

181. The **Mercer Cluster Archive** is an online database of Mercer University's school newspaper that provides access to over fifty years of the publication ranging from 1920 to 1970. Consisting of over 5,000 newspaper pages, the archive provides images that are both full-text searchable and can be browsed by date.

182. **Merck Manuals** have been standard medical reference sources for over 100 years providing detailed information on virtually all disorders, complete with discussion of symptoms and current therapy. The publisher provides free access to five Merck Manuals: *The Merck Manual of Diagnosis and Therapy*; *The Second Home Edition*, providing medical information in everyday language; *The Merck Manual of Health and Aging*; *The Merck Manual of Geriatrics*; and *The Merck Veterinary Manual*.

Updated: Ongoing ; full-text included

GALILEO Database Descriptions 2014

183. **Merriam-Webster's Collegiate Dictionary (Encyclopaedia Britannica)** is available as part of *Encyclopaedia Britannica Online*. It is a general, English-language dictionary that includes definitions (with the most recent meaning listed last), examples of use, pronunciations, etymologies, and synonyms. Hyper-text "hot-links" are provided to related words.

Full-text

184. **Middle Search Plus (EBSCOhost)** provides full text from nearly 90 general, reference, health, and science publications. In addition to the full text, this database offers indexing and abstracts for over 130 magazines, including charts, tables, graphs, and photographs.

Coverage: 1985- ; full-text included

Update: Weekly

185. **Military Collection (ProQuest)** covers topics across all government and military branches, including international relations, political science, criminology, defense, aeronautics and space flight, communications, civil engineering, and more. It includes over 540 titles, with more than 400 available in full text. Deep backfile is available for a few select titles: *Marine Corps Gazette* dating back to 1916, *Leatherneck* dating back to 1921, and *Foreign Affairs* dating back to 1923.

Coverage: 1991- ; full-text included

186. The **Milledgeville Historic Newspapers Archive** provides online access to eleven newspaper titles published in Milledgeville from 1808 to 1920. Consisting of over 49,000 newspaper pages, the archive provides historical images that are both full-text searchable and can be browsed by date. Because Milledgeville served as the state capital from 1804 to 1868, during the antebellum, Civil War, and Reconstruction periods in the state's history, the site will provide researchers with particular historical insight into Georgia politics during the nineteenth century.

Coverage: 1808-1920

187. **NASA Images** was created through a partnership between NASA and the Internet Archive, a non-profit digital library based in San Francisco, to bring public access to NASA's image, video, and audio collections in a single, searchable resource. The site includes classic photos, educational programming, high-definition video, and more. New and archived media from all of NASA's centers are continually being added.

GALILEO Database Descriptions 2014

188. The **National Center for Biotechnology Information (NCBI)** advances science and health by providing access to biomedical and genomic information. The site allows researchers to search across several databases (see a [full list of the databases](#)).
189. The **National Science Digital Library (NSDL)** was created by the National Science Foundation to provide organized access to high quality resources and tools that support innovations in teaching and learning at all levels of science, technology, engineering, and mathematics education.
190. The **National Science Digital Library: K-12 Teacher's Resources** site is a guide to NSDL resources and information organized especially to fit the interests of teachers, media specialists, and others working with K-12 students. The site includes subject guides or pathways and other resources selected particularly for K-12 audiences.
191. **Native American Documents** contains over 2,000 documents and images on the history of Native Americans in the Southeastern U.S., letters, legal proceedings, military orders, and more.
- Coverage: 1730-1842
Update: Ongoing
192. The **New Georgia Encyclopedia** provides access to authoritative information on people, places, events, history, and other topics about the state of Georgia. The site includes articles and images on every aspect of the state and includes links to related Internet sites.
- Coverage: Prehistory-
193. **The New York Times** is included in the ProQuest Newspapers database but can be searched as a separate resource. To browse *The New York Times* issue by issue, click on the Publications link then select the year and issue.
- Coverage: 1980- ; full-text included
Updated: Daily
194. **New York Times Archive (1851-1980)** allows users to search across the archives of the New York Times from 1851 to 1980. Many articles are available in full text free of charge. Others require a nominal fee to view the full article.
195. **New York Times Online** provides access to the current edition of the New York Times. Multi-media features, blogs, and interactive commenting are also available.

GALILEO Database Descriptions 2014

196. **Newspaper Source (EBSCOhost)** provides cover-to-cover full text for 35 national (U.S.) and international newspapers, including *The Christian Science Monitor*, *USA Today*, *The Washington Post*, *The Washington Times*, *The Times (London)*, *The Toronto Star*, etc. The database also contains selective full text for 375 regional (U.S.) newspapers, including *The Chicago Tribune*, *The Detroit Free Press*, *The San Jose Mercury News*, etc. In addition, full-text television & radio news transcripts are provided from *CBS News*, *CNN*, *CNN International*, *FOX News*, *NPR*, etc.

Coverage: 1985- ; full-text included

Updated: Daily

197. **Notable Quotations by Author** feature from *Encyclopaedia Britannica* Search allows users to search or browse for quotations by author.

Coverage: Current file

Updated: Ongoing

198. **NoveList** is an online readers' advisory tool that helps readers find new books based on books they've read or on topics in which they are interested. NoveList provides enhanced subject access to over 125,000 fiction titles and more than 90,000 full-text book reviews or annotations

Coverage: Current file

Updated: Monthly

199. **NoveList K-8** is an online readers' advisory tool aimed at elementary and middle school students. NoveList K-8 helps readers find new books based on books they've read or on topics in which they are interested. NoveList provides enhanced subject access to over 46,000 fiction titles and full-text book reviews or annotations from trusted sources. It also includes booktalks, picture book extenders, and Curricular Connections articles that will guide faculty to new titles and new ways for translating curriculum standards into classroom action.

Coverage: Current file

Updated: Quarterly

200. The **NSDL Concept Map Tool** provides a way for teachers and students to connect NSDL resources with science and math concepts. The science literacy maps demonstrate connections between concepts and how concepts build upon each other as students progress through grade levels. This tool is part of the National Science Digital Library (NSDL), which is supported by the National Science Foundation.

GALILEO Database Descriptions 2014

201. **OAlster** is a union catalog of more than 19 million digital resources from over 1,000 organizations developed by the University of Michigan and harvested using OAI-PMH (the Open Archives Initiative Protocol for Metadata Harvesting). Digital resources in OAlster include digitized (i.e., scanned) books and articles; born-digital texts; audio files (e.g., wav, mp3); images (e.g., tiff, gif); movies (e.g., mp4, quicktime); and datasets (e.g., downloadable statistics files)
202. **Pandora: Yearbook of the University of Georgia** Since 1886, the *Pandora* has been the yearbook of the University of Georgia. Starting as a publication of the fraternities, the *Pandora* combined facts, photography, cartooning and humor (of varying quality) to provide an annual record of University activities.
- Coverage: 1886-1938
203. **PapersFirst (conference papers)** provides access to individual papers presented at conferences worldwide, PapersFirst covers every congress, symposium, exposition, workshop, and meeting added to The British Library Document Supply Centre's collection since October 1993.
- Coverage: 1993- ; full-text included
Updated: Semimonthly (twice per month)
204. **Periodic Table Live!** allows students to explore information about the elements, their reactions, their properties, their structures, and their histories. This resource is part of the ChemEd Digital Library, a collection of the National Science Digital Library (NSDL), which is supported by the National Science Foundation.
205. **Pharmaceutical News Index** gives researchers access to the latest information on medical technology, research, and legislative developments. The database contains bibliographic information and indexing for 22 key U.S. and international pharmaceutical, health care, biotechnology, medical device, and cosmetic industry newsletters.
- Coverage: 1974-
206. **Picturing Augusta: Historic Postcards from the Collection of the East Central Georgia Regional Library System** consists of forty turn-of-the-twentieth century Augusta-related picture postcards (1900-1914) selected from the collection *Augusta and Environs: Picture Post Cards in Color* held at the East Central Georgia Regional Library in Augusta, Georgia. The postcards in this collection depict the commercial development, economic prosperity, and social customs of Augusta and its inhabitants during the opening years of the twentieth century.

GALILEO Database Descriptions 2014

207. PINES (Georgia Library Public Information Network for Electronic Services) is Georgia's public library automation and lending network for 249 libraries in 127 counties. PINES is an initiative of the Georgia Public Library Service, a unit of the University System of Georgia. Georgians with a PINES library card have access to materials beyond what is available on their local shelves and enjoy the benefits of a shared collection of 7.7 million books and materials that can be delivered to their home library with no charge to the library user.

208. Primary Search (EBSCOhost) is designed for students at the elementary level. It includes full-text publications as well as general publications for professionals working with students on the primary/elementary level. In addition to searchable full text for some publications, photos are included in many articles.

Coverage: 1985- ; full text 1993-

Updated: Weekly

209. PRISMS stands for Phenomena and Representations for the Instruction of Science in Middle Schools and is a project of the Maine Mathematics and Science Alliance (MMSA) funded by the National Science Foundation's National Science Digital Library program. Resources include pictures, video clips, graphs, simulations, and more for middle school teachers and students in the areas of biology, astronomy, ecology, and earth science.

210. ProceedingsFirst (conference proceedings) provides an index of worldwide conference proceedings. It covers every published congress, symposium, conference, exposition, workshop, and meeting received by The British Library Document Supply Centre. Each ProceedingsFirst record contains a list of the papers presented at each conference.

Coverage: 1993- ; full-text included

Update: Semi-weekly (twice per week)

211. Professional Development Collection (EBSCOhost) is a specialized collection of journal articles and pamphlets especially for professional educators. It provides abstracts and indexes for 800 professional development titles and searchable full text for nearly 500 journals covering the most current topics in the field of education

Coverage: 1940- ; full-text included

Updated: Daily

GALILEO Database Descriptions 2014

212. ProQuest Databases provides an interface to simultaneously search all ProQuest databases.

213. ProQuest Newspapers offers international, national, regional, and local papers including *The Atlanta Journal-Constitution*, *The New York Times*, *The Wall Street Journal*, *USA Today*, *Washington Post*, *The Guardian*, *El Norte*, *Jerusalem Post*, and *South China Morning Post*. Detailed indexing covers not only complete bibliographic information but also subjects, companies, people, products, and geographic areas and provides access to detailed information on the arts, sports, business, and popular culture. Even items such as editorials, editorial cartoons, obituaries, and letters to the editor from well-known people are indexed.

Coverage: Varies by publication ; full-text included
Updated: Daily

214. ProQuest Nursing and Allied Health Source provides users with reliable health care information covering nursing, allied health, alternative and complementary medicine, and much more. This database is designed to meet the needs of researchers at health care facilities as well as nursing and allied health programs at academic institutions.

Coverage: 1986- ; full-text included

215. Psychology & Behavioral Sciences Collection (EBSCOhost) includes articles from 410 full-text journal covering information concerning topics in emotional and behavioral characteristics, psychiatry & psychology, mental processes, anthropology, and observational & experimental methods.

Coverage: 1945- ; full-text included

216. The Red and Black: An Archive of the University of Georgia Student Newspaper includes archived issues of the newsletter still in production. Covering "matters of interest" at the University of Georgia, as well as the world beyond the Arch, the electronic version of *The Red and Black* offers access to history in the form of news reporting. Equally informative is the advertising, documenting trends, fashions and daily life.

Coverage: 1893-1999 (with gaps)
Updated: Ongoing

217. Regional Business News (EBSCOhost) provides comprehensive full-text coverage of more than 50 business journals, newspapers and newswires from metropolitan and rural areas within the United States.

Coverage: 1990- ; full-text included / Update: Daily

GALILEO Database Descriptions 2014

- 218. Religion (ProQuest)** is an indispensable resource for religious studies programs and for anyone researching religious issues and perspectives. This resource presently has more than 150 journals, with most of them available with full-text. The content is full-text, scholarly, and designed to meet the needs of both religious studies programs and general library collections.

Coverage: 1986- ; full-text included

- 219. Religion & Philosophy Collection (EBSCOhost)** is a database with more than 300 full-text journals. It covers topics in spiritual, ethical, philosophical, cultural, and historical aspects of the world's major religions.

Coverage: 1974- ; full-text included
Updated: Daily

- 220. Research Library (ProQuest)** provides one-stop access to a wide range of popular academic subjects and includes full-text access for thousands of titles, including scholarly journals, trade publications, magazines, and newspapers.

Coverage: 1971- ; full-text included

- 221. Reuters** provides access to breaking news from around the world.

- 222. Revistas para Bibliotecas Públicas (MasterFILE Elite at EBSCOhost)** is a general database created for a public library audience. It provides full text for over 1,000 periodicals covering nearly all subjects including general reference, business, consumer health, general science, and multi-cultural periodicals. In addition to the full text, this database offers indexing and abstracts for over 2,000 periodicals.

NOTE: The content of the articles in this database are written in English. EBSCOhost provides an automatic translation feature that is meant to represent the content of the original article. However, the machine-generated translation cannot be guaranteed to produce an exact translation of the original.

Coverage Dates: 1974-
Updated: Daily

GALILEO Database Descriptions 2014

- 223. [Revistas para los Estudiantes de las Escuelas Secundarias \(MAS Ultra at EBSCOhost\)](#)** is a general database created for a high school audience. It provides full text for periodicals covering general reference, health, science, and other areas and includes biographies, primary source documents, photos, maps, flags, and reference books, such as the *CIA World Factbook*.

NOTE: The content of the articles in this database are written in English. EBSCOhost provides an automatic translation feature that is meant to represent the content of the original article. However, the machine-generated translation cannot be guaranteed to produce an exact translation of the original.

Coverage: 1975-

- 224. The [Richard B. Russell Library Finding Aids](#)** database provides access to the open collections of the Richard B. Russell Library for Political Research and Studies at the University of Georgia. Currently, the database includes finding aids for over one hundred collections, and library staff members are continually adding more.

Updated: Ongoing

Vicinity \(Richmond Co.\), circa 1872-1898](#)** consists of 86 Glass plate negatives and positive prints of African-Americans in the Augusta, Richmond County, Georgia area. Robert E. Williams, an African-American photographer, operated a studio, R. Williams and Son, in Augusta, Georgia, from 1888 until around 1908.

Coverage: circa 1872-1898

Updated: Complete

- 226. [Robert Toombs, Letters to Julia Ann DuBois Toombs, 1850-1867](#)** consists of correspondence from Robert Toombs to his wife, Julia Ann DuBois Toombs in Washington, Wilkes County, Georgia from 1850-1867. During 1850-1859 his letters came from Washington, D.C. while he served in the U.S. Senate. During the Civil War, he wrote from Virginia (1862) and Atlanta, Georgia (1864). Following the war, letters are written from Paris (1866-67) while he was in exile.

Coverage: 1850-1867

Updated: Complete

GALILEO Database Descriptions 2014

227. **Salem Health** provides access to *Magill's Medical Guide* and *Salem Health: Cancer*. These online publications include illustrations and sidebars, indexes, appendixes and other back matter. Cross-references in the form of "See Also" boxes will link directly to appropriate articles. Key terms, used in the body of articles, will link to a complete "Glossary." "Further Information" citations are extensive and authoritative.

Full-text

228. **Salem History** provides access to full-text of significant documents in American History from 1763 to 2003. Each entry includes an overview of the document, context of the document, a time line, information about the author and the audience, explanation and analysis of the document, impact of the document, and more.

Full-text

229. **Salem Literature** is an online database providing access to the *Critical Insights* series. *Critical Insights* distills the best of both classic and current literary criticism of the world's most-studied literature. Each volume in the series focuses on an individual author's entire body of work or on a single work of literature.

Full-text

230. **Salem Science** currently offers online access to the following reference sets *Encyclopedia of Global Warming and The Solar System, Revised Edition*

Full-text

231. **The Samuel Hugh Hawkins Diary, January - July 1877**, chronicles Americus, Georgia entrepreneur, lawyer, and banker Samuel Hawkins' financial, agricultural, civic, and religious activities in Sumter County during the final months of Reconstruction. Diary entries briefly illustrate Hawkins' work at the Bank of Americus and his real estate interests in the county. On a national level, Hawkins comments on the contested presidential election of 1876 and the resulting presidency of Republican candidate, Rutherford B. Hayes. Locally, he chronicles city and county elections and appointments and other regional events.

Coverage: 1877

Updated: in process

GALILEO Database Descriptions 2014

- 232. Sanborn Fire Insurance Maps for Georgia Towns and Cities, 1884-1922** consists of fire insurance maps created by the Sanborn Map Company that depict the commercial, industrial, and residential areas of Georgia cities. The highly-detailed, color-coded maps document the changing face of Georgia cities by depicting not only the community but also each building, block, and neighborhood. The maps detail building construction, sizes, and usage as well as city services such as water and fire services.

Updated: in process

- 233. Scholastic News Online** is the place for kid news with games and quizzes, debate topics, and in-depth reports.

Coverage: Current file

Updated: Ongoing

- 234. Science and Technology (Citizen Gateway)** Information on science, technology, patents and trademarks, space, scientific research and research grants.

- 235. Science & Technology Collection (EBSCOhost)** contains over 800 full-text journals covering relevant aspects of the scientific and technical community. Topics include aeronautics, astrophysics, biology, chemistry, computer technology, geology, aviation, physics, archaeology, marine sciences and materials science. In addition to the full text, this database offers indexing and abstracts for more than 1,700 publications.

Coverage: 1900- ; full-text 1911-

- 236. Searchasaurus: Middle Search Plus** is designed for middle school students and provides full text from nearly 90 general, reference, health, and science publications. In addition to the full text, this database offers indexing and abstracts for over 130 magazines, including charts, tables, graphs, and photographs.

- 237. Searchasaurus: Primary/Elementary School Search** is designed for elementary school students. 55 full-text children's' publications and 120 general publications for professionals working with students on the primary/elementary level are included. 300 full-text pamphlets are also included. In addition to searchable full-text for some publications, photos are included in many articles.

GALILEO Database Descriptions 2014

238. The Serials Directory (EBSCOhost) provides access to current bibliographic information as well as current pricing structures for popular serials. It contains over 200,000 U.S. and international titles, including newspapers; historical data for an additional 20,000 titles; data from over 100,000 publishers worldwide, including email and Internet addresses; and Library of Congress and Dewey Decimal Classifications for every entry.

Coverage: 1730-1842

Update: Ongoing

245. **Southeastern Newspapers (ProQuest)** includes over twenty publications from the Southeastern United States. Click the Publications link to see the list of titles and to browse a title by issue.

Coverage: varies with publication

Updated: Daily

246. The **Southern Israelite Archive** spans the years 1929-1986 and includes over 48,000 images. The paper not only covered the news of the southern Jewry, but also the issues that involved Jewish populations throughout the nation and world, including the Holocaust and later the creation of the Jewish state of Israel.

Coverage: 1929-1986

247. **Statistics: CAUSEWeb** is a website with educator resources from the Consortium for the Advancement of Undergraduate Statistics Education. Resources include lesson modules, student activities, assignments, datasets, and videos. The site also offers links to research and professional development opportunities. This site is part of the National Science Digital Library (NSDL), which is supported by the National Science Foundation.

248. **Student Research Center (EBSCOhost)** is designed for students in grades 6 through 12. Through the Student Research Center, users can pre-determine which content sources (e.g., magazines, newspapers, biographies, country reports, film & video) will be included with their search. They can also search their databases by topic heading, make use of an online dictionary and encyclopedia, explore the top searches of the day, and limit their search according to appropriate Lexile reading levels.

Updated: Daily

GALILEO Database Descriptions 2014

249. The **Technical College System of Georgia** is the state agency responsible for overseeing the Technical College System of Georgia, the Adult Education program, and a host of economic and workforce development programs. This website provides access to information about institutions that are part of the Technical College System of Georgia.

250. **Telecommunications (ProQuest)** is a resource for anyone researching the industry or its technology. The database includes over 140 titles, with more than 115 available in full text. The database covers computer applications, data communications and data transmission systems, electronic data processing, information science and information theory, radio and television, and other topics in the field.

Coverage: 1990- ; full-text included

251. **"Thar's Gold in Them Thar Hills": Gold and Gold Mining in Georgia, 1830s-1940s** consists of selected legal, financial, and promotional documents as well as photographs and picture postcards that represent episodes of renewed interest in gold mining in Lumpkin County during Reconstruction, at the turn of the century, and during the Depression.

Coverage: 1830-1940

Updated: in process

252. **Today in Georgia History** is an educational program that includes daily television and radio segments focusing on significant people and events associated with a particular day in Georgia history. A joint collaboration of the Georgia Historical Society and Georgia Public Broadcasting, this interactive website allows you to access streaming audio and video of the episodes, as well as transcripts, tips for teachers, curriculum, writing prompts, review questions and discussion topics, classroom exercises, follow-up research topics and selected primary-source material. Together, these resources will reach students of all grade levels, cover all subject areas based on content, and will align with Georgia's social studies curriculum and performance standards.

Updated: Ongoing

253. **TOPICsearch (EBSCOhost)** is a current events database covering social, political, and economic issues, scientific discoveries, and other popular topics. The database contains full text for over 100,000 articles from more than 1,000 diverse sources including international and regional newspapers, periodicals, biographies, public opinion polls, book reviews, pamphlets, and government information.

GALILEO Database Descriptions 2014

254. **TOXNET (TOXicology Data NETwork)** is a cluster of databases covering toxicology, hazardous chemicals, environmental health, and related areas. It is managed by the Toxicology and Environmental Health Information Program (TEHIP) in the Division of Specialized Information Services (SIS) of the National Library of Medicine (NLM).

255. **The University Bumble Bee: From the Hargrett Rare Book and Manuscripts Library** is the online version of *The Bumble Bee*, obviously not an official publication of the University of Georgia. It appears to have been issued by graduating students of the University during the period 1889 to 1902.

Coverage: 1889, 1893/1894, 1897, 1902

256. **University of Georgia Centennial Alumni Catalog from the Hargrett Rare Books and Manuscripts Library** In 1901, to celebrate 100 years of classes at the Athens campus, the University of Georgia assembled the Centennial Alumni Catalog. Although the word "alumni" was used, the project attempted to collect biographical data about anyone who matriculated at the university during that first century, whether or not they graduated. A four-page questionnaire was mailed to known matriculates or their families and an impressive 1,749 completed forms were returned.

Coverage: 1901

257. **University of Georgia Electronic Theses and Dissertations** is a collection of the theses and dissertations submitted electronically to the Graduate School at the University of Georgia since the summer of 1999. All dissertations are included, although some may not be viewable from off campus. The record for an individual document is always viewable, and will indicate the availability of the document.

Coverage: Summer 1999-
Updated: Ongoing

258. **University System of Georgia** is the web site for the University System of Georgia and provides Institutions, Central Office, policies and procedures, publications, and USG statistics.

Coverage: Ongoing

GALILEO Database Descriptions 2014

259. **USA.gov**, the official gateway to all government information, allows searching of more than 51 million web pages from federal and state governments, the District of Columbia, and U.S. territories. You may select customer gateways - Citizens, Businesses and Nonprofits, Federal Employees, and Government-to-Government - to help narrow your search. The searchable FAQs include information on more than 2000 answers on topics such as workplace issues, consumer protection, grants and loans, immigration and naturalization, and more. From USA.gov you can apply for student financial assistance, buy government publications, apply for social security and other benefits, get a passport application, and conduct other business with government agencies.

260. **Vanishing Georgia** contains nearly 18,000 photographs from the Georgia Archives documenting over 100 years of the state's history. Topics covered include, but are not limited to, family and business life, street scenes and architecture, agriculture, school and civic activities, important individuals and events in Georgia history, and landscapes.

Coverage Dates: 1850s to the 1980s
Updated: Ongoing

261. **Video Clips (*Encyclopaedia Britannica*)** provides access to short educational media clips in science, social studies, language arts, and mathematics

Coverage: Current edition
Updated: Ongoing

262. **Vintage Baseball Cards from the Collection of Senator Richard B. Russell** contains over one thousand baseball cards produced by the American Tobacco Company during the years 1909-1911, the height of the so-called dead-ball era. The majority of the cards come from the T-206 "White Border" set, the largest tobacco card set of the early 20th century and the one containing some of the most prized cards in the collecting world.

Coverage: 1909-1911

263. **Virtual Chemistry Lab**, or the Chemistry Collective, provides scenario-based learning activities for in-class or homework assignments for students. Educators can find activities for their courses, provide feedback on them, create and share activities with others, and discuss issues related to chemistry education. The ChemCollective is part of the National Science Digital Library, which is funded by the National Science Foundation.

GALILEO Database Descriptions 2014

264. The **Vocational & Career Collection (EBSCOhost)** provides full-text coverage for almost 350 trade and industry-related periodicals.

Coverage: 1985- ; full-text included

265. **Voyages: The Trans-Atlantic African Origins Database** is a scholar-public collaborative endeavor to trace the geographic origins of Africans transported in the transatlantic slave trade. The database provides information on almost 35,000 slaving voyages that forcibly embarked over 10 million Africans for transport to the Americas between the sixteenth and nineteenth centuries. Coverage: 1500s-1866

266. **The Wall Street Journal (ProQuest)** is included in the ProQuest Newspapers database but can be searched as a separate resource. To browse *The Wall Street Journal* issue by issue, click on the Publications link then select the year and issue.

Coverage: 1984- ; full-text included
Updated: Daily

267. **Wall Street Journal Online** provides access to the current edition online.

268. **The Washington Post (ProQuest)** is included in the ProQuest Newspapers database but can be searched as a separate resource. To browse *The Washington Post* issue by issue, click on the Publications link then select the year and issue.

Coverage: 1987- ; full-text included
Updated: Daily

269. **Westlaw Campus Research** provides access to news, business, and law-related information through an easy to use interface. Campus Research includes over 4,300 news sources such as, newspapers, trade, business and professional publications, newswires, broadcast transcripts, foreign language publications and company information. The legal databases feature federal and state case law, statutes and administrative rules and regulations as well as law reviews and journals.

Full-text included

270. **WGBH Teachers' Domain (NDSL Multimedia Pathway)** provides multimedia resources that incorporate sound educational practices. Resources are classroom-ready and include images, video clips, and student activities. Resources are aligned to state standards. Free registration is required.

GALILEO Database Descriptions 2014

271. **World Almanacs** is a reference database that covers arts and entertainment, U.S. cities and states, people in the news, the nations of the world, sports, the environment, vital statistics, science and technology, computers, taxes and much more.

Coverage: 1998- ; full-text included
Updated: Yearly

272. **World Data Analyst (*Encyclopaedia Britannica*)** includes current and historical statistics on many countries of the world. Highlights of the database include Country Snapshots (maps and statistics); Country Comparisons (create tables and graphs comparing countries using recent and historical statistics); and Ranked Statistics (compare economic or population measures or significant geographic features). Users can use tools in the database to create tables and charts and export the information to a spreadsheet for data crunching and deeper analysis.

Coverage: Current file
Updated: Ongoing

273. **World History Collection (EBSCOhost)** contains cover-to-cover full text for more than 150 titles, including many peer-reviewed journals. Full text dates as far back as 1964. These hand-selected information sources cover a wide range of historical topics including anthropology, art, culture, economics, government, heritage, military, politics, regional issues, and more.

Coverage: 1964- ; full-text included

274. **WorldCat** is the world's most comprehensive bibliography with bibliographic records representing information spanning 4,000 years of knowledge. It is the OCLC Online Union Catalog of information contributed by OCLC (Online Computer Library Center) member libraries worldwide.

Coverage: Approx. 1000 BC-
Updated: Daily

275. **WorldCat Dissertations and Theses** includes all dissertations, theses and published material based on theses cataloged by OCLC members, including all subjects. Links to openly available electronic copies are provided when available. Use the "Libraries Worldwide" link to determine which libraries include the dissertation or thesis in their holdings.

Updated: Daily

GALILEO Database Descriptions 2014

276. **WorldCat Mobile** provides access to OCLC's WorldCat database from mobile devices. Users are provided with a mobile-friendly interface that allows them to search the WorldCat database for books, music, movies, games, ebooks, and other library materials. Enter your zip code to see if materials are available at libraries near you.

Coverage: Approx. 1000 BC-
Updated: Daily
