PRIMO – LIBRARY CATALOG

Primo, CGTC's library catalog, is a search tool for finding library books, as well as, eBooks, journal articles, and videos. You can also use Primo to (1) access your library account, (2) renew library books, (3) request items from the library, and (4) customize your search experience.

Accessing Primo:

There are two ways to access Primo:

A. Visit the catalog directly here: http://bit.ly/CGTC_Library_Catalog
B. Or visit the CGTC Library home page: www.centralgatech.edu/library, select the "Search the Library" icon on the right side of the page.

Logging in to Primo:

A. Access your library account to renew books, request new items, and receive full access to online materials.
B. Select the words "Sign In" in the upper right corner to login using your full CGTC student email address and password.

Searching Primo:

From the main page, you can do a basic or advanced search using keywords.

A. Enter your keywords or search terms into the search bar, just as you would for a search engine (Google, Yahoo, etc.). You can search for subject, book title, author, or your program of study! Example searches: "Criminal Justice", "Pass the PSB", or "creating a resume".
B. On the results page, you can use the options on the left side of the page under "Refine my results" to find the right resource.
C. To find just library books, choose "Available in the Library" under "Availability".
