

2021 ANNUAL REPORT

CENTRAL GEORGIA TECHNICAL COLLEGE

Central Georgia Technical College is steadfast in its mission to provide quality and affordable higher education to students across the state of Georgia, the nation, and around the globe! During Fiscal Year 2021, the College has continued to grow and achieve milestones, establishing itself as a leader in supporting and enhancing Georgia's workforce. After becoming the first college in the system to produce over 4,000 unduplicated graduates, CGTC continues to lead the Technical College System of Georgia in graduates and awards, including the highest number of associate degrees awarded. The College's faculty continually excel at preparing students for success and connecting them with the workforce which is evidenced by CGTC's job placement rate. The College's Economic Development team performed a record number of training hours and supported local business and industry partners in bringing new jobs to the region. Whether you are a business leader, a high school student, or are seeking a career transition or a high school equivalency, come see us! We invite you to review our progress below.
