Introduction to CGTC Library Resources and Services

There are a wide array of library resources and services available to all CGTC students regardless of your location, specialization, or academic pursuit. Whether you are enrolled in one of our campuses, county centers, online courses, adult learning programs, high-school dual enrollment programs, business & industry training partnerships, or other off-campus training programs you are entitled to the full-level of library resources and services CGTC can provide.

The CGTC Library website www.centralgatech.edu/library is an excellent starting point in conjunction with using this handbook. Instructions for accessing the CGTC Library website and use of its premier online databases and eBooks, online catalog, and user services are provided within. Please refer to the “Table of Contents” to quickly identify and locate areas of interest within the handbook.

GALILEO, the comprehensive virtual library system of Georgia, is linked from the CGTC Library website through the Primo, the online card catalog. GALILEO stands for Georgia Library Learning Online and provides access to thousands of full-text magazines, eBooks, streaming videos, reference databases, and educational/professional links at every networked computer on your campus or center. Off campus users will be prompted via Microsoft login to enter their student login and password, which is the same as the one used for the student email account.

The CGTC Library Catalog provides access to thousands of full-text eBooks (electronic books online) and print book materials housed in our Warner Robins, Macon, and Milledgeville campus libraries. eBooks are available directly online and print materials are available for check-out by all students regardless of location. Please refer to the sections “Access to Library Materials” and “Check-Out / Circulation Policies and Procedures” for information specific to your enrollment status and location.

As a student of Central Georgia Technical College you have full privileges of use within our Warner Robins, Macon, and Milledgeville campus libraries when convenient for you to visit them. Location, hours of operation, and contact information are available online at our CGTC Library website. Contact information is provided within this handbook, too. We welcome your inquiries and want to assist you with your informational and research needs. Please do not hesitate to contact the Library with any questions you have.

Best wishes with your classes – Please let us know how the Library can assist you further!

Access to Library Materials (Collections Overview)

**eBooks**

eBooks (electronic books) are full-text books accessible online. Students at any CGTC campus or center may access and view an eBook from any networked computer workstation. CGTC students off-campus or at a remote location may access eBooks online though searching in the library catalog. Off-campus users will be prompted to enter their campus ID and password. This is the same ID used to access campus email.

**Print Books**

CGTC’s print book collections are housed at the Warner Robins, Macon, and Milledgeville campus libraries. All currently enrolled CGTC students, regardless of location, have access to these collections. Students who are enrolled in traditional courses at the Warner Robins, Macon, or Milledgeville campuses, online courses, or off-campus programs and reside within a 25 mile radius of these campuses are required to visit the libraries in person. CGTC students currently enrolled at one of the college’s county centers may request to have books checked-out and delivered to their center. Online students who reside beyond a 25 mile radius of our campuses and centers should contact the library to check on service options.

**Periodicals (Magazines, Journals, Newspapers, etc.)**

GALILEO, the statewide virtual library of Georgia, provides access to thousands of full-text periodicals online to all currently enrolled students at Central Georgia Technical College. GALILEO may be accessed through Primo (the library catalog) from any networked computer on campus or at our centers and is also available off-campus via Microsoft login.

The Warner Robins, Macon, and Milledgeville campus libraries subscribe to many current print periodicals in support of the college’s academic programs. Current periodical lists are available online at the CGTC Library website under the heading “LIBRARY RESOURCES”. Campus holdings are listed alphabetically and by subject/program. Periodicals do not circulate outside the Library, however if you are looking for a magazine article we strongly recommend the use of GALILEO to access full-text magazine articles. Articles from campus print subscriptions may be requested through Interlibrary Loan.

**Video Collections**

Instructional videos are available for student viewing within the Warner Robins, Macon, and Milledgeville campus libraries at individual TV/DVD viewing stations. Video lists are available on the CGTC Library website under the heading “Library Resources”. Videos do not circulate outside of the Library. Faculty are permitted to borrow videos for a 1 week period for classroom use.
Check-Out / Circulation Policies and Procedures

- Print books in the general collection circulate for a 21 day period. Books may be renewed in person, by e-mail or by phone if no other requests are pending for the material.

- There is a check-out limit of 5 books per patron for credit students. Adult Education borrowers have a check-out limit of 3 books.

- Books desired for check out but not owned by CGTC may be available through TechShare, public library or interlibrary loan. Contact the CGTC library for help in borrowing an item from another library.

- Overdue Fines and Charges: 10 cents per day per item for all library materials returned late. There is a book replacement charge for any lost or damaged items.

- All library materials are due back to the library by end of the semester. No exceptions.

- PLEASE NOTE: Failure to return library materials or paying fines results in a HOLD placed on a student’s academic record preventing registration, disbursement of financial aid, viewing of grades, requests for transcripts, and eligibility for graduation.

Campus Students
(includes off-campus and online students residing in campus service area)

Students who are enrolled in traditional courses at either the Warner Robins, Macon, or Milledgeville campus or enrolled in a CGTC online course or an off-campus program and reside within a 25 mile radius of the Warner Robins, Macon, or Milledgeville campuses are required to visit the libraries in person.

Adult Education students not issued an official CGTC identification card and reside within a 25 mile radius of our Warner Robins, Macon, or Milledgeville campus libraries will need to visit the library nearest them and complete the library application process. Students should present a picture ID and verification of enrollment. Library staff will then issue a CGTC Library Card.

Student library accounts expire at the end of each semester and may be renewed/reactivated for each new semester the student is enrolled. Periodic verification of current enrollment status and home address contact information may be necessary.
**County Center Students**  
(Crawford, Monroe, Pulaski, and Putnam counties)

County center students have full access to all online library research databases, eBooks, and other online CGTC library services at any networked computer workstation within their center. To access print books housed in the Warner Robins, Macon, and Milledgeville campus libraries county center students have the option of visiting the campus Library nearest them or requesting books for check-out and delivery to their center.

Library of Congress Classification System

The majority of books in the CGTC Libraries are arranged according to the Library of Congress Classification System, which separates all knowledge into 21 classes, as outlined below. The classes are identified by a letter of the alphabet and then broken down into subclasses using combinations of letters and numbers. Only the Children’s Books collection is not arranged by the LC Classification system, using instead the Author’s last name as the call number. The Library staff will be happy to assist you if you are unable to find the book that you need.
