

2020 ANNUAL REPORT

CENTRAL GEORGIA TECHNICAL COLLEGE

Central Georgia Technical College is steadfast in its mission to provide quality and affordable higher education to the citizens of Georgia, as well as to our national and international partners. Over the past seven years, the College has continued to grow and reach milestones, establishing itself as a leader in enhancing Georgia's workforce. CGTC continues to set the standard for graduates in the Technical College System of Georgia as the first college in the system to produce over 4,000 unduplicated graduates. Once again, CGTC produced the most graduates in the System and awarded the most degrees and certificates to students. Our Economic Development team delivered over two million training hours and supported local business and industry partners in bringing job opportunities to the region. Our faculty continually excel at preparing students for success in education and the job market. Whether you are a business leader, a high school student, or a person seeking a career transition or a GED®, come see us! We invite you to review the evidence of our progress below.
